## SUPPLEMENTARY INFORMATION:

### Background

As noted above, on February 11, 2015, the Department published the *Preliminary Results* of the NSR and AR of the antidumping duty order on WBF from the PRC covering the period January 1, 2013, through December 31, 2013. On March 13, 2015, Petitioners filed briefs in the AR. No other parties submitted comments on the *Preliminary Results* in the AR or the NSR.

### Scope of the Order

The product covered by the order is wooden bedroom furniture, subject to certain exceptions.<sup>2</sup> Imports of subject merchandise are classified under the Harmonized Tariff Schedule of the United States ("HTSUS") subheadings: 9403.50.9042, 9403.50.9045, 9403.50.9080, 9403.50.9042, 9403.50.9045, 9403.60.8081, 7009.92.1000 or 7009.92.5000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description in the *Order* remains dispositive.<sup>3</sup>

### Analysis of the Comments Received

The issues raised in Petitioners' case brief are addressed in the Issues and Decision Memorandum which is dated concurrently with, and hereby adopted by, this notice. A list of the issues addressed in the Issues and Decision Memorandum is appended to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Services System ("ACCESS"). ACCESS is available to registered users at <http://access.trade.gov> and it is available to all parties in the Central Records Unit of the main Department building, Room 7046. **Final Rescission, In Part**

In the *Preliminary Results*, the Department determined that 16 companies under review in the AR, including Jiedong Lehouse, the company that the Department selected as a mandatory respondent, did not establish their eligibility for separate rate status and will be treated as part of the PRC-wide entity.<sup>4</sup> Because no party

requested a review of the PRC-wide entity, we will rescind the AR with respect to these 16 companies, including Jiedong Lehouse, as part of the PRC-wide entity.<sup>5</sup> Further, we will instruct U.S. Customs and Border Protection (“CBP”) to liquidate entries for these companies at the PRC-wide entity rate, which is 216.01 percent.

**Final Determination of No Shipments**

In the *Preliminary Results*, we determined that 12 companies subject to this AR did not have any reviewable transactions during the POR.<sup>6</sup> We did not receive any comments concerning

our finding of no shipments by these 12 companies. In these final results, we continue to determine that these 12 companies had no reviewable transactions of subject merchandise during the POR.

**Final Results of the 2013 New Shipper Review**

The Department has determined that the following dumping margin exists for the exporter-producer combination listed below for the period January 1, 2013, through December 31, 2013:

Exporter	Producer	Weighted-average dumping margin (percent)
Wuxi Yushea Furniture Co., Ltd .....	Wuxi Yushea Furniture Co., Ltd .....	0.00

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of these reviews. The Department intends to issue assessment instructions to CBP 15 days after the publication date of these final results of reviews. For Wuxi Yushea, whose weighted average dumping margin is zero, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>7</sup> We intend to instruct CBP to liquidate entries of subject merchandise exported by the PRC-wide entity at the PRC-wide rate.

If the Department determines that an exporter under review had no shipments of subject merchandise, any suspended entries that entered under that exporter’s case number will be liquidated at the PRC-wide rate.<sup>8</sup>

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of these reviews for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date in the **Federal Register** of the final results of review, as provided by section 751(a)(2)(C) of the Act: (1) With respect to Wuxi Yushea, the new shipper respondent, the Department established a combination cash deposit rate for this company, consistent with its practice, as follows: (1) For subject merchandise produced and exported by Wuxi Yushea, a zero cash deposit will be required. For subject merchandise exported by Wuxi Yushea, but not produced by Wuxi Yushea, the cash deposit rate will be the rate for the PRC-wide entity. For subject merchandise produced by Wuxi Yushea, but not exported by Wuxi Yushea, the cash deposit rate will be the rate applicable to the exporter; (2) For previously investigated or reviewed PRC and non-

PRC exporters named above that did not have any reviewable transactions during the POR that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) For all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity, which is 216.01 percent; (4) For all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter.

These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with

##### Scope of the Investigation

The merchandise subject to this investigation is melamine (Chemical Abstracts Service ("CAS") registry number 108-78-01, molecular formula C<sub>3</sub>H<sub>6</sub>N<sub>6</sub>).<sup>3</sup> Melamine is a crystalline powder or granule typically (but not exclusively) used to manufacture melamine formaldehyde resins. All melamine is covered by the scope of this investigation irrespective of purity, particle size, or physical form. Melamine that has been blended with other products is included within this scope when such blends include constituent parts that have been intermingled, but that have not been chemically reacted with each other to produce a different product. For such blends, only the melamine component of the mixture is covered by the scope of this investigation. Melamine that is otherwise subject to this investigation is not excluded when commingled with melamine from sources not subject to this investigation. Only the subject component of such commingled products is covered by the scope of this investigation.

#### Scope Comments

The Department's *Initiation Notice* provided interested parties an opportunity to raise issues regarding product coverage (scope).<sup>4</sup> None of the parties to the proceeding provided scope comments with respect to this product.

#### Methodology

The Department has conducted this investigation in accordance with section 731 of the Act. We calculated constructed export price ("CEP") in accordance with section 772 of the Act, and normal value ("NV") in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS"). ACCESS is available to registered users at <https://access.trade.gov>, and is available to all parties in the Department's Central Records Unit, located at room 7046 of the main Department of Commerce building. We based our calculation of the "all others" rate on the margin calculated for Methanol Holdings (Trinidad) Limited ("MHTL"),
