

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>10</sup>

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange stated that waiver of this requirement would enable the Exchange to implement immediately the approved price protection risk mechanisms for which the associated Exchange technology is currently available or is in the process of becoming finalized, consistent with the proposed implementation schedule. The Commission believes the waiver of the operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change to be operative upon filing.<sup>11</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

[File No. 500-1]

**In the Matter of Joymain International Development Group, Inc.; Order of Suspension of Trading**

June 15, 2015.

It appears to the Securities and Exchange Commission ("Commission") that the public interest and the protection of investors require a suspension of trading in the securities of Joymain International Development Group, Inc. (CIK No. 0001061169) ("Joymain"), because of recent, unusual and unexplained market activity raising concerns regarding the adequacy and accuracy of publicly-available information, including information concerning Joymain's financial condition and scope of operations. Joymain is a Nevada corporation with a business address in Miami, Florida, and its common stock is quoted on the OTC Link (previously "Pink Sheets") operated by OTC Markets Group, Inc. ("OTC Link") under the ticker symbol JIDG.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of Joymain is suspended for the period from 9:30 a.m. EDT on June 15, 2015, through 11:59 p.m. EDT on June 26, 2015.

By the Commission.
