URBAN DEVELOPMENT**

[Docket No. FR-5828-N-25]

**Federal Property Suitable as Facilities
To Assist the Homeless**

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040, Washington, DC 20405, (202) 501-

0084; NAVY: Mr. Steve Matteo, Department of the Navy, Asset Management; Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave. SW., Suite 1000, Washington, DC 20374; (202) 685-9426 (These are not toll-free numbers).

Dated: June 11, 2015.

SUPPLEMENTARY INFORMATION:

I. Abstract

Section 4 of the Endangered Species
 Act (ESA) (16 U.S.C. 1531 *et seq.*)
 specifies the process by which we can
 list species as threatened or endangered.
 When we consider whether or not to list
 a species, the ESA requires us to take
 into account the efforts being made by
 any State or any political subdivision of
 a State to protect such species. We also
 take into account the efforts being made
 by other entities. States or other entities
 often formalize conservation efforts in
 conservation agreements, conservation
 plans, management plans, or similar
 documents. The conservation efforts
 recommended or called for in such
 documents could prevent some species
 from becoming so imperiled that they
 meet the definition of a threatened or
 endangered species under the ESA.

The Policy for Evaluation of
 Conservation Efforts When Making
 Listing Decisions (PECE) (68 FR 15100,
 March 28, 2003) encourages the
 development of conservation
 agreements/plans and provides certainty

about the standard that an individual
 conservation effort must meet in order
 for us to consider whether it contributes
 to forming a basis for making a decision
 about the listing of a species. PECE
 applies to "formalized conservation
 efforts" that have not been implemented
 or have been implemented but have not
 yet demonstrated if they are effective at
 the time of a listing decision.

Under PECE, formalized conservation
 efforts are defined as conservation
 efforts (specific actions, activities, or
 programs designed to eliminate or
 reduce threats or otherwise improve the
 status of a species) identified in a
 conservation agreement, conservation
 plan, management plan, or similar
 document. To assist us in evaluating a
 formalized conservation effort under
 PECE, we collect information such as
 conservation plans, monitoring results,
 or progress reports. The development of
 such agreements/plans is voluntary.
 There is no requirement that the
 individual conservation efforts included
 in such documents be designed to meet
 the standard in PECE. The PECE policy
 is posted on our Candidate Conservation
 Web site at [http://www.fws.gov/
 endangered/esa-library/pdf/PECE-
 final.pdf](http://www.fws.gov/endangered/esa-library/pdf/PECE-final.pdf).
