BILLING CODE 4000-01-P

DEPARTMENT OF EDUCATION

Applications for New Awards; Transition Programs for Students With Intellectual Disabilities Into Higher Education

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

Overview Information

Transition Programs for Students with Intellectual Disabilities into Higher Education (TPSID)—Model Comprehensive Transition and Postsecondary Programs for Students with Intellectual Disabilities Notice inviting applications for new awards for fiscal year (FY) 2015.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.407A.

Dates:

Applications Available: June 26, 2015.

Deadline for Transmittal of

Applications: August 10, 2015.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the TPSID Program is to support model demonstration programs that promote the successful transition of students with intellectual disabilities into higher education and to enable institutions of higher education (IHEs), or consortia of IHEs, to create or expand high-quality, inclusive model comprehensive transition and postsecondary programs for students with intellectual disabilities.

Priorities: This notice contains one absolute priority, three competitive preference priorities, and one invitational priority.

Absolute Priority: In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in the statute (see section 767 of the Higher Education Act of 1965, as amended (HEA), 20 U.S.C. 1140g). For FY 2015 and any subsequent year in which we

make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

A grant recipient must use grant funds to establish a model comprehensive transition and postsecondary program for students with intellectual disabilities that:

(1) Serves students with intellectual disabilities;

(2) Provides individual supports and services for the academic and social inclusion of students with intellectual disabilities in academic courses, extracurricular activities, and other aspects of the IHE's regular postsecondary program;

(3) Provides a focus on academic enrichment, socialization, independent living skills, including self-advocacy, and integrated work experiences and career skills that lead to gainful employment;

(4) Integrates person-centered planning in the development of the course of study for each student with an intellectual disability participating in the model program;

(5) Participates with the coordinating center established under section 777(b) of the HEA in the evaluation of the components of the model program;

(6) Partners with one or more local educational agencies to support students with intellectual disabilities participating in the model program who are still eligible for special education and related services under the Individuals with Disabilities Education Act (IDEA);

(7) Plans for the sustainability of the model program after the end of the grant period; and

(8) Creates and offers a meaningful credential for students with intellectual disabilities upon the completion of the model program.

Competitive Preference Priorities: In accordance with 34 CFR 75.105(b)(2)(iv), these priorities are from section 767(c)(3) of the HEA (20 U.S.C. 1140g(c)(3)). For FY 2015, and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award up to an additional nine points to an applicant (up to three points for each of the three priorities) that meets these priorities. An applicant may respond to none, one, two, or all three of these priorities and will receive points based on its response to each separate priority.

These priorities are:

Competitive Priority 1 (Up to three points): Applicants that propose to form a sustained and meaningful partnership with any relevant agency serving students with intellectual disabilities, such as a vocational rehabilitation agency.

Note: Applicants addressing this competitive priority are encouraged to describe the components of their partnership, the expected contributions of each partner to the success of the project, and any interagency agreement or other mechanism for coordination they have with such entities.

Competitive Priority 2 (Up to three points): Applicants that provide institutionally owned or operated housing for students attending the institution that integrates students with intellectual disabilities into the housing offered to all students.

Competitive Priority 3 (Up to three points): Applicants that propose to involve in the model program undergraduate or graduate students attending the IHE who are studying special education, general education, vocational rehabilitation, assistive technology, or related fields.

Under this competition we are particularly interested in applications that address the following priority.

Invitational Priority: For FY 2015 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Applicants that propose to use TPSID funds to build, extend, or enhance an existing program, rather than to build a new program from other non-Federal resources that are allocated to the program. Applicants responding to this priority should describe any existing programs at their institutions, including the number and characteristics of the students served, how well integrated students with intellectual disabilities are in regard to academic courses, extracurricular activities, and other aspects of the IHE's regular postsecondary program, and describe how the TPSID grant will build upon current efforts.

Definitions: The following definitions are from section 760 of the HEA (20 U.S.C. 1140).

Comprehensive transition and postsecondary program for students with intellectual disabilities means a degree, certificate, or nondegree program that—

(A) Is offered by an IHE;

(B) Is designed to support students with intellectual disabilities who are seeking to continue academic, career and technical, and independent living instruction at an IHE in order to prepare for gainful employment;

(C) Includes an advising and curriculum structure;

(D) Requires students with intellectual disabilities to participate on not less than a half-time basis as determined by the institution, with such participation focusing on academic components, and occurring through one or more of the following activities:

(i) Regular enrollment in credit-bearing courses with nondisabled students offered by the institution.

(ii) Auditing or participating in courses with nondisabled students offered by the institution for which the student does not receive regular academic credit.

(iii) Enrollment in noncredit-bearing, non-degree courses with nondisabled students.

(iv) Participation in internships or work-based training in settings with nondisabled individuals.

(E) Requires students with intellectual disabilities to be socially and academically integrated with nondisabled students to the maximum extent possible.

Student with an intellectual disability means a student—

(A) With mental retardation or a cognitive impairment, characterized by significant limitations in—

(i) Intellectual and cognitive functioning; and

(ii) Adaptive behavior as expressed in conceptual, social, and practical adaptive skills; and

(B) Who is currently, or was formerly, eligible for a free appropriate public education under the IDEA.

Program Authority: Title VII, part D, subpart 2 of the HEA (20 U.S.C. 1140g).

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99. (b) The OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted in 2 CFR part 3474.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$9,702,980.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2016 from the list of unfunded applicants from this competition.

Estimated Range of Awards: \$100,000–\$500,000.

Estimated Average Size of Awards: \$388,000.

Maximum Award: We will reject any application that proposes a budget exceeding \$500,000 for a single budget period of 12 months. The Assistant Secretary for Postsecondary Education may change the maximum amount through a notice published in the **Federal Register**.

Estimated Number of Awards: 25.

Note: The Department is not bound by any estimates in this notice.

Project Period: 60 months.

III. Eligibility Information

1. *Eligible Applicants:* Institutions of higher education, as defined under section 101 of the HEA, or consortia of IHEs are eligible to apply for funding.

2. *Cost Sharing or Matching:* The grantee must provide, from non-Federal funds, a matching contribution equal to at least 25 percent of the cost of the project.

IV. Application and Submission Information

1. *Address to Request Application Package:* You can obtain an application package via the Internet or from the Education Publications Center (ED Pubs).

To obtain a copy via the Internet, use the following address: www.ed.gov/fund/grant/apply/grantapp/index.html. To obtain a copy from ED Pubs, write, fax, or call the following: ED Pubs, U.S. Department of Education, P.O. Box 22207, Alexandria, VA 22304. Telephone, toll free: 1-877-433-7827. FAX: (703) 605-6794. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call, toll free: 1-877-576-7734.

You can contact ED Pubs at its Web site, also: www.EDPubs.gov or at its email address: edpubs@inet.ed.gov.

If you request an application from ED Pubs, be sure to identify this program as follows: CFDA number 84.407A.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audio tape, or computer disc) by contacting the person listed under *Accessible Format* in section VIII of this notice.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together

with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits. You must limit the section of the application narrative that addresses:

- The selection criteria and the absolute priority to no more than 40 pages.
- A competitive preference priority, if you are addressing one or more, to no more than five pages per priority (for a total of 15 pages if you address all three).

- The invitational priority to no more than three pages, if you address it.

Accordingly, under no circumstances may the application narrative exceed 58 pages. Please include a separate heading for the absolute priority and for each competitive preference priority and invitational priority that you address.

For the purpose of determining compliance with the page limits, each page on which there are words will be counted as one full page. Applicants must use the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, *except* titles, headings, footnotes, endnotes, quotations, references, and captions. Charts, tables, figures, and graphs in the application may be single-spaced.

- Use a font that is either 12-point or larger, or no smaller than 10 pitch (characters per inch). However, you may use a 10 point font in charts, tables, figures, graphs, footnotes, and endnotes.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the cover sheet or the table of contents; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; the Abstract and Information Page; or the resumes (three-page limit), the citations, or letters of support.

If you include any attachments or appendices not specifically requested and required for the application, these items will be counted as part of the narrative for the purposes of the page limit.

We will reject your application if you exceed the page limit, or if you apply other standards and exceed the equivalent of the page limit.

3. Submission Dates and Times:

Applications Available: June 26, 2015.

Deadline for Transmittal of

Applications: August 10, 2015.

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV.7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:* To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are

awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov and before you can submit an application through Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip sheet, which you can find at www.ed.gov/fund/grant/apply/sam-faqs.html.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR), and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.grants.gov/web/grants/register.html.

7. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the TPSID Program, CFDA number 84.407A, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the TPSID Program at www.Grants.gov. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.407, not 84.407A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and

the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document Format) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are

experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the program contact person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and

- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an

exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Shedita Alston, U.S. Department of Education, 1990 K Street NW., Room 6131, Washington, DC 20006-8225. FAX: (202) 502-7699.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.407A), LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202-4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.

- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.

- (3) A dated shipping label, invoice, or receipt from a commercial carrier.

- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.

- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your

paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.407A), 550 12th Street SW., Room 7039, Potomac Center Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications:

If you mail or hand deliver your application to the Department—

(1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210. The points assigned to each criterion are indicated in parentheses. Applicants may earn up to a total of 100 points for the selection criteria. These selection criteria serve as the template for submitting and reviewing proposals. Additional details may be found in the application package under Instructions for the Project Narrative.

The seven selection criteria for grants in this competition are as follows:

(1) Need for Project (Up to 10 Points)

The Secretary considers the need for the proposed project. In determining the need for the proposed project, the Secretary considers the following factors:

- The magnitude or severity of the problem to be addressed by the proposed project.
- The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project.
- The extent to which specific gaps or weaknesses in services, infrastructure, or opportunities have been identified and will be addressed by the proposed project, including the nature and magnitude of those gaps or weaknesses.

(2) Significance (Up to 15 Points)

The Secretary considers the significance of the proposed project. In determining the significance of the proposed project, the Secretary considers the following factors:

- The extent to which the proposed project is likely to build local capacity to provide, improve, or expand services that address the needs of the target population.
- The likely utility of the products (such as information, materials, processes, or techniques) that will result from the proposed project, including the potential for their being used effectively in a variety of other settings.
- The potential replicability of the proposed project or strategies, including, as appropriate, the potential for implementation in a variety of settings.

(3) Quality of the Project Design (Up to 20 Points)

The Secretary considers the quality of the project design of the proposed project. In determining the quality of the design of the proposed project, the Secretary considers the following factors:

- The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs.
- The extent to which the design of the proposed project includes a thorough, high-quality review of the relevant literature, a high-quality plan for project implementation and the use of appropriate methodological tools to ensure successful achievement of project objectives.
- The extent to which the proposed project is designed to build capacity and yield results that will extend beyond the period of Federal financial assistance.
- The extent to which the design of the proposed project reflects up-to-date knowledge from research and effective practice.

(4) Quality of Project Services (Up to 15 Points)

The Secretary considers the quality of the services to be provided by the proposed project. In determining the quality of the services to be provided by the proposed project, the Secretary considers the following factors:

- The quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that traditionally have been underrepresented based on race, color, national origin, gender, age, or disability.

- The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services.

- The likelihood that the services to be provided by the proposed project will lead to improvements in the skills necessary to gain employment or build capacity for independent living.

(5) Quality of Project Personnel (Up to 10 Points)

The Secretary considers the quality of the personnel who will carry out the proposed project. In determining the quality of project personnel, the Secretary considers the following factors:

- The extent to which the applicant encourages applications from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.
- The qualifications, including relevant training and experience, of the project director or principal investigator.
- The qualifications, including relevant training and experience, of key project personnel.

(6) Adequacy of Resources (Up to 15 Points)

The Secretary considers the adequacy of resources for the proposed project. In determining the adequacy of resources for the proposed project, the Secretary considers the following factors:

- The adequacy of support, including facilities, equipment, supplies, and other resources, from the applicant organization or the lead applicant organization.
- The extent to which the budget is adequate to support the proposed project.
- The extent to which the costs are reasonable in relation to the number of persons to be served and to the anticipated results and benefits.
- The potential for continued support of the project after Federal funding ends, including, as appropriate, the demonstrated commitment of appropriate entities to such support.

(7) Quality of Project Evaluation (Up to 15 Points)

The Secretary considers the quality of the evaluation to be conducted of the proposed project. In determining the quality of the project evaluation to be conducted by the proposed project, the Secretary considers the following factors:

- The extent to which the methods of evaluation provide for examining the

effectiveness of project implementation strategies.

- The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible.

- The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress towards achieving intended outcomes.

- The extent to which the evaluation will provide guidance about effective strategies suitable for replication or testing in other settings.

2. *Review and Selection Process:*

Under section 767(c)(1) and (2) of the HEA, we also consider the following factors in selecting an application for an award: Ensuring an equitable geographic distribution of grants, and providing grant funds to projects that will serve areas that are underserved by programs of this type.

We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email

containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* The Government Performance and Results Act of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals.

The goal of the TPSID Program is to promote the successful transition of students with intellectual disabilities into higher education and to enable IHEs, or consortia of IHEs, to create or expand high-quality, inclusive model comprehensive transition and postsecondary programs for students with intellectual disabilities. To assess the success of the grantees in meeting this goal, grantees will be required to submit annual performance reports to the Secretary and, in accordance with section 767(d)(5) of the HEA, will be required to participate in evaluation

activities conducted by the coordinating center established by section 777(b) of the HEA. As part of these reports and evaluation activities, grantees will be expected to work closely with the coordinating center to develop performance measures most closely aligned with activities that promote the successful transition of students with disabilities into higher education. Grantees will be asked to provide to the coordinating center information such as: (1) A description of the population of students targeted to receive assistance under the grant; (2) evidence of academic and social inclusion of students with intellectual disabilities in academic courses, extracurricular activities, and other aspects of the IHE's regular postsecondary program; (3) a description of how the model program addresses individualized student needs and improvement through person-centered planning, academic enrichment, socialization, independent living skills, and integrated work experiences and career skills; (4) a description of how the model program's partnership with one or more LEAs supports students with intellectual disabilities participating in the model program who are still eligible for funds under the IDEA; (5) plans for program sustainability beyond the grant period; (6) a detailed description of the credential offered to students with intellectual disabilities; (7) data regarding the change in enrollment of students with intellectual disabilities at the IHE; (8) data regarding persistence and completion of students with intellectual disabilities; (9) a detailed description of measureable goals for the individual project, planned methods of achieving those goals, and progress towards meeting the goals; and (10) if applicable, a description of how the grantee continues to address the competitive preference priorities described in this application related to sustained and meaningful partnerships with relevant agencies, the participation of students with intellectual disabilities in institutionally owned or operated housing, and the involvement in the model program of students attending the IHE who are studying special education, general education, vocational rehabilitation, assistive technology, or related fields.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress toward meeting the objectives of the project; whether the grantee has expended funds in a manner that is consistent with its

approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

VII. Agency Contact

FOR FURTHER INFORMATION CONTACT: Shedita Alston, U.S. Department of Education, Model Comprehensive and Transition Programs for Students with Intellectual Disabilities, 1990 K Street NW., Room 6131, Washington, DC 20006-8524. Telephone: (202) 502-7808, or by email: shedita.alston@ed.gov.

If you use a TDD or a TTY, call the FRS, toll free, at 1-800-877-8339.

VIII. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) on request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Adobe Portable Document Format (PDF). To use PDF, you must have Adobe Acrobat Reader, which is available free at the site. You may also access documents of the Department published in the **Federal Register** by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Delegation of Authority: The Secretary of Education has delegated authority to Jamienne S. Studley, Deputy Under Secretary, to perform the functions and duties of the Assistant Secretary for Postsecondary Education.

Dated: June 23, 2015.

Jamienne S. Studley,

Deputy Under Secretary.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

[OE Docket No. PP-398]

Notice of Availability (NOA) for the Draft Environmental Impact Statement (EIS) and Announcement of Public Hearings for the Proposed Great Northern Transmission Line (GNTL) Project

AGENCY: U.S. Department of Energy.

ACTION: Notice of availability and public hearings.

SUMMARY: The U.S. Department of Energy (DOE) announces the availability of the "Great Northern Transmission Line Project Draft Environmental Impact Statement" (DOE/EIS-0499) for public review and comment. DOE is also announcing eight public hearings to receive comments on the Draft EIS. The Draft EIS evaluates the environmental impacts of DOE's proposed Federal action of issuing a Presidential permit to the Applicant: Minnesota Power, a regulated utility division of ALLETE, Inc., to construct, operate, maintain, and connect a new electric transmission line across the U.S./Canada border in northern Minnesota. It also addresses the potential human and environmental impacts of the project, and possible mitigation measures, including route, alignment, and site alternatives required for a transmission line route permit from the Minnesota Public Utilities Commission under the Minnesota Power Plant Siting Act.

The EIS was jointly prepared by DOE with the Minnesota Department of Commerce—Environmental Energy Review and Analysis (MN DOC-EERA) acting as state co-lead in order to avoid duplication, and to comply with the environmental review requirements under both federal and state regulations. Region 5 of the U.S. Environmental Protection Agency (USEPA), the St. Paul

District Office of the U.S. Army Corps of Engineers (USACE), and the Twin Cities Ecology Field Office of the U.S. Fish and Wildlife Service (USFWS) are cooperating agencies in preparing the GNTL Project EIS.

DATES: DOE invites interested Members of Congress, state and local governments, other Federal agencies, American Indian tribal governments, organizations, and members of the public to provide comments on the Draft EIS during the 45-day public comment period. The public comment period starts on June 26, 2015, with the publication in the **Federal Register** by the U.S. Environmental Protection Agency of its Notice of Availability of the Draft EIS, and will continue until August 10, 2015. Written and oral comments will be given equal weight and all comments received or postmarked by that date will be considered by DOE in preparing the Final EIS. Comments received or postmarked after that date will be considered to the extent practicable.

Locations, dates, and start time for the public hearings are listed in the **SUPPLEMENTARY INFORMATION** section of this NOA.

ADDRESSES: Requests to provide oral comments at the public hearings may be made at the time of the hearing(s).

Written comments on the Draft EIS may be provided on the GNTL EIS Web site at <http://www.greatnortherneis.org/> (preferred) or addressed to Dr. Julie A. Smith, Office of Electricity Delivery and Energy Reliability (OE-20), U.S. Department of Energy, 1000 Independence Avenue SW., Washington, DC 20585; by electronic mail to Juliea.Smith@hq.doe.gov; or by facsimile to 202-318-7761.

FOR FURTHER INFORMATION CONTACT: Dr. Julie A. Smith at the addresses above, or at 202-586-7668.

SUPPLEMENTARY INFORMATION: Joint federal-state public hearings and information meetings will consist of the formal taking of comments with transcription by a court reporter. The hearings will provide interested parties the opportunity to make comments for consideration by DOE and MN DOC-EERA in the preparation of the Final EIS.

The locations, dates, and starting times of the public hearings are listed in the table below:

Location	Date and time	Address
Roseau Civic Center	July 15, 2015, 11:00 a.m.–3:00 p.m.	121 Center Street E., Roseau, MN.
Lake of the Woods School ..	July 15, 2015, 6:00 p.m.–10:00 p.m.	236 15th Ave. SW., Baudette, MN.
Littlefork Community Center	July 16, 2015, 11:00 a.m.–3:00 p.m.	220 Main Street, Littlefork, MN.
