Certain Crepe Paper Products From the People’s Republic of China: Final Results of Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 1, 2015, the Department of Commerce (the “Department”) initiated the second five-year (“sunset”) review of the antidumping duty order on certain crepe paper products (“crepe paper”) from the People’s Republic of China (“PRC”) pursuant to section 751(c) of the Tariff Act of 1930, as amended (the “Act”). As a result of this sunset review, the Department finds that revocation of the antidumping duty order on crepe paper from the PRC would be likely to lead to continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the order were to be revoked. Parties may find a complete discussion of all issues raised in the review and the corresponding recommendations in this public memorandum which is on file
