Nam Phuong’s and NTACO’s sales and preliminarily found them to be non-bona fide. Based on the Department’s complete analysis of all the information and comments on the record of this review, the Department continues to find their sales to be non-bona fide. With respect to both Nam Phuong and NTACO, the Department reached this conclusion based on the totality of circumstances, namely: (a) The atypical nature of their prices; (b) the atypical involvement of other entities in the sale; (c) atypical circumstances surrounding production; (d) late payment and (e) lack of profit on the resale of subject merchandise.

For a complete discussion, see the I&D Memo and each company’s Final Bona Fide Memorandum.

Rescission of New Shipper Review

For the foregoing reasons, the Department finds that Nam Phuong’s and NTACO’s sales are non-bona fide and that these sales do not provide a reasonable or reliable basis for calculating a dumping margin. Because these non-bona fide sales were the only sales of subject merchandise during the POR, the Department is rescinding this NSR pursuant to section 19 CFR 351.214(f).

Cash Deposit Rates

The following cash deposit requirements continue to apply for all shipment of subject merchandise from Nam Phuong and NTACO entered, or withdrawn from warehouse: (1) For subject merchandise produced and exported by Nam Phuong or NTACO, the cash deposit rate will continue to be the Vietnam-wide rate (i.e., 2.39 U.S. Dollars/kg); (2) for subject merchandise exported by Nam Phuong or NTACO but not manufactured by Nam Phuong or NTACO, the cash deposit rate will continue to be the Vietnam-wide rate (i.e., 2.39 U.S. Dollars/kg); and (3) for subject merchandise manufactured by Nam Phuong or NTACO, but exported by any other party, the cash deposit rate will be the rate applicable to the exporter. These cash deposit requirements shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a reminder to parties subject to Administrative Protective Order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in these segments of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.214.

Dated: June 18, 2015.

Certain Uncoated Paper From Indonesia: Preliminary Affirmative Countervailing Duty Determination and Alignment of Final Determination With Final Antidumping Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that countervailable subsidies are being provided to producers and/or exporters of certain uncoated paper from Indonesia. The period of investigation is January 1, 2014, through December 31, 2014. Interested parties are invited to comment on this preliminary determination.

DATES: Effective Date: June 29, 2015.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Kate Johnson, Office II, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4136 and (202) 482–4929, respectively.

Alignment of Final Countervailing Duty (CVD) Determination With Final Antidumping Duty (AD) Determination

On the same day that the Department initiated this CVD investigation, the Department also initiated a CVD investigation of certain uncoated paper from the People’s Republic of China (PRC) and AD investigations of certain uncoated paper from Australia, Brazil, the PRC, Indonesia, and Portugal. The AD and CVD investigations cover the same merchandise. On June 17, 2015, in accordance with section 705(a)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.210(b)(4)(i), the petitioners requested alignment of the final CVD determination with the final AD determination of certain uncoated paper from Indonesia.

The petitioners are United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union; Domtar Corporation; Finch Paper LLC; P.H. Glatfelter Company; and Packaging Corporation of America.
paper from Indonesia. Therefore, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4)(i), we are aligning the final CVD determination with the final AD determination. Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently scheduled to be issued no later than November 2, 2015, unless postponed.

Scope of the Investigation

The product covered by this investigation is certain uncoated paper from Indonesia. For a complete description of the scope of the investigation, see Appendix 1 to this notice.

Methodology

The Department is conducting this CVD investigation in accordance with section 701 of the Act. For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix 2 to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at access.trade.gov and is available to all parties in the Central Records Unit, Room B0024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/fnd/index.html. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

For this preliminary determination, we relied on facts available pursuant to section 776(a) of the Act because certain companies selected for individual examination—Great Champ Trading Limited (Great Champ), Indah Kiat Pulp & Paper TBK (IK), and Fabrik Kertas Tjiwi Kimia (TK)—failed to provide information requested by the Department within the deadlines established and, by refusing to participate as respondents, significantly impeded the investigation. In addition, the Government of Indonesia (GOI) did not provide requested information with respect to certain programs upon which we initiated an investigation, thereby also resulting in the Department’s reliance on facts otherwise available, pursuant to section 776(a). Because the GOI did not provide the information requested for certain programs, with respect to those programs, we drew an adverse inference that these programs provide a financial contribution and are specific, pursuant to sections 771(5)(D) and 771(5A) of the Act. Because Great Champ, IK, and TK failed to cooperate by not acting to the best of their ability to respond to the Department’s requests for necessary information, pursuant to section 776(b) of the Act, in selecting from among the facts otherwise available, we drew an adverse inference that these programs confer a benefit. Therefore, the Department applied an adverse inference in its calculation of the ad valorem estimated countervailable subsidy rate for Great Champ, IK, and TK. For further information, see “Use of Facts Otherwise Available and Adverse Inferences” section in the Preliminary Decision Memorandum.

Preliminary Determination and Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of certain uncoated paper from Indonesia that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the Federal Register, and to require a cash deposit for such entries of merchandise in the amounts indicated above.

Verification

As provided in section 782(f)(1) of the Act, we intend to verify the information submitted by the respondent prior to making our final determination.

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with this preliminary determination within five days of its public announcement. Interested parties may submit case and rebuttal briefs. For a schedule of the deadlines for filing case briefs, rebuttal briefs, and hearing requests, see the Preliminary Decision Memorandum.

In accordance with section 703(f) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either

affirmative, the ITC will make its final determination within 45 days after the
Department makes its final determination.

1 One of the key measurements of any grade of
paper is brightness. Generally speaking, the brighter
the paper the better the contrast between the paper
and the ink. Brightness is measured using a GE
Reflection Scale, which measures the reflection of
light off a grade of paper. One is the lowest
reflection, or what would be given to a totally black
grade, and 100 is the brightest measured grade.
"Colored paper" as used in this scope definition
means a paper with a hue other than white that
reflects one of the primary colors of magenta,
yellow, and cyan (red, yellow, and blue) or a
