**SECURITIES AND EXCHANGE COMMISSION**

**Sunshine Act Meeting**

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94–409, that the Securities and Exchange Commission will hold an Open Meeting on Wednesday, July 1, 2015 at 10:00 a.m., in the Auditorium, Room L–002.

The subject matter of the Open Meeting will be:

• The Commission will consider whether to propose amendments under Section 10D of the Exchange Act, as added by Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, to require the national securities exchanges and national securities associations to prohibit the listing of any security of an issuer that is not in compliance with Section 10D’s requirements for the recovery of incentive-based compensation.

The duty officer determined no earlier notice of this Meeting was practicable.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.
For further information and to ascertain what, if any, matters have been added, deleted, or postponed, please contact:
The Office of the Secretary at (202) 551–5400.

Dated: June 25, 2015.
Brent J. Fields,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing of Proposed Rule Change Amending the Eighth Amended and Restated Operating Agreement of the Exchange To Establish a Regulatory Oversight Committee as a Committee of the Board of Directors of the Exchange and Make Certain Conforming Amendments to Exchange Rules

June 24, 2015

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 hereunder, notice is hereby given that, on June 12, 2015, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to: (1) amend the Eighth Amended and Restated Operating Agreement of the Exchange (“Operating Agreement”) to establish a Regulatory Oversight Committee (“ROC”) as a committee of the board of directors of the Exchange (the “Board”) and make certain conforming amendments to Rules 0 [sic], 1, 46, 46A and 497; (2) terminate the delegation agreement (the “Delegation Agreement”) among the Exchange, NYSE Market (DE), Inc. (“NYSE Market (DE)”), and NYSE Regulation, Inc. (“NYSE Regulation”), delete Rule 20, which sets forth the terms of the delegation, and make certain conforming amendments to Section 4.05 of the Operating Agreement and Rules 0, 1, 22, 36, 46, 48, 49, 54, 70, 103, 103A, 103B, 104, 422, 476A, and 497; (3) remove from the Exchange rules certain organizational documents of NYSE Regulation and NYSE Market (DE) in connection with the proposed termination of the Delegation Agreement; (4) amend the Operating Agreement to establish a Director Candidate Recommendation Committee ("DCRC") as a committee of the Board and change the process by which non-Affiliated Director candidates are named; (5) amend the Operating Agreement to establish a Committee for Review as a sub-committee of the ROC and make conforming changes to Rules 308, 475, 476, 476A and 9310; and (6) replace references to the Chief Executive Officer of NYSE Regulation in Rules 48, 49 and 86 with references to the Chief Regulatory Officer of the Exchange ("CRO").

The Exchange proposes that creation of the ROC, termination of the Delegation Agreement, and the above rule changes would be operative simultaneously. The Exchange would effect the changes described herein following approval of this rule filing no later than June 30, 2016, on a date determined by its Board. Amendment of Operating Agreement To Create a ROC

In connection with its proposal to terminate the Delegation Amendment, which is discussed below, the Exchange proposes to establish a ROC. The proposed ROC would have the responsibility to independently monitor the Exchange’s regulatory operations. To effect this change, the Exchange proposes to amend Section 2.03(h) of the Operating Agreement to add a subsection (ii) providing for a ROC and delineating its composition and functions. The proposed new Section 2.03(h)(ii) of the Operating Agreement would be substantially similar to the recently approved changes by the Exchange’s affiliates NYSE Arca and NYSE MKT to establish ROCs as well as Article III, Section 5(c) of the By-Laws of the NASDAQ Stock Market LLC.

1 5 NYSE Regulation, a not-for-profit subsidiary of the Exchange, performs the Exchange’s regulatory functions pursuant to the Delegation Agreement. NYSE Regulation performs regulatory functions for the Exchange’s affiliates NYSE MKT LLC (“NYSE MKT”) and NYSE Arca, Inc. (“NYSE Arca”) pursuant to intercompany Regulatory Services Agreements (each, an “RSA”) that give each exchange the contractual right to review NYSE Regulation’s performance.

NYSE Regulation, Inc. (“NYSE Regulation,” the “Commission” or the “Self-Regulatory Organization”) (the “Proposing Person”) proposed to the Commission, a self-regulatory organization (“Self-Regulatory Organization” or “Proposing Person”) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 under the Act, to file the following proposed rule change, to be published for notice and comment, and, if no written comment is received, to file and publish a final rule change notice to effect such proposed rule change, which proposed rule change would: (1) amend the Eighth Amended and Restated Operating Agreement of the Exchange (“Operating Agreement”) to establish a Regulatory Oversight Committee (“ROC”) as a committee of the Board and change the process by which non-Affiliated Director candidates are named; (2) amend the Operating Agreement to establish a Committee for Review as a sub-committee of the ROC and make conforming changes to Rules 308, 475, 476, 476A and 9310; and (3) replace references to the Chief Executive Officer of NYSE Regulation in Rules 48, 49 and 86 with references to the Chief Regulatory Officer of the Exchange (“CRO”).

The Exchange proposes that creation of the ROC, termination of the Delegation Agreement, and the above rule changes would be operative simultaneously. The Exchange would effect the changes described herein following approval of this rule filing no later than June 30, 2016, on a date determined by its Board. Amendment of Operating Agreement To Create a ROC

In connection with its proposal to terminate the Delegation Amendment, which is discussed below, the Exchange proposes to establish a ROC. The proposed ROC would have the responsibility to independently monitor the Exchange’s regulatory operations. To effect this change, the Exchange proposes to amend Section 2.03(h) of the Operating Agreement to add a subsection (ii) providing for a ROC and delineating its composition and functions. The proposed new Section 2.03(h)(ii) of the Operating Agreement would be substantially similar to the recently approved changes by the Exchange’s affiliates NYSE Arca and NYSE MKT to establish ROCs as well as Article III, Section 5(c) of the By-Laws of the NASDAQ Stock Market LLC.
