COMMISSION
In the Matter of Vantone International
Group, Inc.; Order of Suspension of
Trading
June 26, 2015.
It appears to the Securities and
Exchange Commission ("Commission")
that there is a lack of current and
accurate information concerning the
securities of Vantone International
Group, Inc. ("VNTI") (CIK No.
1101423), a revoked Nevada corporation
whose principal place of business is
listed as Shenyang, Liaoning Province,
China because it is delinquent in its
periodic filings with the Commission,
not having filed any periodic reports
since it filed a Form 10–Q for the period
ended December 31, 2011. As of June
18, 2015, VNTI’s common stock was
quoted on OTC Link (previously “Pink
Sheets”) operated by OTC Markets
Group Inc. On May 7, 2015, the
Commission’s Division of Corporation
Finance sent a delinquency letter to
VNTI at the address shown in its then-
most recent filing in the Commission’s
EDGAR system requesting compliance
with its periodic filing requirements,
which VNTI failed to receive because
VNTI thus failed to maintain a valid
address on file with the Commission as
required by Commission rules (Rule 301
of Regulation S–T, 17 CFR 232.301 and
Section 5.4 of EDGAR Filer Manual). To
date, VNTI has failed to cure its
delinquencies.
The Commission is of the opinion that
the public interest and the protection of
investors require a suspension of trading
in the securities of the above-listed
company. Therefore, it is ordered,
pursuant to Section 12(k) of the
Securities Exchange Act of 1934, that
trading in the securities of the above-
listed company is suspended for the
period from 9:30 a.m. EDT on June 26,
2015, through 11:59 p.m. EDT on July
10, 2015.
By the Commission.
Jill M. Peterson,
Assistant Secretary.

Self-Regulatory Organizations; Miami
International Securities Exchange LLC;
Notice of Filing and Immediate
Effectiveness of a Proposed Rule Change
To Amend Exchange Rule 510
To Extend the Penny Pilot Program
June 24, 2015.
Pursuant to the provisions of Section
19(b)(1) of the Securities Exchange Act
of 1934 ("Act")1 and Rule 19b–4
thereunder,2 notice is hereby given that,
on June 18, 2015, Miami International
Securities Exchange LLC ("MIAIX" or
"Exchange")filed with the Securities
and Exchange Commission ("Commission") a proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is
publishing this notice to solicit
comments on the proposed rule change
from interested persons.
I. Self-Regulatory Organization’s
Statement of the Terms of Substance of
the Proposed Rule Change
The Exchange is filing a proposal to
amend Rule 510, Interpretations and
Policies .01 to extend the pilot program
for the quoting and trading of certain
options in pennies (the “Penny Pilot
Program”).
The text of the proposed rule change is
available on the Exchange’s Web site
at http://www.miaxoptions.com/filter/
writer/rule_filing, at MIAIX’s principal
office, and at the Commission’s Public
Reference Room.

class’s addition to the Pilot program (i.e., June) will not be used for purposes of the six-month analysis. Thus, a replacement added on the second trading day following July 1, 2015 will be identified based on trading activity from December 1, 2014 through May 31, 2015. Similarly, a replacement added on the second trading day following January 1, 2016 will be identified based on trading activity from June 1, 2015 through November 30, 2015. Rule 510 has been updated to reflect the new date replacement issues will be added to the Penny Pilot Program.

2. Statutory Basis

MIAX believes that its proposed rule change is consistent with Section 6(b) of the Act 3 in general, and furthers the objectives of Section 6(b)(5) of the Act 4 in particular, that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the proposed rule change, which extends the Penny Pilot Program for six months, allows the Exchange to continue to participate in a program that has been viewed as beneficial to traders, investors and public customers and viewed as successful by the other options exchanges participating in it.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Program, the proposed rule change will allow for further analysis of the Penny Pilot Program and a determination of how the Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. In addition, consistent with previous practices, the Exchange believes the other options exchanges will be filing similar extensions of the Penny Pilot Program.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change will become effective pursuant to Section 19(b)(3)(A) of the Act 5 and Rule 19b–4(f)(6) thereunder. 6

A proposed rule change filed under Rule 19b–4(f)(6) 7 normally does not become operative prior to 30 days after the date of the filing. 8 However, pursuant to Rule 19b–4(f)(6)(iii), 9 the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Penny Pilot Program to continue without interruption in a manner that is consistent with the Commission’s prior approval of the extension and expansion of the Penny Pilot Program. 10 Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission. 11

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

Interest Rates

The Small Business Administration publishes an interest rate called the optional “peg” rate (13 CFR 120.214) on a quarterly basis. This rate is a weighted average cost of money to the government for maturities similar to the average SBA direct loan. This rate may be used as a base rate for guaranteed fluctuating interest rate SBA loans. This rate will be 2.250 (2 1/4%) percent for the July–September quarter of FY 2015.

Pursuant to 13 CFR 120.921(b), the maximum legal interest rate for any third party lender’s commercial loan which funds any portion of the cost of a 504 project (see 13 CFR 120.801) shall be 6% over the New York Prime rate or, if that exceeds the maximum interest rate permitted by the constitution or laws of a given State, the maximum interest rate will be the rate permitted
