II. What action is the agency taking?

Under EPA contract number GS–06F–0535Z, order number 0015, contractor Vision Technologies, Inc., of 530 McCormick Drive, Suite 6, Glen Burnie, MD, and CSC, 3170 Fairview Park Drive, Falls Church, VA, will assist EPA’s Office of Research and Development by supporting the desktop systems on which the CBI will reside. The contractor will also provide information technology support and solutions to enhance science and research results.

In accordance with 40 CFR 2.306(j), EPA has determined that under EPA contract number GS–06F–0535Z, order number 0015, Vision Technologies and CSC will require access to CBI submitted to EPA under all sections of TSCA to perform successfully the duties specified under the contract. Vision Technologies and CSC personnel will be given access to information submitted to EPA under all sections of TSCA. Some of the information may be claimed or determined to be CBI.

EPA is issuing this notice to inform all submitters of information under all sections of TSCA that EPA may provide Vision Technologies and CSC access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this contract will take place at EPA Headquarters in accordance with TSCA CBI Protection Manual.

Access to TSCA data, including CBI, will continue until October 21, 2016. If the contract is extended, this access will also continue for the duration of the extended contract without further notice.

Vision Technologies and CSC personnel will be required to sign nondisclosure agreements and will be briefed on appropriate security procedures before they are permitted access to TSCA CBI.

Dated: June 19, 2015.

Pamela S. Myrick,
Acting Director, Information Management Division, Office of Pollution Prevention and Toxics.
