Public Notice for Waiver of Aeronautical Land-Use Assurance

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent of waiver with respect to property at Akron Fulton International Airport, Akron, OH.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change approximately 7.9510 acres of airport land from aeronautical use to non-aeronautical use and to authorize the sale of airport property at Akron Fulton International Airport, Akron, OH.

The property is located at 1353 Exeter Road. The aforementioned land is surplus airport property and is not needed for aeronautical use. The land is currently developed and leased for light industrial purposes. Upon release the land will be sold at fair market value to a business the currently leasing the property.

DATES: Comments must be received on or before October 5, 2015.

ADDRESSES: Documents are available for review by appointment at the FAA Airports District Office, Alex Erskine,
The FAA proposes to rule and invites public comment for the request by Clinton County for FAA approval of a Land Release from Federal obligations of the site formerly known as Clinton County Airport, Plattsburgh, NY.

AUGMENTED INFORMATION: The FAA invites public comment for the request by Clinton County for FAA approval of a Land Release from Federal obligations of the site formerly known as Clinton County Airport under the provisions of 49 U.S.C. 47125(a). Based on a full review, the FAA determined that this request met the procedural requirements. The following is a brief overview of the request:

The total 615 acre site formerly known as Clinton County Airport in Plattsburgh, NY was decommissioned and closed by the owner, and all operations and assets were subsequently transferred to Plattsburgh International Airport. Clinton County, owner of the site, determined that the airport was no longer needed for airport purposes and
