SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

Title of Information Collection: Neighborhood Stabilization Program 2 (NSP2) Reporting.

OMB Approval Number: 2506–0185.

Type of Request: Extension of previously approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: This information describes the reporting and recordkeeping requirements of the Neighborhood Stabilization Program 2 (NSP2). The data required includes program level, project level and beneficiary level information collected and reported on by NSP2 grantees. The data identifies who benefits from the NSP2 program and how statutory requirement are satisfied. The respondents are State, local government, non-profit and consortium applicants.

Respondents (i.e. affected public): NSP2 grantees are units of state and local governments, non-profits and consortium members.

Estimated Number of Respondents: 62.

Estimated Number of Responses: 62.

Frequency of Response: Annually.

Average Hours per Response: 2923.

Total Estimated Burdens: 2,923.

Estimated of the total numbers of hours needed to prepare the Information collection including number of respondents, frequency of response, and hours of response:

The following tables demonstrate the estimated paperwork burden for recipients in the reporting processes. The deadline for the expenditure of NSP2 funds equivalent to the original award amount is February 11, 2013. Following the expenditure deadline, grantees will have the option of requesting closeout of their grant. Post-closeout, grantees will be required to report annually on affordability restriction certifications and program income (PI), if more than $250,000 of PI is generated in a program year. The following three tables show burden hours based on HUD’s estimates of grantees requesting and completing closeout, and thus, reflect different burden hours for each of the three fiscal years covered by this collection. The total annualized burden hours requested are 6,082.

Notice of Intent To Prepare a Programmatic Draft Environmental Impact Statement for Invasive Rodent and Mongoose Control and Eradication on U.S. Pacific Islands Within the National Wildlife Refuge System and in Native Ecosystems in Hawaii

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of intent; request for comments.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), intend to prepare a Programmatic Draft Environmental Impact Statement (PDEIS) to analyze the impacts of, and alternatives to, using integrated pest management (IPM) to control or eradicate invasive rodents and mongooses on U.S. Pacific Islands within the National Wildlife Refuge System (Refuge System) and in native ecosystems in Hawaii to protect native wildlife and plants, including federally listed threatened and endangered species and designated critical habitats. The PDEIS is for informational and planning purposes to improve and facilitate rodent and mongoose control on Federal, State, and private lands through the IPM process; it does not initiate any specific action or project. The PDEIS will be prepared in accordance with the requirements of the National Environmental Policy Act (NEPA) and in compliance with the State of Hawaii’s environmental review process. The lead agencies for preparing the PDEIS are the Service and the State of Hawaii Department of Land and Natural Resources (DLNRR), Division of Forestry and Wildlife (DOFAW).

For information on how to submit comments, please see the PUBLIC SUBMISSION OF COMMENTS section below. You may also contact Kristi Young, Acting Field Supervisor, via email at Kristi.Young@fws.gov or by phone at 808-545-2230.

For further information and to learn more about how the Service can help to protect wildlife and their habitats, visit the Service’s website at http://www.fws.gov.

ADDITIONAL INFORMATION NON-FEDERAL RELEVANT OPPORTUNITIES AND ACTIONS

The Service, in consultation with the State of Hawaii, has identified the following opportunities and actions:

(1) Access to funding opportunities under the Fish and Wildlife Act of 1953, as amended;

(2) Shared funding opportunities under the Cooperative Multi-Year Agreement for the Pacific Islands (MACPAC) and other Federal and non-Federal sources;

(3) Access to technical assistance and expertise from private industry, State agencies, local and non-profit organizations, and other Federal agencies.

This notice, the Service and DOFAW request comments, recommendations, and advice on the scope of issues, alternatives, and mitigation to be addressed in the PDEIS.

DATES: Written Comments: To ensure consideration, we must receive your written comments on or before October 28, 2015 to ensure all relevant information and recommendations are considered during the PDEIS process. Public scoping meetings will be held at a later date. Meeting dates, locations, and times will be announced in a future notice.

At a later date, DOFAW will also be publishing an Environmental Impact Statement preparation notice, as defined by Chapters 201N and 343 of the Hawaii Revised Statutes and title 11, chapter 28, of the DOFAW’s Environmental Bulletin, in the Environmental Quality Control published by the Hawaii State Office of Environmental Quality Control (EOQC).

ADDRESSES: Send your comments regarding the proposed action and the proposed PDEIS by one of the following methods:

We request that you send comments by only one of the methods described above. We will post all comments on http://www.regulations.gov. This generally means that we will post any personal information you provide us (see the Public Availability of Comments section below for more information).
