A contestant's eligibility for a prize award is contingent upon their fulfilling all requirements identified in this notice. Publication of this notice is not an obligation of funds on the part of DOE. DOE reserves the right to cancel, suspend, and/or modify this contest, in whole or in part, at any time prior to the award of prizes.

(8) *Resolution of Disputes:* The Department of Energy is solely responsible for administrative decisions, which are final and binding in all matters related to the contest. In the event of a dispute as to any registration, the authorized account holder of the email address used to register will be deemed to be the contestant. The "authorized account holder" is the natural person or legal entity assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address. Contestants and potential winner may be required to show proof of being the authorized account holder.

(9) *Intellectual Property Rights:*

(a) By submitting a design to this competition, you represent and warrant that you are the sole author and copyright owner of the submitted design; that the submission is your original work, and as the contestant, you have sufficient rights to use and authorize others, including DOE, to use the submission, as specified throughout the Official Rules, that the submission does not violate or infringe upon the copyright or upon any other third party rights of other parties, including but not limited to privacy, publicity, or intellectual property rights, or material that constitutes copyright or license infringement. Your design may not contain any material that is inappropriate, indecent, obscene, hateful, defamatory, or in any way disparaging. Your design cannot have been submitted previously in another promotion or contest of any kind.

(b) You understand and agree that if your entry is selected as the winning design, it may be modified or altered by DOE, in its sole discretion, as deemed appropriate or necessary to execute, produce, or distribute the winning design in its final logo format.

(c) The winning contestant will, in consideration of the prize to be awarded, grant to DOE an irrevocable, royalty-free, exclusive worldwide license to reproduce, distribute, copy,

display, create derivative works, and publicly post, link to, and share, the winning design or parts thereof, for the purpose of the design competition and for any official EV Everywhere or DOE purpose.

(10) *Publicity Rights:* Upon registration, each contestant consents to DOE's and its agents' use, in perpetuity, of its name, likeness, photograph, voice, opinions, and/or hometown and state information for promotional or informational purposes through any form of media, worldwide, without payment or consideration.

(11) *Liability and Insurance Requirements:*

(a) Any and all information provided by or obtained from the Federal Government is without any warranty or representation whatsoever, including but not limited to its suitability for any particular purpose.

(b) Upon registration, each contestant agrees to assume any and all risks of injury or loss in connection with or in any way arising from participation in this contest. Upon registration, except in the case of willful misconduct, all contestants agree to and, thereby, do waive and release any and all claims or causes of action against the Federal Government and its officers, employees and agents for any and all injury and damage of any nature whatsoever (whether existing or thereafter arising, whether direct, indirect, or consequential and whether foreseeable or not), arising from their participation in the contest, whether the claim or cause of action arises under contract or tort.

(c) Upon registration, you agree to and, thereby, shall indemnify and hold harmless the Federal government and its officers, employees and agents for any and all injury and damage of any nature whatsoever (whether existing or thereafter arising, whether direct, indirect, or consequential and whether foreseeable or not), arising from or related to competition activities.

(d) Contestants are required to demonstrate financial responsibility by certifying that they have \$500 to cover claims in the amount of \$500 or less, made by: (A) A third party for death, bodily injury, or property damage, or loss resulting from an activity carried out in connection with participation in the Logo competition; and (B) the Federal Government for damage or loss to Government property resulting from such an activity.

(12) *Record Retention and FOIA:* All materials submitted to DOE as part of a submission become DOE records and cannot be returned. Any confidential commercial information contained in a

[Project No. 14657-000]

Appalachian Mountain Club; Notice of Availability of Environmental Assessment

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47879, December 17, 1987), the Office of Energy Projects has reviewed the application for the Zealand Falls Hydroelectric Project, located on the on Whitewall Brook, in the Town of Bethlehem, Grafton County, New Hampshire and has prepared an Environmental Assessment (EA) for the project. The project occupies 0.66 acres of federal land managed by the U.S. Forest Service.

The EA contains the staff's analysis of the potential environmental impacts of the project and concludes that licensing the project, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

A copy of the EA is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link.
