**Overview of This Information Collection**

1. **Type of Information Collection:** New Voluntary Collection.

2. **The Title of the Form/Collection:** Unfair Immigration-Related Employment Practices Complaint Form.

3. **The agency form number, if any, and the applicable component of the Department sponsoring the collection:** Form EOIR–58. The applicable component within the Department of Justice is the Office of the Chief Administrative Hearing Officer (OCAHO), Executive Office for Immigration Review.

4. **Affected public who will be asked or required to respond, as well as a brief abstract:** Primary: Individuals who wish to file a complaint alleging unfair immigration-related employment practices under section 274B of the Immigration and Nationality Act (INA). Other: None. Abstract: Section 274B of the INA prohibits: employment discrimination on the basis of citizenship status or national origin; retaliation or intimidation by an employer against an individual seeking to exercise his or her rights under this section; and “document abuse” or over-documentation by the employer, which occurs when the employer asks an applicant or employee for more or different documents than required for employment eligibility verification under INA section 274A, with the intent of discriminating against the employee in violation of section 274B. Individuals who believe that they have suffered discrimination in violation of section 274B may file a charge with the Department of Justice, Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC). The OSC then has 120 days to determine whether to file a complaint with OCAHO on behalf of the individual charging party. If the OSC chooses not to file a complaint, the individual may then file his or her own complaint directly with OCAHO. This information collection may be used by an individual to file his or her own complaint with OCAHO. The Form EOIR–58 will elicit, in a uniform manner, all of the required information for OCAHO to assign a section 274B complaint to an Administrative Law Judge for adjudication.

5. **An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:** It is estimated that 22 respondents will complete the form annually; each response will be completed in approximately 30 minutes.

6. **An estimate of the total public burden (in hours) associated with the collection:** The estimated public burden associated with this collection is 11 hours. It is estimated that 22 forms will be received, taking 30 minutes to complete.

DEPARTMENT OF LABOR
Office of Labor-Management Standards

Agency Information Collection Activities; Information Collection Request; Labor Organization and Auxiliary Reports Comment Period Extension

AGENCY: Office of Labor-Management Standards, Department of Labor.

ACTION: Notice.

SUMMARY: This document extends the period for comments on the proposal, published on May 20, 2015 (80 FR 29096), to amend the information collection request 1245–0003, published on May 20, 2015 (80 FR 29096), must be submitted to the office listed in the addresses section below on or before August 19, 2015.

ADDRESSES: Andrew R. Davis, Chief of the Division of Interpretations and Standards, Office of Labor-Management Standards, U.S. Department of Labor, 200 Constitution Avenue NW., Room N–5609, Washington, DC 20210, olms-public@dol.gov, (202) 693–0123 (this is not a toll-free number), (800) 877–8339 (TTY/TDD).

Please use only one method of transmission (mail or submission via www.regulations.gov using RIN: 1245–AA06) to submit comments or to request a copy of this information collection and its supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden. You may also request a copy of this information collection and its supporting documentation by sending an email to olms-public@dol.gov.

SUPPLEMENTARY INFORMATION: In the Federal Register of May 20, 2015 (80 FR 29096), the Department sought public comments on the proposal to amend Labor Organization and Auxiliary Reports information collections approved under OMB Control Number 1245–0003, specifically the Form LM–3 and LM–4 instructions, to require mandatory electronic filing of these reports, as well as to modify the Form LM–2 hardship exemption process to correspond with that proposed for the Form LM–3 and LM–4 reports, which would only permit temporary hardship exemption submissions, not continuing.

As stated in the notice, the Department believes that reasonable changes must be made to the means by which the forms required under the Labor-Management Reporting and Disclosure Act (LMRDA) Title II are filed. The most efficient way to provide meaningful access to this information by interested members of the public is to require that the reports filed by small and medium-sized labor organizations be filed in electronic form. This change will benefit the filers, union members, and the public, as well as the Department.

Interested persons were invited to submit comments on or before July 20, 2015, 60 days after the publication of the original notice. A public commenter has requested a 30-day extension of time to submit comments. In response to these recommendations, the Department has decided to extend the comment period for an additional 30 days. Comments on the proposed information collection must be received on or before August 19, 2015. An extension of this duration is appropriate, because it will afford parties a meaningful opportunity to submit comments on the proposal without unduly delaying final action on the proposed regulation.

Dated: July 15, 2015.

Andrew R. Davis, Chief, Division of Interpretations and Standards, Office of Labor-Management Standards.
