

Sales Charge) uniformly to all shareholders in a given class and consistently with the requirements of rule 22d-1 under the Act.

Asset-Based Distribution Fees

1. Section 17(d) of the Act and rule 17d-1 under the Act prohibit an affiliated person of a registered investment company or an affiliated person of such person, acting as principal, from participating in or effecting any transaction in connection with any joint enterprise or joint arrangement in which the investment company participates unless the Commission issues an order permitting the transaction. In reviewing applications submitted under section 17(d) and rule 17d-1, the Commission considers whether the participation of the investment company in a joint enterprise or joint arrangement is consistent with the provisions, policies and purposes of the Act, and the extent to which the participation is on a basis different from or less advantageous than that of other participants.

2. Rule 17d-3 under the Act provides an exemption from section 17(d) and rule 17d-1 to permit open-end investment companies to enter into distribution arrangements pursuant to rule 12b-1 under the Act. Applicants request an order under section 17(d) and rule 17d-1 under the Act to the extent necessary to permit the Fund to impose asset-based service and/or distribution fees. Applicants have agreed to comply with rules 12b-1 and 17d-3 as if those rules applied to closed-end investment companies, which they believe will resolve any concerns that might arise in connection with a Fund financing the distribution of its Shares through asset-based distribution fees.

3. For the reasons stated above, applicants submit that the exemptions requested under section 6(c) are necessary and appropriate in the public interest and are consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants further submit that the relief requested pursuant to section 23(c)(3) is consistent with the protection of investors and insures that applicants do not unfairly discriminate against any holders of the class or classes of securities to be purchased. Finally, applicants submit that the requested relief meets the standards for relief in section 17(d) of the Act and rule 17d-1 thereunder. Applicants state that the Funds' imposition of asset-based distribution fees is consistent with the provisions, policies and purposes of the Act and does not involve participation on a basis

different from or less advantageous than that of other participants.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Applicants will comply with the provisions of rules 6c-10, 12b-1, 17d-3, 18f-3, and 22d-1 under the Act, as amended from time to time or replaced, as if those rules applied to closed-end management investment companies, and will comply with the NASD Conduct Rule 2830, as amended from time to time, as if that rule applied to all closed-end management investment companies.

For the Commission, by the Division of Investment Management, under delegated authority.

Robert W. Errett,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available
From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 23c-3 and Form N-23c-3, SEC File No. 270-373, OMB Control No. 3235-0422.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 23c-3 (17 CFR 270.23c-3) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) permits a registered closed-end investment company ("closed-end fund" or "fund") that meets certain requirements to repurchase common stock of which it is the issuer from shareholders at periodic intervals, pursuant to repurchase offers made to all holders of the stock. The rule enables these funds to offer their shareholders a limited ability to resell their shares in a manner that previously was available only to open-end investment company shareholders. To protect shareholders, a closed-end fund that relies on rule 23c-3 must send shareholders a notification that contains specified information each time the fund makes a repurchase offer (on a quarterly, semi-annual, or annual basis, or, for certain funds, on a discretionary basis not more often than every two years). The fund also must file copies of the shareholder notification with the Commission (electronically through the Commission's Electronic Data Gathering, Analysis, and Retrieval System ("EDGAR")) on Form N-23c-3, a filing that provides certain information about the fund and the type of offer the fund is making.¹ The fund

¹ Form N-23c-3, entitled "Notification of Repurchase Offer Pursuant to Rule 23c-3," requires

must describe in its annual report to shareholders the fund's policy concerning repurchase offers and the results of any repurchase offers made during the reporting period. The fund's board of directors must adopt written procedures designed to ensure that the fund's investment portfolio is sufficiently liquid to meet its repurchase obligations and other obligations under the rule. The board periodically must review the composition of the fund's portfolio and change the liquidity procedures as necessary. The fund also must file copies of advertisements and other sales literature with the Commission as if it were an open-end investment company subject to section 24 of the Investment Company Act (15 U.S.C. 80a-24) and the rules that implement section 24. Rule 24b-3 under the Investment Company Act (17 CFR 270.24b-3), however, exempts the fund from that requirement if the materials are filed instead with the Financial Industry Regulatory Authority ("FINRA").

The requirement that the fund send a notification to shareholders of each offer is intended to ensure that a fund provides material information to shareholders about the terms of each offer. The requirement that copies be sent to the Commission is intended to enable the Commission to monitor the fund's compliance with the notification requirement. The requirement that the shareholder notification be attached to Form N-23c-3 is intended to ensure that the fund provides basic information necessary for the Commission to process the notification and to monitor the fund's use of repurchase offers. The requirement that the fund describe its current policy on repurchase offers and the results of recent offers in the annual shareholder report is intended to provide shareholders current information about the fund's repurchase policies and its recent experience. The requirement that the board approve and review written procedures designed to maintain portfolio liquidity is intended to ensure that the fund has enough cash or liquid securities to meet its repurchase obligations, and that written procedures are available for review by shareholders and examination by the Commission. The requirement that the fund file advertisements and sales literature as if it were an open-end fund is intended to facilitate the review of these materials by the Commission or FINRA to prevent incomplete,

the fund to state its registration number, its full name and address, the date of the accompanying shareholder notification, and the type of offer being made (periodic, discretionary, or both).

inaccurate, or misleading disclosure about the special characteristics of a closed-end fund that makes periodic repurchase offers.

Based on staff experience, the Commission staff estimates that 21 funds make use of rule 23c-3 annually, including six funds that are relying upon rule 23c-3 for the first time. The Commission staff estimates that on average a fund spends 89 hours annually in complying with the requirements of the rule and Form N-23c-3, with funds relying upon rule 23c-3 for the first time incurring an additional one-time burden of 28 hours. The Commission therefore estimates the total annual burden of the rule's and form's paperwork requirements to be 2,037 hours. In addition to the burden hours, the Commission estimates that the average yearly cost to each fund that relies on rule 23c-3 to print and mail repurchase offers to shareholders is approximately \$29,966.50. The Commission estimates total annual cost is therefore approximately \$629,297.

Estimates of the average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Compliance with the collection of information requirements of the rule and form is mandatory only for those funds that rely on the rule in order to repurchase shares of the fund. The information provided to the Commission on Form N-23c-3 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Deputy Secretary.

1. *Subject of Challenge Competition:* The SBA is looking for innovative products and services that help impact and empower the lives of women and families. We know that our workforce looks very different from 50 years ago. Women now make up nearly half of the labor force and play a critical role in our nation's economic prosperity. Most children live in households where all parents work. And as our population ages, families are increasingly caring for aging parents while balancing the needs of work and home. As the demands on women and families grow, the need for products and services that address these unique challenges increases. This
