Summary of the Application

1. The Adviser will serve as the investment adviser to the Funds pursuant to an investment advisory agreement with the Trust (the "Advisory Agreement").¹ The Adviser will provide the Funds with continuous and comprehensive investment management services subject to the supervision of, and policies established by, each Fund's board of trustees ("Board"). The Advisory Agreement permits the Adviser, subject to the approval of the Board, to delegate to one or more subadvisers (each, a "Subadviser" and collectively, the "Subadvisers") the responsibility to provide the day-to-day portfolio investment management of each Fund, subject to the supervision and direction of the Adviser. The primary responsibility for managing the Funds will remain vested in the Adviser. The Adviser will hire, evaluate, allocate assets to and oversee the Subadvisers, including determining whether a Subadviser should be terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit the Adviser, subject to Board approval, to hire certain Subadvisers pursuant to Subadvisory Agreements and materially amend existing Subadvisory Agreements without obtaining the shareholder approval required under section 15(a) of the Act and rule 18f-2 under the Act.² Applicants also seek an exemption from the Disclosure Requirements to permit a Fund to disclose (as both a dollar amount and a percentage of the Fund's net assets): (a) The aggregate fees paid to the Adviser and any Affiliated

Subadviser; and (b) the aggregate fees paid to Subadvisers other than Affiliated Subadvisers (collectively, "Aggregate Fee Disclosure"). For any Fund that employs an Affiliated Subadviser, the Fund will provide separate disclosure of any fees paid to the Affiliated Subadviser.

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the Application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Fund shareholders and notification about subadvisory changes and enhanced Board oversight to protect the interests of the Funds' shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the Application, the Advisory Agreements will remain subject to shareholder approval, while the role of the Subadvisers is substantially similar to that of individual portfolio managers, so that requiring shareholder approval of Subadvisory Agreements would impose unnecessary delays and expenses on the Funds. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser's ability to negotiate fees paid to the Subadvisers that are more advantageous for the Funds.

For the Commission, by the Division of Investment Management, under delegated authority.

Secretary.

¹ Applicants request relief with respect to any future series of the Trust and other existing or future registered open-end management company or series thereof that: (a) Is advised by the Adviser, including any entity controlling, controlled by or under common control with the Adviser or its successors (included in the term "Adviser"); (b) uses the manager of managers structure described in the application; and (c) complies with the terms and conditions of the application (any such series, a "Fund" and collectively, the "Funds"). For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

² The requested relief will not extend to any Subadviser that is an affiliated person, as defined in section 2(a)(3) of the Act, of a Fund or the Adviser, other than by reason of serving as a subadviser to one or more of the Funds ("Affiliated Subadviser").

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75692; File No. SR-ICEEU-2015-009]

Self-Regulatory Organizations; ICE Clear Europe Limited; Order Approving Proposed Rule Change Relating to Finance Procedures To Add Clearstream Banking as a Triparty Collateral Service Provider

August 13, 2015.

I. Introduction

On May 5, 2015, ICE Clear Europe Limited ("ICE Clear Europe") filed with the Securities and Exchange Commission ("Commission") a proposed rule change pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² to amend its Finance Procedures in order to facilitate CDS Clearing Members' use of Clearstream Banking as a triparty collateral service provider. The proposed rule change was published for comment in the **Federal Register** on May 15, 2015.³ On June 29, 2015, the Commission extended the time period in which to either approve, disapprove, or institute proceedings to determine whether to disapprove the proposed rule change to August 13, 2015.⁴ The Commission did not receive comment letters regarding the proposed change. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

II. Description of the Proposed Rule Change

ICE Clear Europe proposes to modify the Finance Procedures to allow Clearstream Banking to serve as a triparty collateral service provider for initial or original margin provided in respect of all product categories, including CDS Contracts. Clearstream Banking currently serves as a triparty collateral service provider solely for original margin provided in respect of F&O Contracts.

Specifically, paragraph 3.1 of the Finance Procedures will be revised to remove the existing restriction that Clearstream Banking may only act as a triparty collateral service provider with respect to Original Margin in respect of F&O Contracts. As a result of such

⁴ Securities Exchange Act Release No. 34-75320 (June 29, 2015), 80 FR 38488 (July 6, 2015) (File No. SR-ICEEU-2015-009).

change, Clearstream Banking would be permitted to act as a triparty collateral service provider for initial or original margin in respect of any product category, including the CDS product category. (The other currently authorized triparty collateral service provider, Euroclear Bank, is similarly eligible to act as such for any product category.) A correction would also be made in paragraph 3.20 to provide that the specified instruction deadlines apply to triparty collateral arrangements with both Euroclear Bank and Clearstream Banking.

III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act⁵ directs the Commission to approve a proposed rule change of a self-regulatory organization if the Commission finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such self-regulatory organization. Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions and assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible.

The Commission finds that the proposed rule change is consistent with section 17A of the Act⁷ and the rules thereunder applicable to ICE Clear Europe. The proposed rule change will provide Clearing Members with the option to use Clearstream Banking as a triparty collateral service provider with respect to initial and original margin for the CDS (and FX) product categories. According to ICE Clear Europe, the proposed rule change does not otherwise change the substantive terms of the service. Based on ICE Clear Europe's representation regarding its experience with Clearstream Banking as triparty collateral service provider with respect to original margin for the F&O product category, the use of Clearstream Banking can be appropriately extended to other product categories. As such, the Commission believes that the proposed rule change would allow ICE Clear Europe's Clearing Members to use an additional triparty collateral service provider that offers appropriate safeguarding of securities and funds

while maintaining ICE Clear Europe's ability to access initial margin when appropriate. The Commission therefore finds that the proposed rule change is designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions and to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, in accordance with section 17A(b)(3)(F) of the Act.⁸

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of section 17A of the Act⁹ and the rules and regulations thereunder.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹⁰ that the proposed rule change (File No. SR-ICEEU-2015-009) be, and hereby is, approved.¹¹

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²
