Regulatory Flexibility Act

The Director of the Bureau of Prisons, under the Regulatory Flexibility Act (5 U.S.C. 605(b)), reviewed this regulation. By approving it, the Director certifies that it will not have a significant economic impact upon a substantial number of small entities because: This proposed rule is about the correctional management of offenders committed to the custody of the Attorney General or the Director of the Bureau of Prisons, and its economic impact is limited to the Bureau's appropriated funds.

Unfunded Mandates Reform Act of 1995

This proposed rule will not cause State, local and tribal governments, or the private sector, to spend \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. We do not need to take action under the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This proposed rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This proposed rule would not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Under the rulemaking authority vested in the Attorney General in 5 U.S.C. 301; 28 U.S.C. 509, 510 and delegated to the Director, Bureau of Prisons in 28 CFR 0.96, we propose to amend 28 CFR part 550 as follows:

PART 550—DRUG PROGRAMS

■ 1. The authority citation for part 550 continues to read as follows:

Authority: 5 U.S.C. 301; 18 U.S.C. 3521–3528, 3621, 3622, 3624, 4001, 4042, 4046, 4081, 4082 (Repealed in part as to offenses committed on or after November 1, 1987), 5006–5024 (Repealed October 12, 1984 as to offenses committed after that date), 5039; 21 U.S.C. 848; 28 U.S.C. 509, 510; Title V, Pub.

L. 91–452, 84 Stat. 933 (18 U.S.C. Chapter 223).

■ 2. Revise § 550.50 to read as follows:

§ 550.50 Purpose and scope.

The purpose of this subpart is to describe the Bureau's drug abuse treatment programs for the inmate population, to include drug abuse education, non-residential drug abuse treatment services, and residential drug abuse treatment programs (RDAP). These services are provided by Psychology Services department.

■ 3. Amend § 550.53 by revising paragraphs (a)(1), (a)(3), (f), and (g) to read as follows:

§ 550.53 Residential Drug Abuse Treatment Program (RDAP).

(a) * * *

(1) *Unit-based component.* Inmates must complete a course of activities provided by the Psychology Services Department in a treatment unit set apart from the general prison population. This component must last at least six months.

* * * * *

(3) *Community Treatment Services (CTS).* Inmates who have completed the unit-based program and (when appropriate) the follow-up treatment and transferred to a community-based program must complete CTS to have successfully completed RDAP and receive incentives. The Warden, on the basis of his or her discretion, may find an inmate ineligible for participation in a community-based program; therefore, the inmate cannot complete RDAP.

* * * * *

(f) *Completing the unit-based component of RDAP.* To complete the unit-based component of RDAP, inmates must have satisfactory attendance and participation in all RDAP activities.

(g) *Expulsion from RDAP.* (1) Inmates may be removed from the program by the Drug Abuse Program Coordinator because of disruptive behavior related to the program or unsatisfactory progress in treatment.

(2) Ordinarily, inmates must be given at least one formal warning before removal from RDAP. A formal warning is not necessary when the documented lack of compliance with program standards is of such magnitude that an inmate's continued presence would create an immediate and ongoing problem for staff and other inmates.

(3) We may return an inmate who withdraws or is removed from RDAP to his/her prior institution (if we had transferred the inmate specifically to participate in RDAP).

* * * * *

■ 4. Revise § 550.55(b)(4) and (6) to read as follows:

§ 550.55 Eligibility for early release.

* * * * *

(b) * * *

(4) Inmates who have a prior felony or misdemeanor conviction within the ten years prior to the date of sentencing for their current commitment for:

(i) Homicide (including deaths caused by recklessness, but not including deaths caused by negligence or justifiable homicide);

(ii) Forcible rape;

(iii) Robbery;

(iv) Aggravated assault;

(v) Arson;

(vi) Kidnaping; or

(vii) An offense that by its nature or conduct involves sexual abuse offenses committed upon minors;

* * * * *

(6) Inmates who have been convicted of an attempt, conspiracy, or solicitation to commit an underlying offense listed in paragraph (b)(4) and/or (b)(5) of this section; or

* * * * *

■ 5. Revise § 550.56 to read as follows:

§ 550.56 Community Treatment Services (CTS).

(a) For inmates to successfully complete all components of RDAP, they must participate in CTS. If inmates refuse or fail to complete CTS, they fail RDAP and are disqualified for any additional incentives.

(b) Inmates with a documented drug use problem who did not choose to participate in RDAP may be required to participate in CTS as a condition of participation in a community-based program, with the approval of the Supervisory Community Treatment Services Coordinator.

I. Introduction

On July 14, 2015, the Postal Service filed a petition pursuant to 39 CFR 3050.11 requesting that the Commission initiate an informal rulemaking proceeding to consider a proposed change in analytical principles relating to periodic reports.¹ A description of Proposal Three is attached to the Petition. Petition at 1. The Petition identifies the proposed change as a modification to the analytical method used to estimate shape and weight for a portion of the "Origin-Destination Information System—Revenue, Pieces and Weight" (ODIS-RPW) sampling frame related to letter and card shaped mailpieces. *Id.*

II. Summary of Proposal

The Postal Service explains that ODIS-RPW is a probability-based destinating mail sampling system that primarily supplies the official "Revenue, Pieces and Weight By Class and Special Services" (RPW) report estimates of revenue, volume, and weight for single-piece stamped and metered mail. *Id.*, Proposal Three at 4. Currently, ODIS-RPW data collectors travel to randomly selected Mail Exit Points (MEPs) on randomly selected days and manually sample mail as it arrives at these locations. *Id.* These data collectors record mail characteristics from the sampled mail pieces, such as revenue, volume, weight, mail class, subclass, and indicia. *Id.*

Under Proposal Three, a portion of MEPs would begin digitally capturing the images of letter and card shaped

mail from Delivery Barcode Sequencing (DBCS) second pass operations. *Id.* at 3. The remaining portion of MEPs would continue to employ the existing manual ODIS-RPW sampling techniques. *Id.* at 4–5. The Postal Service asserts that all of the mail characteristics currently collected from manually sampled mailpieces can be collected from digitally captured images of sampled mailpieces, except for weight and shape. *Id.* at 3. The Postal Service proposes to use the weight and shape data from those MEPs that continue to employ manual sampling techniques as a distribution key for the digitally sampled mailpieces. *Id.* at 5.

The Postal Service plans to implement the change in Proposal Three beginning on January 1, 2016. *Id.* at 3. The Postal Service asserts that the proposed change would only impact three mail categories: First-Class Mail single-piece cards, First-Class Mail single-piece stamped letters, and First-Class Mail single-piece metered letters. *Id.* at 5.

The Postal Service states that the change in Proposal Three would have very little impact on the business needs that the ODIS-RPW system supports. *Id.* at 10. Moreover, the Postal Service notes that the changes in Proposal Three will result in cost savings through the elimination of travel time and on-site work hours for ODIS-RPW data collectors. *Id.* at 5 n.1.

III. Initial Commission Action
