None.

Negative Determinations for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In the following cases, the investigation revealed that the eligibility criteria for worker adjustment assistance have not been met for the reasons specified. Because the workers of the firm are not eligible to apply for TAA, the workers cannot be certified eligible for ATAA.

399, Cathedral Art Metal Company Inc., Providence, Rhode Island. The investigation revealed that criteria (a)(2)(A)(LC) (increased imports) and (a)(2)(B)(ILB) (shift in production to a foreign country) have not been met. 85,895, UNY LLC DBA General Super Plating, East Syracuse, New York. The workers’ firm does not produce an article as required for certification under section 222 of the Trade Act of 1974.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the Federal Register and on the Department’s Web site, as required by section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions. The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

I hereby certify that the aforementioned determinations were issued during the period of May 11, 2015 through May 29, 2015. Brayton International, a Subsidiary of Steelcase, Inc., including On-Site Leased Workers From Manpower Group, Expersis, Bradley Personnel Inc., Graham Personnel Services, Aerotek, Workforce Unlimited, Expersis, Impact Business Group, and Century Employer Organization LLC, High Point, North Carolina; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

At the request of a company official, the Department reviewed the certification for workers of the subject firm. The workers were engaged in activities related to production of office furniture.

The investigation confirmed that workers leased from Bradley Personnel Inc., Graham Personnel Services, Aerotek, Workforce Unlimited, Expersis, imPact Business Group, and Century Employer Organization LLC were employed on-site at the High Point,

Based on these findings, the Department is amending this certification to include leased workers from Century Employer Organization LLC working on-site at the High Point, North Carolina location of Brayton International.

The amended notice applicable to TA–W–85,779 is hereby issued as follows:

“All workers of Brayton International, a subsidiary of Steelcase, Inc., including on-site leased workers from Manpower Group, Experis, Bradley Personnel Inc., Graham Personnel Services, Aerotek, Workforce Unlimited, Experis, imPact Business Group, Century Employer Organization LLC, High Point, North Carolina, who became totally or partially separated from employment on or after March 12, 2015 through March 10, 2017, and all workers in the group threatened with total or partial separation from employment on the date of certification through March 11, 2015, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.”
