

studies looking at how attitudes and beliefs about immunizations change over time. Finally, the Committee will be provided with information on local and federal efforts to help increase vaccine confidence in communities. More information on the meeting agenda will be posted prior to the meeting on the NVAC Web site: <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>.

Public attendance at the meeting is limited to the available space. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the National Vaccine Program Office at the address/phone listed above at least one week prior to the meeting. For those unable to attend in person, a live webcast will be available. More information on registration and accessing the webcast can be found at <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>.

Members of the public will have the opportunity to provide comments at the NVAC meeting during the public comment periods designated on the agenda. Public comments made during the meeting will be limited to three minutes per person to ensure time is allotted for all those wishing to speak. Individuals are also welcome to submit their written comments. Written comments should not exceed three pages in length. Individuals submitting written comments should email their comments to the National Vaccine Program Office (nvpo@hhs.gov) at least five business days prior to the meeting.

Dated: August 17, 2015.

Jennifer L. Gordon,

*Alternate Designated Federal Official,
National Vaccine Advisory Committee,
National Vaccine Program Office.*

National Institute of Diabetes and Digestive and Kidney Diseases Notice of Closed Meetings

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meetings.

The meetings will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and

the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel; Small Grants for New Investigators.

Date: September 8, 2015.

Time: 12:00 p.m. to 4:00 p.m.

Agenda: To review and evaluate grant applications.

Contact Person: National Institutes of Health, Two Democracy Plaza, 6707 Democracy Boulevard, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Elena Sanovich, Ph.D., Scientific Review Officer, Review Branch, DEA, NIDDK, National Institutes of Health, Room 750, 6707 Democracy Boulevard, Bethesda, MD 20892-2542, 301-594-8886, sanovich@mail.nih.gov.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel; PAR-14-301: NIDDK Central Repositories Non-renewable Sample Access (X01)-Biomarkers for T1D.

Date: September 21, 2015.

Time: 2:00 p.m. to 4:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Two Democracy Plaza, 6707 Democracy Boulevard, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Najma Begum, Ph.D., Scientific Review Officer, Review Branch, DEA, NIDDK, National Institutes of Health, Room 749, 6707 Democracy Boulevard, Bethesda, MD 20892-5452, (301) 594-8894, begunn@nidk.nih.gov.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel; PAR-15-067: NIDDK Multi-Center Clinical Study (U01).

Date: October 6, 2015.

Time: 3:00 p.m. to 5:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Two Democracy Plaza, 6707 Democracy Boulevard, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Dianne Camp, Ph.D., Scientific Review Officer, Review Branch, DEA, NIDDK, National Institutes of Health, Room 756, 6707 Democracy Boulevard, Bethesda, MD 20892-2542, 301-594-7682, campd@extra.nidk.nih.gov.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel; Nutrition Obesity Research Centers.

Date: November 18, 2015.

Time: 8:00 a.m. to 6:00 p.m.

Agenda: To review and evaluate grant applications.

Place: Melrose Hotel, 2430 Pennsylvania Ave. NW., Washington, DC 20037.

Contact Person: Thomas A. Tatham, Ph.D., Scientific Review Officer, Review Branch,

DEA, NIDDK, National Institutes of Health, Room 760, 6707 Democracy Boulevard, Bethesda, MD 20892-5452, (301) 594-3993, tatham@mail.nih.gov.

National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel; PAR-13-074: Small R03 Grants for New Investigators.

Date: November 19, 2015.

Time: 11:00 a.m. to 2:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Two Democracy Plaza, 6707 Democracy Boulevard, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Jian Yang, Ph.D., Scientific Review Officer, Review Branch, DEA, NIDDK, National Institutes of Health, Room 755, 6707 Democracy Boulevard, Bethesda, MD 20892-5452, (301) 594-7799, yangj@extra.nidk.nih.gov.

Submission for OMB Review; 30-Day Comment Request; Surveys To Support an Evaluation of the National Human Genome Research Institute (NHGRI) Summer Workshop in Genomics (Short Course)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on March 17, 2015, Vol. 80, Page 13845 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Human Genome Research Institute (NHGRI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1,

1995, unless it displays a currently valid OMB control number.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, *OIRA_submission@omb.eop.gov* or by fax to 202-395-6974, Attention: NIH Desk Officer.

Comment Due Date: Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments or request more information on the proposed project contact: Carla L. Easter, Ph.D., Chief, Education and Community Involvement Branch, NHGRI, Building 31, Room B1B55, 31 Center Drive, MSC 2070, Bethesda, MD 20892 or call non-toll-free number (301) 594-1364 or Email your request, including your address to: *easterc@mail.nih.gov*. Formal requests for additional plans and instruments must be requested in writing.

Proposed Collection: Surveys to Support the National Human Genome Research Institute (NHGRI) Summer Workshop in Genomics (Short Course).

Need and Use of Information Collection: The purpose of the proposed

data collection activity is to complete a full-scale outcome evaluation of NHGRI's Summer Workshop in Genomics (a.k.a., the "Short Course") focusing on program participants between 2004 and 2012. This training program is an intensive multi-day course that updates instructors and researchers of biology and nursing (and other related disciplines) on the latest research trends and topics in genomic science. The course focuses on the continuing effort to find the genetic basis of various diseases and disorders, and current topics on the ethical, legal and social implications of genomics.

The Education and Community Involvement Branch (ECIB) designed the program to accomplish the following goals, which align with elements of both the NIH and NHGRI missions:

- Expand NIH and NHGRI's professional network to reach out to diverse communities, and to create new partnership opportunities.
- Prepare the next generation of genomics professionals for an era of genomic medicine.
- Train and diversify the pipeline of genome professionals in alignment with the NIH and US Department of Health and Human Services diversity efforts.

The ECIB has collected informal course evaluations from active participants immediately upon course completion since inception of the Short Course in 2003, and then used the data

to tweak the program, but it has not conducted a long-term, cumulative and substantive outcome evaluation. NHGRI and the ECIB propose to conduct such an outcome evaluation, focusing on three main objectives:

- (1) To understand the degree of genetic and genomic curriculum integration by faculty participants;
- (2) To explore the barriers and supports faculty experience and changes when integrating curriculum; and
- (3) To investigate the influence of the program on the participants' career path.

Survey findings will provide valuable information about the various methods and pathways instructors use to disseminate new knowledge (and the associated timelines), the barriers and supports experienced by faculty as they integrate new knowledge into their teaching, and insights about additional avenues of support that NHGRI could provide teaching faculty from the types of institutions identified. Key indicators will also provide evidence about the degree to which the Short Course is meeting its goals. Collectively, the outcome evaluation will inform future program design and budget allocations.

OMB approval is requested for 2 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 155.

ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Type of respondents	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total annual burden hours
Short Course Survey	Students and Faculty	310	1	30/60	155
Totals	310	155

Dated: August 11, 2015.
Gloria Butler,
NHGRI Project Clearance Liaison, National Institutes of Health.
