Submission for OMB Review; Comment Request

Title: Annual Report on Households Assisted by the Low Income Home Energy Assistance Program (LIHEAP)
OMB No.: 0970-0060.

Description: This statistical report is an annual activity required by statute (42 U.S.C. 8629) and Federal regulations (45 CFR 96.92) for the Low Income Home Energy Assistance Program (LIHEAP). Submission of the completed report is one requirement for LIHEAP grantees applying for Federal LIHEAP block grant funds. States, the District of Columbia, and the Commonwealth of Puerto Rico are required to report statistics for the previous Federal fiscal year on the number and income levels of LIHEAP applicants and assisted households, as well as the number of LIHEAP-assisted households with at least one member who is elderly, disabled, or a young child.

The statistical report requires States, the District of Columbia, and the Commonwealth of Puerto Rico to report on assisted households having at least one elderly person who is homebound; an unduplicated count of assisted households having at least one member who is elderly, disabled, or a young

child; and an unduplicated count of assisted households receiving one or more types of LIHEAP assistance.

Insular areas receiving less than \$200,000 annually in LIHEAP funds and Indian Tribal Grantees are required to submit data only on the number of households receiving heating, cooling, energy crisis, or weatherization benefits. The information is being collected for the Department's annual LIHEAP report to Congress. The data also provides information about the need for LIHEAP funds. Finally, the data are used in the calculation of LIHEAP performance measures under the Government Performance and Results Act of 1993. The additional data elements will improve the accuracy of measuring LIHEAP targeting performance and LIHEAP cost efficiency.

Respondents: State Governments, Tribal Governments, Insular Areas, the District of Columbia, and the Commonwealth of Puerto Rico.
