Order Granting Greenbacker Renewable Energy Company LLC a Limited Exemption

September 1, 2015.

By letter dated September 1, 2015 (the "Letter"), as supplemented by conversations with the staff of the Division of Trading and Markets, counsel for Greenbacker Renewable Energy Company LLC (the "Company") requested that the Commission grant an exemption from Rule 102(a) of Regulation M to permit the Company to effect repurchases of shares of its common stock pursuant to its proposed share repurchase program (the "Repurchase Program").

As a consequence of the continuous offering of the Company's shares, the Company will be engaged in a distribution of shares of its common stock pursuant to Rule 102 of Regulation M. As a result, bids for or purchases of shares of its common stock or any reference security by the Company or any affiliated purchaser of the Company are prohibited during the restricted period specified in Rule 102, unless specifically excepted by or exempted from Rule 102.

Based on the representations and facts presented in its Letter, we find that it is appropriate in the public interest and consistent with the protection of investors to grant a conditional exemption from Rule 102 of Regulation M to permit the Company to repurchase shares of its common stock under its Repurchase Program while the Company is engaged in a distribution of shares of its common stock. In granting this exemption, we considered the following representations and facts, among others:

- There is no trading market for the Company's common stock;
- The Company will terminate its Repurchase Program in the event a secondary market for its common stock develops;
