SUPPLEMENTARY INFORMATION: The National Science Foundation, as directed by the Antarctic Conservation Act of 1978 (Pub. L. 95–541), as amended by the Antarctic Science, Tourism and Conservation Act of 1996, has developed regulations for the establishment of a permit system for various activities in Antarctica and designation of certain animals and certain geographic areas requiring special protection. The regulations establish such a permit system to designate Antarctic Specially Protected Areas.

Application Details

1. Applicant
Shaun O’Boyle, 30 South Carson Ave., Dalton, MA 01226.

Activity for Which Permit Is Requested

ASPA entry. Applicant, as an NSF artist, desires to enter several ASPAs in order to take photos of manmade structures and their relationship to surrounding landscapes.

Location
ASPA 121 Cape Royds; ASPA 122 Arrival Heights; ASPA 124 Cape Crozier; ASPA 131 Canada Glacier; ASPA 155 Cape Evans; ASPA 157 Backdoor Bay; ASPA 158 Hut Point; ASPA 172 Lower Taylor Glacier and Blood Falls.

Dates
November 1 to December 15, 2015.

Nadene G. Kennedy,
Polar Coordination Specialist, Division of Polar Programs.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500–1]

In the Matter of China Organic Fertilizer, Inc., Order of Suspension of Trading

June 18, 2015.

It appears to the Securities and Exchange Commission (“Commission”) that there is a lack of current and accurate information concerning the securities of China Organic Fertilizer, Inc. (“CHOR”) (CIK No. 1081944), a revoked Nevada corporation whose principal place of business is listed as Beijing, China because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10–Q for the period ended March 31, 2011. As of June 10, 2015, CHOR’s common stock was quoted on OTC Link (previously “Pink Sheets”) operated by OTC Markets Group Inc. On May 12, 2014, the Commission’s Division of Corporation Finance sent a delinquency letter to CHOR at the address shown in its then-most recent filing in the Commission’s EDGAR system requesting compliance with its periodic filing requirements, which CHOR failed to receive because the letter was not deliverable as addressed. CHOR thus failed to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S–T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual). To

CHOR thus failed to provide the Commission with any periodic reports or audited financial statements since filing a Form 10–Q on March 31, 2011. As a result, the Commission has determined that it is necessary and appropriate to suspend trading in the securities of CHOR.

For these reasons, the Commission finds:

1. Without more information concerning CHOR, it is not practicable to determine whether CHOR is making or will make material disclosures to its security holders.

2. The public interest and the public utility served by their suspension outweigh the interest of the person or persons to whom notice of proceedings is directed.

The Commission, thereupon, to prevent the dissemination of false or misleading information concerning the securities of CHOR, hereby suspends the trading of the securities of CHOR until the Commission is satisfied that the public is provided with an adequate basis of information concerning CHOR to assist in a determination of whether to purchase or sell its securities.

Dated: June 18, 2015.

Richard J. Laufing,
Technical Coordinator, Office of the Secretary.
