will provide a platform for leading U.S.
institutional investors, such as state
pension and teacher retirement funds,
and African government officials to
discuss and implement best practices
for reducing governance risk,
strengthening capital markets and
increasing long-term investment flows.
At the same time, the program will help
U.S. financial institutions and exporters
to learn about and how to pursue
opportunities to participate in large-
scale business opportunities arising
from transformational infrastructure
projects in Africa. The goal of the
Roadshow is to bring a new level of
transparency and flexible private sector
funding while providing private sector
tools to improve the investment climate
to allow more U.S. companies to close
business deals.

The Roadshow is an initiative
developed by the U.S. Department of
Commerce in response to the need
expressed by African leaders and the
U.S. private sector for increased access
to long-term private capital to fund large
scale infrastructure projects in Africa. It
is a direct follow-up to the 2014 U.S.-
Africa Business Forum and an official
recommendation made by the
President’s Advisory Council on Doing
Business in Africa. For more
information on the Roadshow concept,
please see the official recommendations
made by the President’s Advisory
Council on Doing Business in Africa:
http://www.trade.gov/pac-dbia/docs/
PAC-DBIA-Report_Final.pdf. The
inaugural launch in New York, New
York will be the first event in a series
of high-level engagements that are
expected to be scheduled to take place
across the continent of Africa. The
Global Market’s Office of Europe,
Middle East and Africa has entered into
a joint project with McKinsey and
Company to organize and hold the
launch event. The launch event will
comprise of approximately 20–25
individuals consisting of U.S.
Government officials, government
officials from African countries
(expected to include at least some
government Ministers and one or more
heads of state), and representatives of
U.S. institutional investors. The
program will include keynote speeches,
panels, and other presentations by
attendees from both government and
business. The program will include an
overview of the financial business
climate, a discussion of some of the
leading proposed African infrastructure
projects, and roundtable discussions on
reactions to the proposed projects
(including how to structure projects to
attract foreign investment and factors

that the U.S. private sector looks for and
considers when assessing whether to
invest). Public Participation: U.S.
institutional investors or U.S. investment
fund managers that represent U.S.
institutional investors (state pension
and teacher retirement funds), are
eligible to apply for participation. Please
note that space is limited at the launch
event and applying does not guarantee
participation. All applicants will be
evaluated based on their ability to meet
certain conditions and best satisfy the
selection criteria as outlined below. Due
to space limitations, participation is
limited to no more than two
representatives of each participating
U.S. institutional investor or U.S.
investment fund managers that
represent U.S. institutional investors. If
you are interested in being considered
as a participant for the September 29,
2015 launch event, you must apply by
sending an email to the address below
by September 18th, 2015. The email
must include the name of the proposed
participant(s), title(s), company name,
business contact information, a brief bio
of the proposed participant(s), and a
description of the company’s interest in the
event (including any relevant past,
on-going, or planned investments or
intent to invest in infrastructure and/or
in Africa). Investment fund managers
also must certify that they represent
U.S. institutional investors. Do not
include any business confidential or
proprietary information in the request.
Requests to participate in the launch
event will be evaluated by the
Department of Commerce and McKinsey
and Company based on (1) level of
institutional interest, knowledge of, or
experience investing in infrastructure
projects and/or in Africa, (2) experience
and ability of the proposed participant
to engage in a substantive discussion of
factors influencing U.S. institutional
investment decisions in the
infrastructure sector in African markets,
and (3) level of proposed participant
within the company to be represented.
Decisions will be made without regard
to political considerations; referrals
from political organizations and any
documents containing references to
partisan political activities (including
political contributions) will be removed from
an applicant’s submission and not
decided during the selection process.

Floor-Standing, Metal-Top Ironing
Tables and Certain Parts Thereof From
the People’s Republic of China: Final
Results of the Expedited Sunset
Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance,
International Trade Administration,
Department of Commerce.

DATES: Effective Date: September 3,
2015.

SUMMARY: On May 1, 2015, the
Department initiated the second sunset
review of the Order on Floor-Standing,
Metal-Top Ironing Tables and Certain
Parts Thereof (ironing tables) from the
People’s Republic of China (PRC)
pursuant to section 751(c) of the Tariff
Act of 1930, as amended (the Act). The
Department determined that it was
appropriate to conduct an expedited
review. The Department finds that
revocation of this antidumping duty
order would be likely to lead to
continuation or recurrence of dumping
up to the rate identified in the “Final
Results of Review” section of this
notice.

SUPPLEMENTARY INFORMATION:

Background

The antidumping duty order on
ironing tables from the PRC was
published on August 6, 2004.2 The
sunset review on the antidumping duty
order on ironing tables from the PRC
was initiated by the Department on May
1, 2015 pursuant to section 751(c) of the
Act.3

1 See Initiation of Five-year (“Sunset”) Review, 80
FR 24900 (May 1, 2015) (Sunset Initiation).

2 See Notice of Amended Final Determination at
Less Than Fair Value and Antidumping Duty Order:
Floor-Standing, Metal Top Ironing Tables and
Certain Parts Thereof From the People’s Republic of
China, 69 FR 47808 (August 6, 2004).

3 See Sunset Initiation.
The Department received a notice of intent to participate from Home Products International, Inc. (Petitioner), within the deadline specified in 19 CFR 351.218(d)(1)(i). Petitioners are manufacturers of a domestic like product in the United States and, accordingly, are domestic interested parties pursuant to section 771(9)(C) of the Act.

On May 27, 2015, the Department received an adequate substantive response to the notice of initiation from Petitioners within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive any responses from the respondent interested parties, i.e., ironing tables producers or exporters from the PRC. On the basis of the notice of intent to participate and adequate substantive response filed by Petitioners and the inadequate response from any respondent interested party, the Department decided to conduct an expedited sunset review of this order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C).

Scope of the Order

The merchandise subject to the order consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. They are typically imported under heading 9403.20.0011 of the Harmonized Tariff Schedule of the United States (HTSUS), with the subject metal top and leg components being imported under heading 9403.90.8040. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description is dispositive. A full description of the scope of the order is contained in the “Issues and Decision Memorandum for Final Results of Expedited Second Sunset Review of Antidumping Duty Order on Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People’s Republic of China,” (Decision Memorandum) dated concurrently with and hereby adopted by this notice.

Analysis of Comments Received

The issues discussed in the Decision Memorandum are the likelihood of continuation or recurrence of dumping, and the magnitude of the margins of dumping likely to prevail if the order was revoked. The analysis addresses the impact of the Final Modification for Reviews 4 on this review. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in the Decision Memorandum, which is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and is available to all parties in the Central Records Unit in room B8024 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Internet at http://trade.gov/enforcement/. The signed Decision Memorandum and electronic versions of the Decision Memorandum are identical in content.

Final Results of Sunset Review

Pursuant to sections 752(c)(1) and (3) of the Act, we determine that revocation of the antidumping order of ironing tables from the PRC would be likely to lead to continuation or recurrence of dumping at weighted-average margins up to 157.68 percent.

Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

The Department is issuing and publishing these final results and notice in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act and 19 CFR 351.218.

Dated: August 27, 2015,

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.
