DEPARTMENT OF AGRICULTURE
Office of the Secretary

Determination of Total Amounts of Fiscal Year 2016 WTO Tariff-Rate Quotas for Raw Cane Sugar and Certain Sugars, Syrups and Molasses

AGENCY: Office of the Secretary, USDA.

ACTION: Notice.

SUMMARY: The Office of the Secretary of the Department of Agriculture (the Secretary) announces the establishment of the Fiscal Year (FY) 2016 (October 1, 2015–September 30, 2016) in-quota aggregate quantity of raw cane sugar at 1,117,195 metric tons raw value (MTRV). The Secretary also announces the establishment of the FY 2016 in-quota aggregate quantity of certain sugars, syrups, and molasses (also referred to as refined sugar) at 132,000 MTRV.

DATES: Effective Date: June 15, 2015.

FOR FURTHER INFORMATION CONTACT: Souleymane Diaby, Import Policies and Export Reporting Division, Foreign Agricultural Service, Department of Agriculture, 1400 Independence Avenue SW., AgStop 1021, Washington, DC 20250–1021; by telephone (202) 720–2916; by fax (202) 720–0876; or by email souleymane.diaby@fas.usda.gov.

SUPPLEMENTARY INFORMATION: The provisions of paragraph (a)(1) of the Additional U.S. Note 5, Chapter 17 in the U.S. Harmonized Tariff Schedule (HTS) authorize the Secretary to establish the in-quota tariff-rate quota (TRQ) amounts (expressed in terms of raw value) for imports of raw cane sugar and certain sugars, syrups, and molasses that may be entered under the subheadings of the HTS subject to the lower tier of duties during each fiscal year. The Office of the U.S. Trade Representative (USTR) is responsible for the allocation of these quantities among supplying countries and areas.

Section 359(k) of the Agricultural Adjustment Act of 1938, as amended, requires that at the beginning of the quota year the Secretary of Agriculture establish the TRQs for raw cane sugar and refined sugars at the minimum levels necessary to comply with obligations under international trade agreements, with the exception of specialty sugar.

Notice is hereby given that I have determined, in accordance with paragraph (a)(1) of the Additional U.S. Note 5, Chapter 17 in the HTS and section 359(k) of the 1938 Act, that an aggregate quantity of up to 1,117,195 MTRV of raw cane sugar may be entered or withdrawn from warehouse for consumption during FY 2016. This is the minimum amount to which the United States is committed under the WTO Uruguay Round Agreements. I have further determined that an aggregate quantity of 132,000 MTRV of sugars, syrups, and molasses may be entered or withdrawn from warehouse for consumption during FY 2016. This quantity includes the minimum amount to which the United States is committed under the WTO Uruguay Round Agreements, 22,000 MTRV, of which 20,344 MTRV is established for any sugars, syrups and molasses, and 1,656 MTRV is reserved for specialty sugar.

An additional amount of 110,000 MTRV is added to the specialty sugar TRQ for a total of 111,656 MTRV.

Because the specialty sugar TRQ is first-come, first-served, tranches are needed to allow for orderly marketing throughout the year. The FY 2016 specialty sugar TRQ will be opened in five tranches. The first tranche, totaling 1,656 MTRV, will open October 9, 2015. All specialty sugars are eligible for entry under this tranche. The second tranche will open on October 23, 2015, and be equal to 27,500 MTRV. The remaining tranches will each be equal to 27,500 MTRV, with the third opening on January 8, 2016; the fourth, on April 8, 2016; and the fifth, on July 8, 2016.

The second, third, fourth, and fifth tranches will be reserved for organic sugar and other specialty sugars not currently produced commercially in the United States or reasonably available from domestic sources.

Conversion factor: 1 metric ton = 1.10231125 short tons.

Dated: June 11, 2015.

Michael T. Scuse,
Under Secretary, Farm and Foreign Agricultural Services.

Imports of all specialty sugar will be administered on a first-come, first-served basis. This additional tranche is reserved for organic sugar and other specialty sugars not currently produced commercially in the United States or reasonably available from domestic sources. The sucrose content, by weight in the dry state, of such sugar must have a polarimeter reading of 99.5 degrees or more. Entries of specialty sugar under this additional tranche will be permitted beginning July 10, 2015.

The previously announced tranche of 22,050 MTRV opening on July 10, 2015, will remain unchanged.

On September 4, 2014, the Office of the Secretary announced the establishment of the in-quota quantity of the FY 2015 refined sugar TRQ at 127,000 MTRV. (79 FR 52625) This amount included the minimum level to which the United States is committed under the WTO Uruguay Round Agreements (22,000 MTRV of which 1,656 MTRV is reserved for specialty sugars) and an additional 105,000 MTRV for specialty sugars. Pursuant to Additional U.S. Note 5 to Chapter 17 of the U.S. Harmonized Tariff Schedule (HTS) and Section 359(k) of the Agricultural Adjustment Act of 1938, as amended, I hereby give notice of an increase in the refined sugar TRQ of 20,000 MTRV. With this increase, the overall FY 2015 refined sugar TRQ will be 147,000 MTRV, of which 126,656 MTRV is reserved for specialty sugars.

Dated: May 29, 2015.

Alexis M. Taylor,
Acting Under Secretary, Farm and Foreign Agricultural Services.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act, the paperwork burden associated with this Notice has been approved by the Office of Management and Budget (OMB) under OMB Control Number 0570–0006.

A. Program Description

The RCDG program is authorized under section 310B(e) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(e)) as amended by the Agricultural Act of 2014 (Pub. L. 113–79). You should become familiar with the regulations for this program published at 7 CFR part 4284, subparts A and F, which are incorporated by reference in this Notice. The primary objective of the RCDG program is to improve the economic condition of rural areas through cooperative development.

Grants are awarded on a competitive basis. The maximum award amount per grant is $200,000. Grants are available for non-profit corporations or higher education institutions only. Grant funds may be used to pay for up to 75 percent of the cost of establishing and operating centers for rural cooperative development. Grant funds may be used to pay for 95 percent of the cost of establishing and operating centers for rural cooperative development, when the applicant is a 1994 Institution as defined by 7 U.S.C. 301. The 1994 Institutions are commonly known as Tribal Land Grant Institutions. Centers may have the expertise on staff or they can contract out for the expertise, to assist individuals or entities in the startup, expansion or operational improvement of rural businesses, especially cooperative or mutually-owned businesses.

Definitions

The terms you need to understand are defined and published at 7 CFR 4284.3 and 7 CFR 4284.504. In addition, the terms “rural” and “rural area,” defined at section 343(a)(13) of the CONACT (7 U.S.C. 1991(a)), are incorporated by reference, and will be used for this program instead of those terms currently published at 7 CFR 4284.3. The term “you” referenced throughout this Notice should be understood to mean “you” the applicant. Finally, there has been some confusion on the Agency’s meaning of the terms “conflict of interest” and “mutually-owned business,” because they are not defined in the CONACT or in the regulations used for the program. Therefore, the terms are clarified and should be understood as follows.

Conflict of interest—A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Regarding use of both grant and matching funds, Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, or their immediate family members having a financial or other interest in the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members. An example of conflict of interest occurs when the grantee’s employees, board of directors, or the immediate family of either, have...
the appearance of a professional or personal financial interest in the recipients receiving the benefits or services of the grant.

Mutually-owned business—An organization owned and governed by members who either are its consumers, producers, employees, or suppliers.

B. Federal Award Information

Type of Award: Competitive Grant.
Fiscal Year Funds: FY 2015.
Total Funding: Approximately $5.8 million.
Maximum Award: $200,000.
Anticipated Award Date: September 30, 2015.

C. Eligibility Information

Applicants must meet all of the following eligibility requirements. Applications which fail to meet any of these requirements by the application deadline will be deemed ineligible and will not be evaluated further.

1. Eligible Applicants

You must be a nonprofit corporation or an institution of higher education to apply for this program. Public bodies and individuals cannot apply for this program. See 7 CFR 4284.507. You must also meet the following requirements:

a. An applicant is ineligible if they have been debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.” The Agency will check the System for Award Management (SAM) to determine if the applicant has been debarred or suspended. In addition, an applicant will be considered ineligible for a grant due to an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court), is delinquent on the payment of Federal income taxes, or is delinquent on Federal debt. See 7 CFR 4284.6. The applicant must certify as part of the application that they do not have an outstanding judgment against them. The Agency will check the Credit Alert Interactive Voice Response System (CAIVRS) to verify this.

b. Any corporation that has been convicted of a felony criminal violation under any Federal law within the past 24 months or that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, is not eligible for financial assistance provided with funds appropriated by the Consolidated and Further Continuing Appropriations Act, 2015, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government. Applicants will be required to complete Form AD–3030, “Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants,” if you are a corporation.

c. Applications will be deemed ineligible if the application includes any funding restrictions identified under Section D.6. a and b. Inclusion of funding restrictions outlined in Section D.6. a and b. precludes the agency from making a federal award.

d. Applications will be deemed ineligible if the application is not complete in accordance with the requirements stated in Section C.3.e., and will not be reviewed.

2. Cost Sharing or Matching

Your matching funds requirement is 25 percent of the total project cost (5 percent for 1994 Institutions). See 7 CFR 4284.508. When you calculate your matching funds requirement, please round up or down to whole dollars as appropriate. An example of how to calculate your matching funds is as follows:

a. Take the amount of grant funds you are requesting and divide it by .75. This will give you your total project cost.

Example: $200,000 (grant amount) / .75 (percentage for use of grant funds) = $266,667 (total project cost)

b. Subtract the amount of grant funds you are requesting from your total project cost. This will give you your matching funds requirement.

Example: $266,667 (total project cost) – $200,000 (grant amount) = $66,667 (matching funds requirement)

c. A quick way to double check that you have the correct amount of matching funds is to take your total project cost and multiply it by .25.

Example: $266,667 (total project cost) x .25 (maximum percentage of matching funds requirement) = $66,667 (matching funds requirement)

You must verify that all matching funds are available during the grant period and provide this documentation with your application in accordance with requirements identified in Section D.2.e.8. If you are awarded a grant, additional verification documentation may be required to confirm the availability of matching funds.

Other rules for matching funds that you must follow are listed below:

- They must be spent on eligible expenses during the grant period.
- They must be from eligible sources.
- They must be spent in advance or as a pro-rata portion of grant funds being spent.
- They must be provided by either the applicant or a third party in the form of cash or an in-kind contribution.
- They cannot include board/advisory council members’ time.
- They cannot include other Federal grants unless provided by authorizing legislation.
- They cannot include cash or in-kind contributions donated outside the grant period.
- They cannot include over-valued, in-kind contributions.
- They cannot include any project costs that are ineligible under the RCDG program.
- They cannot include any project costs that are unallowable under the applicable grant “Cost Principles,” including 2 CFR part 200, subpart E, and the Federal Acquisition Regulation (for-profits) or successor regulation.
- They can include loan funds from a Federal source.
- They can include travel and incidentals for board/advisory council members if you have established written policies explaining how these costs are normally reimbursed, including rates.
- You must include an explanation of this policy in your application or the contributions will not be considered as eligible matching funds.

- You must be able to document and verify the number of hours worked and the value associated with any in-kind contribution being used to meet a matching funds requirement.
- In-kind contributions provided by individuals, businesses, or cooperatives which are being assisted by you cannot be provided for the direct benefit of their own projects as USDA Rural Development considers this to be a conflict of interest or the appearance of a conflict of interest.

3. Other Eligibility Requirements

a. Purpose Eligibility

Your application must propose the establishment or continuation of a cooperative development center concept. You must use project funds, including grant and matching funds for eligible purposes only (see 7 CFR 4284.508). In addition, project funds may be used for programs providing for the coordination of services and sharing of information among the centers (see 7 U.S.C. 1932[e](4)(C) [vi]).
b. Project Eligibility
   All project activities must be for the benefit of a rural area.

c. Multiple Application Eligibility
   Only one application can be submitted per applicant. If two
   applications are submitted (regardless of the applicant name) that include
   the same Executive Director and/or advisory boards or committees of an existing
   center, both applications will be determined not eligible for funding.

d. Grant Period
   Your application must include a one-year grant period or it will not be
   considered for funding. The grant period should begin no earlier than
   October 1, 2015, and no later than January 1, 2016. Prior approval is
   needed from the Agency if you are awarded a grant and desire the grant
   period to begin earlier or later than previously discussed. Projects must be
   completed within a one-year timeframe. The Agency may approve requests to
   extend the grant period for up to an additional 12 months at its discretion.
   Further guidance on grant period extensions will be provided in the
   award document.

e. Completeness
   Your application will not be considered for funding if it fails to meet
   an eligibility criterion by time of application deadline and does not
   provide sufficient information to determine eligibility and scoring. In
   particular, you must include all of the forms and proposal elements as
   discussed in the regulation and as clarified further in this Notice.
   Incomplete applications will not be reviewed by the Agency. For more
   information on what is required for an application, see 7 CFR 4284.510.

f. Satisfactory Performance
   If you have an existing RCDG award, you must discuss the status of your
   existing RCDG award at application time under the Eligibility Discussion.
   You must be performing satisfactorily to be considered eligible for a new award.
   Satisfactory performance includes being up-to-date on all financial and
   performance reports and being current on all tasks as approved in the work
   plan. The Agency will use its discretion to make this determination. In addition,
   if you have an existing award from the Socially-Disadvantaged Groups Grant
   (SDDG) program, formerly known as the Small Socially-Disadvantaged Producer
   Grants (SSDPG) program, you must discuss the status of your existing
   SSDPG award at application time under Eligibility Discussion and be performing
   satisfactorily to be considered for a new RCDG award.

g. Indirect Costs
   Your negotiated indirect cost rate
   approval does not need to be included
   in your application, but you will be
   required to provide it if a grant is
   awarded. Approval for indirect costs
   that are requested in an application
   without an approved indirect cost rate
   agreement is at the discretion of the
   Agency.

     DUNS number should be identified in the
     “Organizational DUNS” field on SF
     424, “Application for Federal
     Assistance.” Since there are no specific
     fields for a Commercial and Government

you may identify them anywhere you
want to on Form SF 424. In addition,
you should provide the DUNS number
and the CAGE code and expiration date
under the applicant eligibility
discussion in your proposal narrative. If
you do not include the CAGE code and
expiration date and the DUNS number
in your application, it will not be
considered for funding.
   • Form AD–3030, “Representations
     Regarding Felony Conviction and Tax
     Delinquent Status for Corporate
     Applicants,” if you are a corporation. A
     corporation is any entity that has filed
     articles of incorporation in one of the 50
     States, the District of Columbia, the
     Federated States of Micronesia, the
     Republic of Palau, and the Republic of
     the Marshall Islands, or the various
territories of the United States including
     American Samoa, Guam, Midway
     Islands, the Commonwealth of the
Northern Mariana Islands, Puerto Rico, or the U.S. Virgin Islands. Corporations include both for profit and non-profit entities.

- You can voluntarily fill out and submit the “Survey on Ensuring Equal Opportunity for Applicants,” as part of your application if you are a nonprofit organization.

e. Clarifications on Proposal Elements

1. You must include the title of the project as well as any other relevant identifying information on the Title Page.

2. You must include a Table of Contents with page numbers for each component of the application to facilitate review.

3. Your Executive Summary must include the items in 7 CFR 4284.510(c)(3), and also discuss the percentage of work that will be performed among organizational staff, consultants, or other contractors. It should not exceed two pages.

4. Your Eligibility Discussion must not exceed two pages and cover how you meet the eligibility requirements for applicant, matching funds, other eligibility requirements and grant period. If you have an existing RCDG or the Socially-Disadvantaged Groups Grant (SDGG) program, formerly known as the Small Socially-Disadvantaged Producer Grants (SSDPG) program award or both, you must discuss the current status of those award(s) under grant period eligibility.

5. Your Proposal Narrative must not exceed four pages and should describe the essential aspects of the project.

i. You are only required to have one title page for the proposal.

ii. If you list the evaluation criteria on the Table of Contents and specifically and individually address each criterion in narrative form, then it is not necessary for you to include an Information Sheet. Otherwise, the Information Sheet is required under 7 CFR 4284.510(c)(ii).

iii. You should include the following under Goals of the Project:

A. A statement that substantiates that the Center will effectively serve rural areas in the United States.

B. A statement that the primary objective of the Center will be to improve the economic condition of rural areas through cooperative development.

C. A description of the contributions that the proposed activities are likely to make to the improvement of the economic conditions of the rural areas for which the Center will provide services. Economic impacts should be tied to tasks included in the work plan and budget; and

D. A statement that the Center, in carrying out its activities, will seek, where appropriate, the advice, participation, expertise, and assistance of representatives of business, industry, educational institutions, the Federal government, and State and local governments.

iv. The Agency has established annual performance evaluation measures to evaluate the RCDG program. You must provide estimates on the following performance evaluation measures.

- Number of groups who are not legal entities assisted.
- Number of businesses that are not cooperatives assisted.
- Number of businesses incorporated that are not cooperatives.
- Number of cooperatives incorporated.
- Total number of jobs created as a result of assistance.
- Total number of jobs saved as a result of assistance.
- Number of jobs created for the Center as a result of RCDG funding.
- Number of jobs saved for the Center as a result of RCDG funding.

It is permissible to have a zero in a performance element. When you calculate jobs created, estimates should be based upon actual jobs to be created by your organization as a result of the RCDG funding or actual jobs to be created by cooperative businesses or other businesses as a result of assistance from your organization. When you calculate jobs saved, estimates should be based only on actual jobs that have been lost if your organization did not receive RCDG funding or actual jobs that would have been lost without assistance from your organization.

v. You can also suggest additional performance elements for example where job creation or jobs saved may not be a relevant indicator (e.g. housing). These additional criteria should be specific, measurable performance elements that could be included in an award document.

vi. You must describe in the application how you will undertake to do each of the following. We would prefer if you described these undertakings within proposal evaluation criteria to reduce duplication in your application. The specific proposal evaluation criterion where you should address each undertaking is noted below.

A. Take all practicable steps to develop continuing sources of financial support for the Center, particularly from sources in the private sector (should be presented under proposal evaluation criterion j., utilizing the specific requirements of Section E.1.j.);

B. Make arrangements for the Center’s activities to be monitored and evaluated (should be addressed under proposal evaluation criterion number h. utilizing the specific requirements of Section E.1.h.);

vii. You should present the Work Plan and Budget proposal element under proposal evaluation criterion number i., utilizing the specific requirements of Section E.1.i. of this Notice to reduce duplication in your application.

viii. You should present the Delivery of Cooperative development assistance proposal element under proposal evaluation criterion number b., utilizing the specific requirements of Section E.1.b. of this Notice.

ix. You should present the Qualifications of Personnel proposal element under proposal evaluation criterion number i., utilizing the specific requirements of Section E.1.i. of this Notice.

x. You should present the Local Support and Future Support proposal elements under proposal evaluation criterion number j., utilizing the specific requirements of Section E.1.j. of this Notice.

xi. Your application will not be considered for funding if you do not address all of the proposal evaluation criteria. See Section E.1. of this Notice for a description of the proposal evaluation criteria.

xii. Only appendices A–C will be considered when evaluating your application. You must not include resumes of staff or consultants in the application.

6. You must certify that there are no current outstanding Federal judgments against your property and that you will not use grant funds to pay for any judgment obtained by the United States. To satisfy the Certification requirement, you should include this statement in your application: “[INSET NAME OF APPLICANT] certifies that the United States has not obtained an unsatisfied judgment against its property and will not use grant funds to pay any judgments obtained by the United States.” A separate signature is not required.

7. You must certify that matching funds will be available at the same time grant funds are anticipated to be spent and that expenditures of matching funds...
are pro-rated or spent in advance of grant funding, such that for every dollar of the total project cost, not less than the required amount of matching funds will be expended. Please note that this Certification is a separate requirement from the Verification of Matching Funds requirement. To satisfy the Certification requirement, you should include this statement in your application: “[INSERT NAME OF APPLICANT] certifies that matching funds will be available at the same time grant funds are anticipated to be spent and that expenditures of matching funds shall be pro-rated or spent in advance of grant funding, such that for every dollar of the total project cost, at least 25 cents (5 cents for 1994 Institutions) of matching funds will be expended.” A separate signature is not required.

8. You must provide documentation in your application to verify all of your proposed matching funds. The documentation must be included in Appendix A of your application and will not count towards the 40-page limitation. Template letters are available for each type of matching funds contribution at http://www.rurdev.usda.gov/bcp/rcdg.html.
   a. If matching funds are to be provided in cash, you must meet the following requirements.
      • You: The application must include a statement verifying (1) the amount of the cash and (2) the source of the cash. You may also provide a bank statement dated 30 days or less from the application deadline date to verify your cash match.
      • Third-party: The application must include a signed letter from the third party verifying (1) how much cash will be donated and (2) that it will be available corresponding to the proposed grant period or donated on a specific date within the grant period.
   b. If matching funds are to be provided by an in-kind donation, you must meet the following requirements.
      • You: The application must include a signed letter from you or your authorized representative verifying (1) the nature of the goods and/or services to be donated and how they will be used, (2) when the goods and/or services will be donated (i.e., corresponding to the proposed grant period or to specific dates within the grant period), and (3) the value of the goods and/or services.
      • Third-Party: The application must include a signed letter from the third party verifying (1) the nature of the goods and/or services to be donated and how they will be used, (2) when the goods and/or services will be donated (i.e., corresponding to the proposed grant period or to specific dates within the grant period), and (3) the value of the goods and/or services.

To ensure that you are identifying and verifying your matching funds appropriately, please note the following:
   • If you are paying for goods and/or services as part of the matching funds requirement, the expenditure is considered a cash match, and you must verify it as such. Universities must verify the goods and services they are providing to the project as a cash match and the verification be approved by the appropriate approval official (i.e., sponsored programs office or equivalent).
   • If you have already received cash from a third-party (i.e., Foundation) before the start of your proposed grant period, you must verify this as your own cash match and not as a third-party cash match. If you are receiving cash from a third-party during the grant period, then you must be verifying the cash as a third-party cash match.
   • Board resolutions for a cash match must be approved at the time of application.
   • You can only consider goods or services for which no expenditure is made as an in-kind contribution.
   • If a non-profit or another organization contributes the services of affiliated volunteers, they must follow the third-party, in-kind donation verification requirement for each individual volunteer.
   • Expected program income may not be used to fulfill your matching funds requirement at the time you submit your application. However, if you have a contract to provide services in place at the time you submit your application, you can verify the amount of the contract as a cash match.
   • The valuation process you use for in-kind contributions does not need to be included in your application, but you must be able to demonstrate how the valuation was derived if you are awarded a grant. The grant award may be withdrawn or the amount of the grant reduced if you cannot demonstrate how the valuation was derived.

Successful applicants must comply with requirements identified in Section F, Federal Award Administration.

3. Dun and Bradstreet Data Universal Numbering System (DUNS) and System for Awards Management (SAM)

In order to be eligible (unless you are excepted under 2 CFR 25.110(b), (c) or (d), you are required to:
   (a) Provide a valid DUNS number in your application, which can be obtained at no cost via a toll-free request line at (866) 705-5711;

   (c) Continue to maintain an active SAM registration with current information at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency.

The Agency may not make a Federal award to you until you have complied with all applicable DUNS and SAM requirements. If you have not fully complied with requirements, the Agency may determine that the applicant is not qualified to receive a Federal award and the Agency may use this determination as a basis for making an award to another applicant.

4. Submission Dates and Times

   Application Deadline Date: July 30, 2015.

Explanation of Deadlines: Complete applications must be submitted on paper or electronically according to the following deadlines:

   Paper applications must be postmarked and mailed, shipped, or sent overnight no later than July 30, 2015, to be eligible for grant funding. The Agency will determine whether your application is late based on the date shown on the postmark or shipping invoice. You may also hand carry your application to one of our field offices, but it must be received by close of business on the deadline date. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Late applications will automatically be deemed ineligible.

Electronic applications must be received by http://www.grants.gov no later than midnight eastern time July 27, 2015, to be eligible for grant funding. Please review the Grants.gov Web site at http://grants.gov/applicants/organization_registration.jsp for instructions on the process of registering your organization as soon as possible to ensure you are able to meet the electronic application deadline. Grants.gov will not accept applications submitted after the deadline.
5. Intergovernmental Review of Applications

Executive Order (E.O.) 12372, “Intergovernmental Review of Federal Programs,” applies to this program. This E.O. requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many States have established a Single Point of Contact (SPOC) to facilitate this consultation. For a list of States that maintain a SPOC, please see the White House Web site: http://www.whitehouse.gov/omb/grants_sopc. If your State has a SPOC, you may submit a copy of the application directly for review. Any comments obtained through the SPOC must be provided to your State Office for consideration as part of your application. If your State has not established a SPOC, or if you do not want to submit a copy of the application, our State Offices will submit your application to the SPOC or other appropriate agency or agencies.

6. Funding Restrictions

a. Project funds, including grant and matching funds, cannot be used for ineligible grant purposes (see 7 CFR 4284.10). Also, you shall not use project funds for the following:
   • To purchase, rent, or install laboratory equipment or processing machinery;
   • To pay for the operating costs of any entity receiving assistance from the Center;
   • To pay costs of the project where a conflict of interest exists;
   • To fund any activities prohibited by 2 CFR part 200; or
   • To fund any activities considered unallowable by 2 CFR part 200, subpart E, “Cost Principles,” and the Federal Acquisition Regulation (for-profits) or successor regulations.

b. In addition, your application will not be considered for funding if it does any of the following:
   • Focuses assistance on only one cooperative or mutually-owned business;
   • Requests more than the maximum grant amount; or
   • Proposes ineligible costs that equal more than 10 percent of total project costs. The ineligible costs will NOT be removed at this stage to proceed with application processing. For purposes of this determination, the grant amount requested plus the matching funds amount constitutes the total project costs.

We will consider your application for funding if it includes ineligible costs of 10 percent or less of total project costs, as long as the remaining costs are determined eligible otherwise. However, if your application is successful, those ineligible costs must be removed and replaced with eligible costs before the Agency will make the grant award, or the amount of the grant award will be reduced accordingly. If we cannot determine the percentage of ineligible costs, your application will not be considered for funding.

7. Other Submission Requirements

a. You should not submit your application in more than one format. You must choose whether to submit your application in hard copy or electronically. Applications submitted in hard copy should be mailed or hand-delivered to the State Office located in the State where you are headquartered. You can find State Office contact information: http://www.rd.usda.gov/contact-us/state-offices/your State Office. To submit an application electronically, you must follow the instruction for this funding announcement at http://www.grants.gov. A password is not required to access the Web site.

Type of Request: Revision of a currently approved collection.

Abstract: The Rural Utilities Service administers the electric loan and loan guarantee program authorized under the Rural Electrification Act of 1936 (7 U.S.C. 901 et seq.) to keep the Government’s security interest in loans, and in exercise of due diligence, electric borrowers furnish information to RUS regarding the condition, financial or otherwise, related to expenditure of loan funds. This Information Collection is necessary to comply with applicable provisions of the RUS loan contract. RUS Borrowers submit requisitions to RUS for funds for project costs incurred. Insured loan funds will be advanced only for projects which are included in the RUS-approved borrowers workplan or approved amendment and in an approved loan, as amended. The process of loan advances establishes the beginning of the audit trail of the use of loan funds which is required to subsequent RUS compliance audits.

The RUS Form 595 is used as a requisition for advances of funds. The form helps to assure that loan funds are advanced only for the budget purposes and amount approved by RUS. According to the applicable provisions of the RUS loan contract, borrowers must certify with each request for funds to be approved for advance, which such funds are for projects previously approved.

When a prospective borrower requests and is granted a RUS loan, a loan contract is established between the Federal government, acting through the RUS Administrator, and the borrower. At the time this contract is entered into, the borrower must provide RUS with a list of projects for which loan funds will be spent, along with an itemized list of the estimated costs of these projects. Thus, the borrower receives a loan based upon estimated cost figures.

RUS Form 219, Inventory of Work Orders, is one of the documents the borrower submits to RUS to support actual expenditures and an advance of loan funds. The form also serves as a connecting link and provides an audit trail that originates with the advance of funds and terminates with evidence supporting the propriety of expenditures for construction or retirement projects.
