AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 1, 2015, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on chloropicrin from the People's Republic of China ("PRC")¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). Based on the notice of intent to participate and adequate response filed by the domestic interested parties, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the *Order* pursuant. As a result of this sunset review, the Department finds that revocation of the *Order* would likely lead to continuation or recurrence of dumping, at the levels indicated in the "Final Results of Sunset Review"² section of this notice.

DATES: *Effective date:* August 7, 2015.

FOR FURTHER INFORMATION CONTACT: Howard Smith, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5193.

SUPPLEMENTARY INFORMATION:**Background**

On April 1, 2015, the Department initiated a sunset review of the order on chloropicrin from the PRC pursuant to section 751(c) of the Act.² On April 15, 2015, the Department received a timely notice of intent to participate in the sunset review from Ashta Chemicals, Inc. ("Ashta"), Niklor Chemical Company, Inc. ("Niklor"), and Trinity Manufacturing, Inc. ("Trinity"), domestic interested parties, pursuant to 19 CFR 351.218(d)(1)(i). On May 1, 2015, Ashta, Niklor, and Trinity filed a timely substantive response with the Department pursuant to 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from

any respondent interested party. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of the *Order*.

Scope of the Order

The merchandise subject to the antidumping duty order is chloropicrin, also known as trichloronitromethane. A major use of the product is as a pre-plant soil fumigant (pesticide). Such merchandise is currently classifiable under Harmonized Tariff Schedule ("HTS") item number 2904.90.50.05.³ The HTS item number is provided for convenience and customs purposes. The written description remains dispositive.

Analysis of Comments Received

All issues raised in this sunset review are addressed in the "Issues and Decision Memorandum for the Expedited Sunset Review of the Antidumping Duty Order on Chloropicrin from the People's Republic of China" from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with, and hereby adopted by, this notice ("Decision Memorandum"). The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the *Order* were to be revoked. Parties may find a complete discussion of all issues raised in the review and the corresponding recommendations in this public memorandum which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Services System ("ACCESS"). The signed Decision Memorandum and the electronic versions of the Decision Memorandum are identical in content.

Final Results of Sunset Review

Pursuant to Section 752(c)(3) of the Act, the Department determines that revocation of the *Order* would be likely

to lead to continuation or recurrence of dumping at weighted average margins up to 58.00 percent.

Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Methodology

The Department conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see Preliminary

Decision Memorandum dated concurrently with this notice and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins¹⁰ for the period July 1, 2013, through June 30, 2014:

Producer and/or exporter	Weighted-average dumping margin (percent)
La Molisana S.p.A. (La Molisana)	12.90
Rummo S.p.A., Lenta Lavorazione, Pasta Castiglioni, and Rummo S.p.A. Molino e Pastificio (collectively, the Rummo Group)	1.18
Pastificio Andalini S.p.A. (Andalini)	8.91
Delverde Industrie Alimentari S.p.A. (Delverde)	8.91

Assessment Rate

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average

dumping margin for La Molisana or the Rummo Group is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's

examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in

⁴ The Rummo Group consists of Rummo S.p.A., Lenta Lavorazione, Pasta Castiglioni, and Rummo S.p.A. Molino e Pastificio. In this review, we found that the facts have not changed with respect to Rummo and its affiliates and therefore, we followed the same methodology as we did in the most recent completed review (AR 17) by collapsing the affiliated companies as the Rummo Group. See *Certain Pasta From Italy: Notice of Final Results of 17th Antidumping Duty Administrative Review; 2012-2013*, 80 FR 8604 (February 18, 2015) (AR 17 Final Results).

⁵ For a full description of the scope of the order, see the "Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission: Certain Pasta from Italy; 2013-2014" from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and

Compliance, dated concurrently with this notice (Preliminary Decision Memorandum).

⁶ See Letter from Dalla Costa to the Department, "Antidumping Duty Administrative Review of Certain Pasta from Italy: Withdrawal of Review Request for Administrative Review of Dalla Costa Alimentare SRL," dated October 10, 2014; Letter from Pasta Lensi to the Department, "Pasta from Italy: Withdrawal of Request for Administrative Review," dated November 25, 2014.

⁷ Under 19 CFR 351.213(d)(1), the Department will rescind an administrative review "if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." The instant review was initiated on August 29, 2014. Therefore, the deadline to withdraw review requests was November 27, 2014. Thus, the Dalla Costa and Pasta Lensi withdrawal requests are timely.

⁹ See *Partial Rescission*.

¹⁰ The rate applied to the non-selected companies is a weighted-average percentage margin calculated based on the publicly-ranged U.S. volumes of the two reviewed companies with an affirmative dumping margin, for the period July 1, 2013, through June 30, 2014. See Memorandum to the File, titled, "Certain Pasta from Italy: Margin for Respondents Not Selected for Individual Examination," from Joy Zhang and George McMahon, Case Analysts, through Eric B. Greynolds, Program Manager, dated concurrently with this notice.

the final results of this review is not zero or *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

In accordance with the Department's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 15.45 percent, the all-others rate established in the antidumping investigation as modified by the section 129

determination.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

The Department will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.¹² Pursuant to 19 CFR 351.309(c), interested parties may submit cases briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹³ Parties who submit comments are requested to submit: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance's ACCESS system within 30 days of publication of this notice.¹⁴ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined.¹⁵ Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Act, the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results.
