

Description of Respondents: Potential respondents comprise OCS Federal oil, gas, or sulphur lessees and/or operators.
Estimated Reporting and Recordkeeping Hour Burden: The estimated annual hour burden for this

information collection is a total of 1 hour. The following chart details the individual components and estimated hour burdens. In calculating the burdens, we assumed that respondents

perform certain requirements in the normal course of their activities. We consider these to be usual and customary and took that into account in estimating the burden.

BURDEN TABLE

NTL-GPS for MODUs Gulf of Mexico OCS Region	Hour burden	Average number of annual responses	Annual burden hours
	Non-Hour Cost Burdens		
1—Notify BSEE with tracking/locator data access and supporting information; notify BSEE Hurricane Response Team as soon as operator is aware a rig has moved off location.	15 mins	1 rig*	1 hour (rounded).
	15 mins	1 notification.*	
2—Purchase and install tracking/locator devices—(these are replacement GPS devices or new rigs).	20 devices per year for replacement and/or new × \$325.00 = \$6,500.		
3—Pay monthly tracking fee for GPS devices already placed on MODUs/rig.	40 rigs at \$50/month = \$600/year = \$24,000.		
4—Rent GPS devices and pay monthly tracking fee per rig.	40 rigs @\$1,800 per year = \$72,000.		
Total Burden	102 Responses	1 Hour.
	\$102,500 non-hour cost burden.		

Estimated Reporting and Recordkeeping Non-Hour Cost Burden: Under this collection, the lessees and operators have already installed the GPS systems; therefore, we estimate a non-hour cost burden of \$102,500 which consists of:

- Replacing/repairing locator devices and/or adding devices for new MODUs added to the group;
- paying monthly rental fees for GPS tracking purposes only, or
- paying rental fees for the GPS devices themselves as well as associated tracking information.

We have not identified any other non-hour cost burdens associated with this collection of information. See burden table for a breakdown of the burdens.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

Comments: Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501, *et seq.*) requires each agency “. . . to provide notice . . . and otherwise consult with members of the public and affected agencies concerning each proposed collection of information . . .” Agencies must specifically solicit comments to: (a) Evaluate whether the collection is necessary or useful; (b) evaluate the

accuracy of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of technology.

To comply with the public consultation process, on May 22, 2015, we published a **Federal Register** notice (80 FR 29743) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. In addition, § 250.199 provides the OMB Control Numbers for the information collection requirements imposed by the 30 CFR 250 regulations. The regulations also inform the public that they may comment at any time on a collection of information and provide the address to which they should send comments. The required PRA public disclosure and comment statement is displayed on the NTL. We received no comments in response to the **Federal Register** notice or unsolicited comments.

Public Availability of Comments: Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment

to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
