#### Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties are addressed in the Issues and Decision Memorandum.<sup>4</sup> A list of the issues which parties raised is attached to this notice as an Appendix.

#### Bona Fide Analysis

For the *Preliminary Rescission*, the Department analyzed the *bona fides* of DMEGC’s single sale and preliminarily found it to be a non-*bona fide* sale.<sup>5</sup> Based on the Department’s complete analysis of all of the information and comments on the record of this review, the Department continues to find DMEGC’s sale to be a non-*bona fide* sale. The Department reached this conclusion based on the totality of circumstances, namely: (a) The atypical nature of the price and sale quantity; (b) DMEGC’s failure to demonstrate that its first unaffiliated customer resold the merchandise at a profit; (c) the timing of the sale; and (d) issues concerning payment.<sup>6</sup> For a complete discussion, see the Issues and Decision Memorandum.<sup>7</sup>

#### Rescission of New Shipper Review

For the foregoing reasons, the Department finds that DMEGC’s sale is a non-*bona fide* sale and that this sale does not provide a reasonable or reliable basis for calculating a dumping margin. Because this non-*bona fide* sale was DMEGC’s only sale of subject

merchandise during the POR, the Department is rescinding this NSR.

#### Assessment

As the Department is rescinding this NSR, we have not calculated a company-specific dumping margin for DMEGC. DMEGC remains part of the PRC-wide entity and, accordingly, its entries will be assessed at the PRC-wide rate.

#### Cash Deposit Requirements

Effective upon publication of this notice of final rescission of the NSR of DMEGC, the Department will instruct U.S. Customs and Border Protection to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise from DMEGC. Because we did not calculate a dumping margin for DMEGC or grant DMEGC a separate rate in this review, DMEGC continues to be part of the PRC-wide entity. The cash deposit rate for the PRC-wide entity is 238.95 percent. These cash deposit requirements shall remain in effect until further notice.

#### Administrative Protective Order

This notice also serves as a reminder to parties subject to Administrative Protective Order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in these segments of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.214.

Dated: September 4, 2015.
