ICCR is a voluntary international group of cosmetics regulatory authorities from the United States, Japan, the European Union, Canada, and Brazil. These regulatory authority members will enter into constructive dialogue with their relevant cosmetics industry trade associations and public advocacy groups. Currently, the ICCR members are: Health Canada; the European Commission Directorate-General for Internal Market, Industry, Entrepreneurship, and Subject Matter Experts; the Ministry of Health, Labor, and Welfare of Japan; the Brazilian Health Surveillance Agency; and FDA. All decisions made by consensus will be compatible with the laws, policies, rules, regulations, and directives of the respective administrations and governments. Members will implement and/or promote actions or documents within their own jurisdictions and seek convergence of regulatory policies and practices. Successful implementation will need input from stakeholders.

Agency: We will make the agenda for the public meeting available on the Internet at http://www.fda.gov/Cosmetics/InternationalActivities/ICCR/default.htm. Depending on the number of requests for oral presentations, we intend to have an agenda available by September 3, 2015. We may use the information that you provide to us during the public meeting to help us prepare for the November 4–6, 2015, ICCR—9 meeting.

Dated: July 9, 2015.

Leslie Kux, Associate Commissioner for Policy.

Submission for OMB Review; 30-Day Comment Request Prostate, Lung, Colorectal and Ovarian Cancer Screening Trial (PLCO) (NCI)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the Federal Register on April 21, 2015 (80 FR 22211), and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Cancer Institute (NCI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to: Office of Management and Budget, Office of Regulatory Affairs, OIRA_submission@omb.eop.gov or by fax to 202–395–6974, Attention: NIH Desk Officer.

Comment Due Date: Comments regarding this information collection are best assured of having their full effect if received within 30 days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments or request more information on the proposed project contact: Kelly Yu, Ph.D., Division of Cancer Prevention, 9609 Medical Center Drive, Room 5E230, Rockville, MD 20850 call non-toll-free number 240–276–7041 or Email your request, including your address to: yuke@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.
