Expedited Patent Appeal Pilot

AGENCY: United States Patent and Trademark Office, Commerce.

ACTION: Notice.

SUMMARY: The United States Patent and Trademark Office (USPTO) has a procedure under which an application will be advanced out of turn (accorded special status) for examination if the applicant files a petition to make special with the appropriate showing. The USPTO is providing a temporary basis (the Expedited Patent Appeal Pilot) under which an appellant may have an *ex parte* appeal to the Patent Trial and Appeal Board (Board) accorded special status if the appellant withdraws the appeal in another application in which an *ex parte* appeal is also pending before the Board. The Expedited Patent Appeal Pilot will allow appellants having multiple *ex parte* appeals currently pending before the Board to have greater control over the priority with which their appeals are decided and reduce the backlog of appeals pending before the Board.

DATES:

Effective Date: June 19, 2015.

Duration: The Expedited Patent Appeal Pilot is being adopted on a temporary basis and will run until two thousand (2,000) appeals have been accorded special status under the Expedited Patent Appeal Pilot, or until June 20, 2016, whichever occurs earlier. The USPTO may extend the Expedited Patent Appeal Pilot (with or without modification) on either a temporary or permanent basis, or may discontinue the Expedited Patent Appeal Pilot after June 20, 2016, depending upon the results of the Expedited Patent Appeal Pilot.

FOR FURTHER INFORMATION CONTACT:

Steven Bartlett, Patent Trial and Appeal Board, by telephone at 571-272-9797, or by electronic mail message at expeditedpatentappealspilot@uspto.gov.

SUPPLEMENTARY INFORMATION: Appeals to the Board are normally taken up for decision by the Board in the order in which they are docketed. The USPTO
