SECURITIES AND EXCHANGE COMMISSION

In the Matter of Vantone International Group, Inc.; Order of Suspension of Trading

June 26, 2015.

It appears to the Securities and Exchange Commission ("Commission") that there is a lack of current and accurate information concerning the securities of Vantone International Group, Inc. ("VNTI") (CIK No. 1101423), a revoked Nevada corporation whose principal place of business is listed as Shenyang, Liaoning Province, China because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10–Q for the period ended December 31, 2011. As of June 18, 2015, VNTI’s common stock was quoted on OTC Link (previously “Pink Sheets”) operated by OTC Markets Group Inc. On May 7, 2015, the Commission’s Division of Corporation Finance sent a delinquency letter to VNTI at the address shown in its then-most recent filing in the Commission’s EDGAR system requesting compliance with its periodic filing requirements, which VNTI failed to receive because VNTI thus failed to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual). To date, VNTI has failed to cure its delinquencies.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company. Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on June 26, 2015, through 11:59 p.m. EDT on July 10, 2015.

By the Commission.

Jill M. Peterson,
Assistant Secretary.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is a participant in an industry-wide pilot program that provides for the quoting and trading of certain option classes in penny increments (the “Penny Pilot Program” or “Program”). Specifically, the Penny Pilot Program allows the quoting and trading of certain option classes in minimum increments of $0.01 for all series in such option classes with a price of less than $3.00; and in minimum increments of $0.05 for all series in such option classes with a price of $3.00 or higher. Options on the PowerShares QQQ Trust (“QQQQ”)®, SPDR S&P 500 Exchange Traded Funds (“SPY”), and iShares Russell 2000 Index Funds (“IWM”), however, are quoted and traded in minimum increments of $0.01 for all series regardless of the price. The Penny Pilot Program was initiated at the then-existing option exchanges in January 2007 and currently includes more than 300 of the most active option classes.

The Penny Pilot Program is currently scheduled to expire on June 30, 2015. The purpose of the proposed rule change is to extend the Penny Pilot Program in its current format through June 30, 2016.

In addition to the extension of the Penny Pilot Program through June 30, 2016, the Exchange will replace any Penny Pilot issues that have been delisted with the next most actively traded multiply listed option classes that are not yet included in the Penny Pilot Program. The replacement issues will be selected based on trading activity in the previous six months and will be added to the Penny Pilot Program on the second trading day following July 1, 2015 and January 1, 2016. Please note, the month immediately preceding a replacement
