If CBP determines that a suspension is warranted, CBP will notify the participant of this decision, the facts or conduct warranting suspension, and the date when the suspension will be effective. In the case of willful misconduct, or where public health interests or safety are concerned, the suspension may be effective immediately. This decision may be appealed in writing to the Assistant Commissioner, Office of Field Operations, within 15 days of notification. The appeal should address the facts or conduct charges contained in the notice and state how the participant has or will achieve compliance. CBP will notify the participant within 30 days of receipt of an appeal whether the appeal is granted. If the participant has already been suspended, CBP will notify the participant when their participation in the test will be reinstated.
