DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

Proposed Agency Information Collection Extension

AGENCY: Office of Energy Efficiency and Renewable Energy, U.S. Department of Energy (DOE).

ACTION: Notice and request for comments.

SUMMARY: The Department of Energy pursuant to the Paperwork Reduction Act of 1995, intends to extend for three years an information collection request with the Office of Management and Budget. Comments are invited on: (a) Whether the extended collection of information is necessary for the proper performance of the functions of DOE, including whether the information shall have practical utility; (b) the accuracy of DOE's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments regarding this proposed information collection must be received on or before November 9, 2015. If you anticipate difficulty in submitting comments within that period, contact the person listed below as soon as possible.

ADDRESSES: Written comments should be sent to: Desk Officer for the Department of Energy, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10102, 735 17th Street NW., Washington, DC 20503. And to Mr. Dennis Smith, Office of Energy Efficiency and Renewable Energy (EE-3V), U.S. Department of Energy, 1000 Independence Avenue SW., Washington, DC 20585-0121, or by fax at 202-586-1600, or by email at Dennis.Smith@ee.doe.gov.

FOR FURTHER INFORMATION CONTACT: Mr. Dennis Smith at the address listed above in **ADDRESSES**.

SUPPLEMENTARY INFORMATION: DOE is proposing to extend an information collection pursuant to the Paperwork Reduction Act of 1995. The approved collection is being used for two Clean Cities programmatic efforts. The first is related to a scorecard that assists DOE's Clean Cities coalitions and stakeholders in assessing the level of readiness of their communities for plug-in electric vehicles (PEV). The second effort is intended to develop information that enables DOE to measure the impact and progress of DOE's National Clean Fleets Partnership (Partnership). DOE is not proposing to expand the scope of these information collection efforts.

This information collection request contains: (1) OMB No. 1910-5171; (2) Information Collection Request Title: Clean Cities Vehicle Programs; (3) Type of Review: Renewal; (4) Purpose: DOE's Clean Cities initiative has developed two voluntary mechanisms by which communities and certain fleets can get a better understanding of their readiness to deploy alternative fuel vehicles and their progress in doing so. The voluntary PEV Scorecard is intended to assist its coalitions and stakeholders in assessing the level of readiness of their communities for plug-in electric vehicles. The principal objective of the scorecard is to provide respondents with an objective assessment and estimate of their respective community's readiness for PEV deployment as well as understand the respective community's commitment to deploying these vehicles successfully. DOE intends the scorecard to be completed by a city/county/regional sustainability or energy coordinator. As the intended respondent may not be aware of every aspect of
