The following is a brief overview of the request:

The Arizona State Land Department, Phoenix, Maricopa County, Arizona requested a release from the conditions contained in the Surplus Property Deed for approximately 2.99 acres of airport land. The property is located on the southern and northern sides of the former airfield, on the north side of Yuma Road and the south of Van Buren Street. The land is presently unused and undeveloped. The land is needed for roadway improvements by the City of Buckeye. The Arizona State Land Department agrees to the sale of the land to the City of Buckeye since the property is not needed or being used for airport purposes. The project will aid traffic flow for the City of Buckeye. The sale price will be based on its appraised market value and the sale proceeds will be used for airport purposes by the State. The use of the property for a public roadway will not affect the remainder of the airfield property. The

State will be properly compensated, thereby serving the interests of civil aviation.
