Combined Notice of Filings #1

Take notice that the Commission received the following electric rate filings:

4 Only 50% of records are retained in electronic formats.
5 The Commission bases the $28/hour figure on a FERC staff study that included estimating public utility recordkeeping costs.
6 The Commission bases the estimated $15.25/year for each entity on the estimated cost to service and to store 1 GB of data (based on the aggregated cost of an IBM advanced data protection server).
