**Polyethylene Terephthalate Film,  
Sheet, and Strip From Taiwan:  
Preliminary Results of Antidumping  
Duty Administrative Review and  
Preliminary Determination of No  
Shipments; 2013-2014**

**AGENCY:** Enforcement and Compliance,  
International Trade Administration,  
U.S. Department of Commerce.

**SUMMARY:** The Department of Commerce  
(the Department) is conducting an  
administrative review of the  
antidumping duty order on  
polyethylene terephthalate film, sheet,  
and strip (PET Film) from Taiwan. The

period of review (POR) is July 1, 2013,  
through June 30, 2014. This review  
covers respondents Nan Ya Plastics  
Corporation (Nan Ya) and Shinkong  
Materials Technology Corporation  
(SMTC), producers and exporters of PET  
Film from Taiwan. The Department  
preliminarily determines that sales of  
subject merchandise have not been  
made below normal value (NV) by Nan  
Ya. We preliminarily find that SMTC  
had no shipments during the POR.  
Interested parties are invited to  
comment on these preliminary results.

**DATES:** *Effective Date:* July 29, 2015.

**SUPPLEMENTARY INFORMATION:**

**Scope of the Order**

The merchandise subject to the order  
is PET Film. The PET Film subject to  
the order is currently classifiable under  
subheading 3920.62.00.90 of the  
Harmonized Tariff Schedule of the  
United States. A full description of the  
scope of the order is contained in the  
memorandum from Christian Marsh,  
Deputy Assistant Secretary for  
Antidumping and Countervailing Duty  
Operations, to Paul Piquado, Assistant  
Secretary for Enforcement and  
Compliance, "Decision Memorandum  
for Preliminary Results of Antidumping  
Duty Administrative Review and  
Preliminary Determination of No  
Shipments: Polyethylene Terephthalate  
Film, Sheet, and Strip from Taiwan;  
2013-2014" (Preliminary Decision  
Memorandum), which is hereby  
adopted by this notice.

The Preliminary Decision  
Memorandum is a public document and  
is on file electronically via Enforcement  
and Compliance's Antidumping and  
Countervailing Duty Centralized  
Electronic Service System (ACCESS).  
ACCESS is available to registered users  
at <http://access.trade.gov> and is  
available to all parties in the Central  
Records Unit in room B8024 of the main  
Commerce building. In addition, a  
complete version of the Decision  
Memorandum can be accessed directly  
on the Internet at [http://  
enforcement.trade.gov/frn/index.html](http://enforcement.trade.gov/frn/index.html).  
The signed and electronic versions of  
the Decision Memorandum are identical  
in content.

**Methodology**

The Department conducted this  
review in accordance with section  
751(a)(2) of the Tariff Act of 1930, as  
amended (the Act). Export price is  
calculated in accordance with section  
772 of the Act. NV is calculated in  
accordance with section 773 of the Act.

For a full description of the  
methodology underlying our  
conclusions, see the Preliminary  
Decision Memorandum.

**Preliminary Determination of No  
Shipments**

Based on our analysis of U.S. Customs  
and Border Protection (CBP)  
information and information provided  
by SMTC and its affiliate Shinkong  
Synthetic Fibers Corp. (SSFC), we  
preliminarily determine that SMTC had  
no shipments of the subject  
merchandise, and, therefore, no  
reviewable transactions, during the  
POR.

**Preliminary Results of Review**

As a result of this review, we  
preliminarily determine the following  
weighted-average dumping margin for  
the period July 1, 2013, through June 30,  
2014.

Manufacturer/exporter	Weighted-average dumping margin (percent)
Nan Ya Plastics Corpora- tion .....	0.00

**Disclosure and Public Comment**

The Department intends to disclose to  
interested parties the calculations  
performed in connection with these  
preliminary results within five days of  
the date of publication of this notice.<sup>1</sup>  
Pursuant to 19 CFR 351.309(c),  
interested parties may submit case briefs

briefs.<sup>3</sup> Parties who submit case briefs or  
rebuttal briefs in this proceeding are  
encouraged to submit with each  
argument: (1) A statement of the issue;  
(2) a brief summary of the argument;  
and (3) a table of authorities.<sup>4</sup> Case and  
rebuttal briefs should be filed using

electronically-filed document in its entirety by 5 p.m. Eastern Time.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS, within 30 days after the date of publication of this notice.<sup>6</sup> Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

If Nan Ya's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

The Department clarified its "automatic assessment" regulation on

May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by Nan Ya for which it did not know that its merchandise was destined for the United States. Furthermore, this clarification applies to all POR entries entered under the case number for SMTC if we continue to make a final determination of no shipments of subject merchandise because it certified that it made no POR shipments of subject merchandise for which it had knowledge of the U.S. destination. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate of 2.40 percent<sup>7</sup> if there is no rate for the intermediary company(ies) involved in the transaction.<sup>8</sup>

#### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent.<sup>9</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate

regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).
