National Oil and Hazardous Substance Pollution Contingency Plan National Priorities List: Deletion of the Crown Vantage Landfill Superfund Site

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) Region 2 announces the deletion of the Crown Vantage Landfill Superfund Site (Site), located in Alexandria Township, Hunterdon County, New Jersey, from the National Priorities List (NPL). The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). EPA and the State of New Jersey, through the New Jersey Department of Environmental Protection, have determined that all appropriate response actions under CERCLA, other than long-term maintenance and five-year reviews, have been completed. However, this deletion does not preclude future actions under Superfund.

DATES: This action is effective August 28, 2015.

SUPPLEMENTARY INFORMATION: The site to be deleted from the NPL is: Crown Vantage Landfill Superfund Site, Alexandria Township, New Jersey. A Notice of Intent to Delete for this Site was published in the **Federal Register** (80 FR 23757) on April 29, 2015. The closing date for comments on the Notice of Intent to Delete was May 29, 2015. No comments were received and therefore no response to comments was required. The deletion action is appropriate.

EPA maintains the NPL as the list of sites that appear to present a significant risk to public health, welfare, or the environment. Deletion from the NPL does not preclude further remedial action. Whenever there is a significant release from a site deleted from the NPL, the deleted site may be restored to the NPL without application of the hazards ranking system. Deletion of a site from the NPL does not affect the responsible party liability in the unlikely event that future conditions warrant further actions.

Federal Travel Regulation; Temporary Duty (TDY) Travel Allowances

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Final rule.

SUMMARY: GSA is amending the Federal Travel Regulation (FTR) by removing the meals and incidental expenses (M&IE) breakdown table from the regulation. The table will continue to be published on GSA’s Web site at www.gsa.gov/mie and any changes to the breakdown of M&IE reimbursement rates will be publicized via FTR Bulletins.

DATES: *Effective:* This rule is effective on July 29, 2015.

Applicability date: This rule is applicable beginning October 1, 2015.

FOR FURTHER INFORMATION CONTACT: Ms. Marcerto Barr, Office of Government-wide Policy (MAE), General Services Administration, at 202–208–7654 or email at marcerto.barr@gsa.gov for clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat at 202–501–4755. Please cite FTR Amendment 2015–05, FTR case 2015–302.

SUPPLEMENTARY INFORMATION:

A. Background

In order to be more efficient and consistent, and in an effort to eliminate

duplication, GSA is removing the M&IE breakdown table from the FTR and solely maintaining it on GSA’s Web site at www.gsa.gov/mie. The table has been on this Web site for several years and can be updated quickly and efficiently. Changes to per diem reimbursement rates for lodging and M&IE are currently publicized by FTR bulletins and rates are published solely on GSA Web site’s. Similarly, any future changes to the M&IE breakdown table will also be publicized in FTR Bulletins notifying agencies of updates to the per diem rates for lodging and M&IE.

B. Executive Orders 12866 and 13563

Executive Orders (E.O.s.) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives, and if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a “significant regulatory action,” and therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. The final rule has been reviewed by the Office of Management and Budget. This final rule is not a major rule under 5 U.S.C. 804.

C. Regulatory Flexibility Act

This final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* This final rule is also exempt from Administrative Procedure Act per 5 U.S.C. 553(a)(2), because it applies to agency management or personnel.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the Federal Travel Regulation do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

E. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from Congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.
