AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 11, 2015, the Department received a timely request for a new shipper review (NSR) from Jinxiang Huameng Imp & Exp Co. (Huameng), in accordance with section 751(a)(2)(B)(ii) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c). On May 22, 2015 Department issued a letter to Huameng requesting that it correct certain deficiencies in its initial request. On July 6, 2015, Huameng submitted a timely response to the Department’s request. The Department of Commerce (Department) has determined that the request for a NSR of the antidumping duty order on fresh garlic from the People’s Republic of China (PRC) meets the statutory and regulatory requirements for initiation. The period of review (POR) is November 1, 2014, through April 30, 2015.

DATES: Effective Date: July 21, 2015.

SUPPLEMENTARY INFORMATION:

Background

The Department published the antidumping duty order on fresh garlic from the PRC in the Federal Register on November 16, 1994. On May 11, 2015, the Department received a timely request for a NSR from Huameng. Huameng certified that it is the exporter and producer of the fresh garlic upon which the request for a NSR is based. Pursuant to section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(b)(2)(i), Huameng certified that it did not export fresh garlic for sale to the United States during the period of investigation (POI). Moreover, pursuant to section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(b)(2)(ii)(A), Huameng certified that, since the investigation was initiated, it never has been affiliated with any exporter or producer who exported the subject merchandise to the United States during the POI, including those not individually examined during the investigation. Further, as required by 19 CFR 351.214(b)(2)(ii)(B), it certified that its export activities are not controlled by the central government of the PRC. Huameng also certified that it had no subsequent shipments of subject merchandise.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Huameng submitted documentation establishing the following: (1) the date of its first sale to an unaffiliated customer in the United States; (2) the date on which the fresh garlic was first entered; (3) the volume of that shipment.

The Department queried the database of U.S. Customs and Border Protection (CBP) in an attempt to confirm that the shipment reported by Huameng had entered the United States for consumption and that liquidation had been properly suspended for antidumping duties. The information which the Department examined was consistent with that provided by Huameng in its request.

Period of Review

Pursuant to 19 CFR 351.214(c), an exporter or producer may request a NSR within one year of the date on which its subject merchandise was first entered. Moreover, 19 CFR 351.214(d)(1) states that if the request for the review is made during the six-month period ending
