

On June 22, 2015, Enterprise, Remaining Respondents, and Google jointly moved to terminate the investigation in its entirety based upon settlement. On June 29, 2015, the Commission investigative attorney filed a response in support of the motion. No other responses to the motion were received.

The ALJ issued the subject ID on July 1, 2015, and a corrected version on July 17, 2015, granting the joint motion for termination. The ALJ found that the settlement agreement satisfies the requirements of Commission Rule 210.21(b). She further found, pursuant to Commission Rule 210.50(b)(2), that there is no indication that termination of the investigation would adversely impact the public interest. No one petitioned for review of the ID.

The Commission has determined not to review the ID as corrected. In light of the settlement, the Commission has determined to vacate Order No. 34 as moot.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 23, 2015.
