**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-75439; File No. SR-BYX-2015-32]

**Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of BATS Y-Exchange, Inc.**

July 13, 2015.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 6, 2015, BATS Y-Exchange, Inc. (“Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder,<sup>4</sup> which

renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange filed a proposal to amend its fees and rebates applicable to Members<sup>5</sup> and non-Members of the Exchange pursuant to BYX Rule 15.1(a) and (c) (“Fee Schedule”) to modify its fees for physical connectivity. Changes to the fee schedule pursuant to this proposal are effective upon filing.

The text of the proposed rule change is available at the Exchange's Web site at [www.batstrading.com](http://www.batstrading.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change****1. Purpose**

The Exchange proposes to amend its Fee Schedule to modify its fees for physical connectivity. A physical port is utilized by a Member or non-Member to connect to the Exchange at the data centers where the Exchange's servers are located. The Exchange currently maintains a presence in two third-party data centers: (i) The primary data center where the Exchange's business is primarily conducted on a daily basis, and (ii) a secondary data center, which is predominantly maintained for business continuity purposes. The Exchange currently assesses the following physical connectivity fees for Members and non-Members on a

monthly basis: \$1,000 per physical port that connects to the System<sup>6</sup> via 1 gigabyte circuit; and \$2,500 per physical port that connects to the System via 10 gigabyte circuit.

The Exchange now proposes to amend its physical connectivity fees to align the Exchange's fees with its affiliates.<sup>7</sup> The Exchange proposes to increase the fee per physical port that connects to the System via: (i) 1 Gigabyte circuit from \$1,000 per month to \$2,000 per month; and (ii) 10 gigabyte circuit from \$2,500 per month to \$4,000 per month.

**Implementation Date**

The Exchange proposes to implement this amendment to its Fee Schedule immediately.

**2. Statutory Basis**

The Exchange believes that the proposed rule change is consistent with the objectives of section 6 of the Act,<sup>8</sup> in general, and furthers the objectives of section 6(b)(4),<sup>9</sup> in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes that the proposed rates are equitable and non-discriminatory in that they apply uniformly to all Members. The Exchange believes the fees and credits remain competitive with those charged by other venues and therefore continue to be reasonable and equitably allocated to Members.

The Exchange believes that the proposal represents an equitable allocation of reasonable dues, fees, and other charges as its fees for physical connectivity are reasonably constrained by competitive alternatives. If a particular exchange charges excessive

<sup>6</sup> The term “System” is defined as “the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away.” See Exchange Rule 1.5(cc).

<sup>7</sup> The Exchange's affiliates are EDGX Exchange, Inc. (“EDGX”), EDGA Exchange, Inc. (“EDGA”) and BATS Exchange, Inc. (“BZX”, together with the Exchange, EDGA and EDGX, the “BATS Exchanges”). The Exchange notes that each of its affiliates has also filed or will also file proposed rule changes with Commission to adopt similar physical connectivity fees.
