Countervailing Duty Investigation of Certain Polyethylene Terephthalate Resin From the People's Republic of China: Preliminary Determination and Alignment of Final Determination With Final Antidumping Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain polyethylene terephthalate (PET) resin from the People's Republic of China (the PRC). We invite interested parties to comment on this preliminary determination.

DATES: Effective Date: August 14, 2015.

FOR FURTHER INFORMATION CONTACT: Yasmin Nair or Ilissa Shefferman, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade

Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone 202.482.3813 or 202.482.4684, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Investigation

The merchandise covered by this investigation is PET resin. The merchandise subject to this investigation is properly classified under subheading 3907.60.00.30 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise under investigation is dispositive.¹

Methodology

The Department is conducting this countervailing duty (CVD) investigation in accordance with section 701 of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.² For a full description of the methodology underlying our preliminary conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://trade.gov/enforcement>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

The Department notes that, in making this preliminary determination, we

Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, "Decision Memorandum for the Preliminary Determination in the Countervailing Duty Investigation of Certain Polyethylene Terephthalate Resin from the People's Republic of China," dated concurrently with this notice (Preliminary Decision Memorandum).

relied, in part, on facts available and, because one or more respondents did not act to the best of their ability to respond to the Department's requests for information, we drew an adverse inference where appropriate in selecting from among the facts otherwise available.³ For further information, see "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), we are aligning the final CVD determination in this investigation with the final determination in the companion antidumping duty (AD) investigation of PET resin from the PRC based on a request made by Petitioners.⁴ Consequently, the final CVD determination will be issued on the same date as the final AD

determination, which is currently scheduled to be issued no later than December 21, 2015,⁵ unless postponed.

Preliminary Determination and Suspension of Liquidation

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated an individual rate for each exporter/producer of the subject merchandise individually investigated. We preliminarily determine the countervailable subsidy rates to be:

Exporter/producer	Subsidy rate (percent)
Jiangyin Xingyu New Material Co., Ltd., Jiangsu Xingye Plastic Co., Ltd., Jiangyin Xingjia Plastic Co., Ltd., Jiangyin Xingtai New Material Co., Ltd., Jiangsu Xingye Polarization Co., Ltd., Jiangsu Sanfangxiang Group Co., Ltd., Jiangyin Hailun Petrochemicals Co., Ltd., Jiangyin Xinlun Chemical Fiber Co., Ltd., Jiangyin Huasheng Polymer Co., Ltd., Jiangsu SanFangxiang International Trading Co., Ltd., Jiangyin HuaYi Polymerization Co., Ltd., Jiangyin Xingsheng Plastic Co., Ltd., Jiangyin Chemical Fiber Co., Ltd., Jiangyin Huaxing Synthetic Co., Ltd., Jiangyin Bolun Chemical Fiber Co., Ltd. (collectively, Xingyu)	4.27
Dragon Special Resin (Xiamen) Co., Ltd.; Xiang Lu Petrochemicals Co., Ltd.; Xianglu Petrochemicals (Zhangzhou) Co., Ltd.; and Xiamen Xianglu Chemical Fiber Company Limited (collectively, Dragon)	18.88
All-Others	11.58

In accordance with sections 703(d)(1)(B) and (d)(2) of the Act, we are directing U.S. Customs and Border Protection to suspend liquidation of all entries of PET resin from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit for such entries of merchandise in the amounts indicated above.

Sections 703(d) and 705(c)(5)(A) of the Act state that, for companies not investigated, we determine an "all-others rate," by weighting the subsidy rates of the individual company subsidy rate of each of the companies investigated by each company's exports of subject merchandise to the United States excluding rates that are zero or *de minimis* or any rates determined entirely on the facts available. Notwithstanding the language of section 705(c)(5)(A)(i) of the Act, we have not calculated the "all-others" rate by weight-averaging the rates of the two individually investigated respondents, because doing so risks disclosure of proprietary information. Therefore, for the "all-others" rate, we calculated a simple average of the two responding companies' rates.

Verification

As provided in section 782(i)(1) of the Act, we intend to verify the information submitted by the respondents prior to making our final determination.

Disclosure and Public Comment

The Department will disclose calculations performed for this preliminary determination to the parties within five days of the date of public announcement of this determination in accordance with 19 CFR 351.224(b). Case briefs or other written comments for all non-scope issues may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the final verification report is issued in this proceeding, and rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁶ A table of contents, list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. This summary should be limited to five pages total, including footnotes.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically using ACCESS. An

electronically filed request for a hearing must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5:00 p.m. Eastern Time, within 30 days after the date of publication of this notice.⁷ Requests should contain the party's name, address, and telephone number; the number of participants; and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a date and time to be determined. Parties will be notified of the date and time of any hearing. The hearing will be limited to issues raised in the respective briefs.⁸

International Trade Commission Notification

In accordance with section 703(f) of the Act, we will notify the International Trade Commission (ITC) of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On August 4, 2015, the U.S. Trade Representative (USTR) instructed the Department of Commerce (Department) to implement its determinations under section 129 of the Uruguay Round Agreements Act (URAA) regarding the antidumping duty (AD) investigations on certain coated paper suitable for high-quality print graphics using sheet-fed presses from the People's Republic of China (PRC); seamless carbon and alloy steel standard, line, and pressure pipe from the PRC; high pressure steel cylinders from the PRC; multilayered wood flooring from the PRC; certain crystalline silicon photovoltaic cells, whether or not assembled into modules, from the PRC; and utility scale wind towers from the PRC; and regarding the AD administrative review of citric acid and citrate salts from the PRC, which renders them not inconsistent with the World Trade Organization (WTO) dispute settlement findings in the Appellate Body report on *United States — Countervailing and Anti-dumping Measures on Certain Products from China*, WT/DS449/AB/R (July 7, 2014), and the panel report, as modified by the Appellate Body report, WT/DS449/R (March 27, 2014), adopted by the WTO Dispute Settlement Body on July 22, 2014 (DS 449).
