Analysis of Comments Received

All issues raised in these reviews, including the likelihood of continuation or recurrence of dumping in the event of revocation and the magnitude of the margins likely to prevail if the orders are revoked, are addressed in the accompanying Issues and Decision Memorandum. The Issues and Decision Memorandum is a public document and is available electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is accessible to registered users at http://access.trade.gov and to all parties in the Department’s Central Records Unit, Room B8024 of the Department's main building. Final Results of Sunset Reviews

Pursuant to sections 751(c)(1) and 752(c)(1)–(3) of the Act, we determine that revocation of the antidumping duty orders on CVP–23 from India and the PRC would likely lead to continuation or recurrence of dumping up to the following weighted-average margin percentages:

Notification to Interested Parties

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby required. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752(c), and 771(i)(1) of the Act and 19 CFR 351.218.

Partial Recission of Administrative Review

The Department initiated a review of eight companies in this proceeding. In response to timely filed withdrawal requests, we are rescinding this administrative review with respect to MTZ and Uflex pursuant to 19 CFR 351.213(d)(1). Accordingly, the companies subject to the instant review are: Ester, Garware, Polyplex, SRF, Jindal, Vacmet, and Vacmet India Limited, of which the Department has selected Jindal and SRF as the mandatory respondents.

Scope of the Order

For purposes of the order, the products covered are all gauges of raw, pretreated, or primed polyethylene terephthalate film, sheet and strip, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying our conclusions, see the Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Ronald K. Lorentzen, Deputy Assistant Secretary for Enforcement and Compliance, titled “Decision Memorandum for the Preliminary Results and Partial Rescission of the Countervailing Duty (CVD) Administrative Review of Polyethylene Terephthalate Film, Sheet, and Strip (PET film) from India: 2013” (Preliminary Decision Memorandum), dated concurrently with, and hereby adopted by, this notice.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and in the

The seven companies were Ester Industries Limited (Ester), Garware Polyester Ltd. (Garware), Jindal Poly Films Limited of India (Jindal), MTZ Polysters Ltd. (MTZ), Polyplex Corporation Ltd. (Polyplex), SRF Limited (SRF), and Vacmet. See also, Initiation of Antidumping and Countervailing Duty Administrative Reviews, 79 FR 76956 (December 23, 2014). The one additional company was Uflex Ltd (Uflex), which was inadvertently omitted from the prior initiation notice.

Companies Not Selected for Individual Review

For the companies not selected for individual review (Ester, Garware, Polyplex, Vacmet, and Vacmet India Limited), because the rates calculated for Jindal and SRF were above de minimis and not based entirely on facts available, we applied, consistent with section 705(c)(5)(A) of the Act, a subsidy rate based on a weighted average of the subsidy rates calculated for Jindal and SRF using publicly ranged sales data submitted by respondents.

Preliminary Results of Review

We determine the total estimated net countervailable subsidy rates for the period January 1, 2013, through December 31, 2013 to be:

Assessment Rates and Cash Deposit Requirement

In accordance with 19 CFR 351.221(b)(4), we assigned a subsidy rate for each producer/exporter subject to this administrative review. Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review. Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties, in the amounts shown above for each of the respective companies shown above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

These preliminary results of review are issued and published in accordance with sections 751(a)(l) and 777(i)(l) of the Act and 19 CFR 351.213 and 351.221(b)(4).
