DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
[Docket No. FR–5871–N–02]
Notice of Regulatory Waiver Requests Granted for the Second Quarter of Calendar Year 2015
AGENCY: Office of the General Counsel, HUD.
ACTION: Notice.
SUMMARY: Section 106 of the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act) requires HUD to publish quarterly Federal Register notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous Federal Register notice. The purpose of this notice is to comply with the requirements of section 106 of the HUD Reform Act. This notice contains a list of regulatory waivers granted by HUD during the period beginning on April 1, 2015, and ending on June 30, 2015.
FOR FURTHER INFORMATION CONTACT: For general information about this notice,
contact Camille E. Acevedo, Associate General Counsel for Legislation and Regulations, Department of Housing and Urban Development, 451 Seventh Street SW., Room 10282, Washington, DC 20410–0500, telephone 202–708–1793 (this is not a toll-free number). Persons with hearing- or speech-impairments may access this number through TTY by calling the toll-free Federal Relay Service at 800–877–8339.

For information concerning a particular waiver that was granted and for which public notice is provided in this document, contact the person whose name and address follow the description of the waiver granted in the accompanying list of waivers that have been granted in the second quarter of calendar year 2015.

SUPPLEMENTARY INFORMATION: Section 106 of the HUD Reform Act added a new section 7(q) to the Department of Housing and Urban Development Act (42 U.S.C. 3535(q)), which provides that:

1. Any waiver of a regulation must be in writing and must specify the grounds for approving the waiver;
2. Authority to approve a waiver of a regulation may be delegated by the Secretary only to an individual of Assistant Secretary or equivalent rank, and the person to whom authority to waive is delegated must also have authority to issue the particular regulation to be waived;
3. Not less than quarterly, the Secretary must notify the public of all waivers of regulations that HUD has approved, by publishing a notice in the Federal Register. These notices (each covering the period since the most recent previous notification) shall:
   a. Identify the project, activity, or undertaking involved;
   b. Describe the nature of the provision waived and the designation of the provision;
   c. Indicate the name and title of the person who granted the waiver request;
   d. Describe briefly the grounds for approval of the request; and
   e. State how additional information about a particular waiver may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions that are not relevant to the purpose of this notice. This notice follows procedures provided in HUD’s Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337). In accordance with those procedures and with the requirements of section 106 of the HUD Reform Act, waivers of regulations are granted by the Assistant Secretary with jurisdiction over the regulations for which a waiver was requested. In those cases in which a General Deputy Assistant Secretary granted the waiver, the General Deputy Assistant Secretary was serving in the absence of the Assistant Secretary in accordance with the office’s Order of Succession.

This notice covers waivers of regulations granted by HUD from April 1, 2015 through June 30, 2015. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Fair Housing and Equal Opportunity, the Office of Housing, and the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver of a provision in 24 CFR part 58 would be listed before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived. For example, a waiver of both § 58.73 and § 58.74 would appear sequentially in the listing under § 58.73.

Waiver of regulations that involve the same initial regulatory citation are in time sequence beginning with the earliest-dated regulatory waiver.

Should HUD receive additional information about waivers granted during the period covered by this report (the second quarter of calendar year 2015) before the next report is published (the third quarter of calendar year 2015), HUD will include any additional waivers granted for the second quarter in the next report.

Accordingly, information about approved waiver requests pertaining to HUD regulations is provided in the Appendix that follows this notice.

Dated: September 14, 2015.

Helen R. Kanovsky,
General Counsel.

The regulatory waivers granted appear in the following order:

I. Regulatory waivers granted by the Office of Community Planning and Development

I. Regulatory Waivers Granted by the Office of Community Planning and Development

For further information about the following regulatory waivers, please see the name of the contact person that immediately follows the description of the waiver granted.

- Regulation: 24 CFR 92.214(a)(b).
  Project/Activity: Chester County, PA, Department of Community Development requested a waiver of § 92.214(a)(6) to invest up to $190,000 of HOME Investment Partnerships (HOME) program funds to purchase a previously assisted 4-unit rental housing project assisted under the HOME program that was in mortgage foreclosure.

- Nature of Requirement: The regulation at 24 CFR 92.214(a)(6) prohibits assistance to a project previously assisted with HOME funds during the period of affordability established by the participating jurisdiction in the written agreement under 24 CFR 92.504.

- Granted By: Clifford Taffet, General Deputy Assistant Secretary for Community Planning and Development.

Date Granted: April 6, 2015.

Reason Waived: The waiver was granted to permit the County to invest additional HOME funds in the HOME-assisted project during the period of affordability in order to preserve the units as affordable housing. The initial and new investment of HOME funds was within the applicable maximum per-unit subsidy limits, and the HOME period of affordability was extended for an additional ten years.

Contact: Virginia Sardone, Director, Office of Affordable Housing Programs, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7164, Washington, DC 20410, telephone (202) 766–2684.

- Regulation: 24 CFR 570.513(b)(2) and (b)(9).
  Project/Activity: The City of Detroit, MI requested a waiver of 24 CFR 570.513(b)(2) and (b)(9) to facilitate the funding of its Home Repair Program, a local housing rehabilitation program. The City planned to fund its program through a lump sum drawdown and arranged for its subrecipient Local Initiative Support Coalition (LISC) to administer the program. LISC arranged for two separate private financial institutions to provide required consideration for the deposit of funds rather than one institution as contemplated by CDBG program regulations. The first institution, Bank of America, agreed to provide LISC with $4 million in funding for the program but declined to be a party to a lump sum drawdown agreement as required under 24
CFR 570.513(b)(2). The second institution, JP Morgan Chase (Chase), agreed to serve as LISC’s depository institution, and agreed to be a party to a lump sum agreement and provide the appropriate benefits required under 24 CFR 570.513(b)(9) in support of the program. The City requested a waiver of 24 CFR 570.513(b)(2) and (b)(9) to allow the City to enter into an agreement with LISC and Chase to the extent necessary to allow two separate financial institutions to provide the appropriate benefits in support of the city’s local housing rehabilitation program.

Nature of Requirement: The regulation at 24 CFR 570.513(b)(2) requires financial institutions that provide financing for a lump sum fund to execute a written lump sum agreement and specify the obligations and responsibilities of the parties, the terms and conditions on which Community Development Block Grant (CDBG) funds are to be deposited and used or returned, the anticipated level of rehabilitation activities by the financial institution, the rate of interest, and the interest to be provided by the financial institution in return for the lump sum deposit, and such other terms as are necessary for compliance with the provisions of this section. The regulation at 24 CFR 570.513(b)(9) requires the private financial institution in which the funds are deposited to provide other benefits in addition to the payment of interest. These benefits may include the leveraging of the deposited funds, the commitment of private funds at below market interest rates, or the provision of administrative services in support of the rehabilitation program.

Granted By: Harriet Tregoning, Principal Deputy Assistant Secretary for Community Planning and Development.

Date Granted: May 18, 2015.

Reason Waived: Granting the waiver of 24 CFR 570.513(b)(2) and (b)(9) allowed the City of Detroit to enter into an agreement with LISC and Chase to the extent necessary to allow two separate financial institutions to provide the appropriate benefits in support of the city’s local housing rehabilitation program. By granting these waivers, the program could be fully implemented bringing needed investment to the City.

Contact: Steve Johnson, Director of Entitlement Communities Division, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7282, Washington, DC 20410, telephone (202) 402–4548.

• Regulation: 24 CFR 570.503(b)(7).
  Project/Activity: The County of San Luis Obispo, CA, requested a waiver to allow its subrecipient, the Food Bank Coalition of San Luis Obispo County, to sell a CDBG-funded food bank in Paso Robles and relocate the food bank’s operations to a new larger and more efficient facility that will be constructed in part with the proceeds of the sale. The use of the facility will meet the same national objective as the existing site and will serve a greater number of people in the County.

Nature of Requirement: The regulation at 24 CFR 570.503(b)(7) states that a property acquired by a subrecipient with CDBG funds must be used to meet one of the national objectives in 24 CFR 570.208 until five years after the expiration of the subrecipient agreement. If the property is not used to meet a national objective, the subrecipient must reimburse the county an amount equal to the prorated share of the current fair market value of the property.

Granted By: Harriet Tregoning, Principal Deputy Assistant Secretary for Community Planning and Development.

Date Granted: June 3, 2015.

Reason Waived: This waiver allowed the Food Bank Coalition of San Luis Obispo County to move the food bank from Paso Robles to a new larger and more efficient location that will serve a larger CDBG-eligible population. Rather than reimburse the CDBG program, the Food Bank Coalition will sell the existing Paso Robles site and use the proceeds to help pay for the new facility. A waiver of 24 CFR 570.503(b)(7) was required to allow the Food Bank Coalition to use the proceeds to construct the new facility rather than reimburse the County, and to effect the transfer of the CDBG funds. The CDBG investment and program requirements will be transferred to the new facility and the use of the new facility will meet the same national objective as the use of the existing site.

Contact: Steve Johnson, Director of Entitlement Communities Division, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7282, Washington, DC 20410, telephone (202) 402–4548.

II. Regulatory Waivers Granted by the Office of Government National Mortgage Association (Ginnie Mae)

For further information about the following regulatory waivers, please see the name of the contact person that immediately follows the description of the waiver granted.

  Project/Activity: Amherst Pierpont Securities LLC (APS) eligibility for approval as a Sponsor of Ginnie Mae guaranteed structured securities.

Nature of Requirement: The regulation at 24 CFR 330.20(a)(2)(i)(ID) establishes certain eligibility requirements for an entity applying for approval as a Ginnie Mae Sponsor. An applicant must submit an audited financial statement, which must be issued within the preceding 12 month period that demonstrates compliance with the minimum required amount of shareholders’ equity or partners’ capital in accordance with Ginnie Mae guidelines.

Granted By: Theodore W. Tozer, President, Ginnie Mae.

Date Granted: June 30, 2015.

Reason Waived: On October 10, 2014 Pierpont Securities LLC (Pierpont Securities) acquired 100% of Amherst ASG Holdings, LLC (Amherst Securities Group) through an exchange of stock in its company’s equity units. Since the acquisition occurred after September 30, 2014, the next audited financial statement will be on the fiscal year that ends later in 2015. The timing of the merger is a special circumstance for APS. Therefore, Ginnie Mae found good cause existed to issue a one-time waiver of the requirement for an applicant for approval as a sponsor to submit an audited financial statement issued within the preceding 12 month period.

III. Regulatory Waivers Granted by the Office of Housing—Federal Housing Administration (FHA)

For further information about the following regulatory waivers, please see the name of the contact person that immediately follows the description of the waiver granted.

HSS main facilities are located in New York City, New York, with other physician offices, rehabilitation and outpatient centers located in Long Island and Upstate New York, Connecticut, New Jersey, and Florida.

Granted By: Edward L. Golding, Principal Deputy Assistant Secretary for Housing.

Date Granted: May 18, 2015.

Reason Waived: The Hospital does not meet all of the applicable building codes, because it does not have a Permanent Certificate of Occupancy (PCO) for the building, but has a Temporary Certificate of Occupancy. HSS will be able to move to Final Endorsement, enabling the completion of their expansion plan, which includes adding two new inpatient nursing units, expanded pharmacy and pediatric rehabilitation departments and three additional inpatient operating rooms.

  Project/Activity: An extension of the waiver of Minimum Property Standards (MPS) regulations pertains to a water supply systems was requested to permit FHA insurance of mortgages secured by properties located in certain areas of the State of Alaska that rely upon water holding tanks and similar alternative water supply systems.

Nature of Requirement: FHA’s MPS regulations governing new construction for
single family dwellings provide that to be eligible for FHA insurance, each living unit within newly constructed single family residential property should be capable of delivering a flow of five gallons per minute over a four hour period in order to provide a continuing and sufficient supply of safe water under adequate pressure and appropriate quality for household use. Under these regulatory requirements, water holding tanks, cisterns and similar alternative water supply systems are not considered under FHA requirements as acceptable water supply systems.

Granted By: Edward Golding, Principal Deputy Assistant Secretary for Housing.

Granted By: Edward L. Golding, Principal Deputy Assistant Secretary for Housing.

Date Granted: June 25, 2015.

Reason Waived: The owner requested and was granted waiver of the requirement to defer repayment of the Flexible Subsidy Operating Assistance Loan to allow the much needed preservation and moderate rehabilitation of the project. Nature of Requirement: The regulation at 24 CFR 266.200(b)(2) defines substantial rehabilitation. The following changes to the definition were temporarily made for both Level I and II Housing Finance Agencies: Work that exceeds either: (a) $15,000 times the high cost factor, a "as adjusted by HUD for inflation", or (b) replacement of two or more building systems. ‘Replacement’ is when cost of replacement work exceeds 50 percent of the cost of replacing the entire system. The base limit is revises to $15,000 per unit for 2015, and will be adjusted annually based on the percentage change published by the Consumer Financial Protection Bureau, or other inflation cost index published by HUD. This change is consistent with proposed changes in the MAP Guide.

Granted By: Edward L. Golding, Principal Deputy Assistant Secretary for Housing.

Date Granted: May 18, 2015.
Reason Waived: The temporary changes were necessary to effectuate the Federal Financing Bank (FFB) Risk Sharing Initiative between Housing and Urban Development and the Treasury Department/FFB announced in Fiscal Year 2014. If the result is preservation with the following conditions:

1. No defaults in the last 12 months of the HFA loan to be refinanced;
2. A 20-year affordable housing deed restriction placed on title that conforms to the section 542(c) statutory definition;
3. A Property Capital Needs Assessment (PCNA) must be performed and funds escrowed for all necessary repairs, and reserves funded for future capital needs; and
4. **Reason Waived:** The HA requested a waiver to obtain additional time to allow for input of its FYE June 30, 2014 audited financial data into the FASS online system. The State's single audit assistant information had recently been submitted.

**Contact:** Scott Sherman, Acting Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street SW., Suite 100, Washington, DC 20410, telephone (202) 475–7975.

- **Regulation:** 24 CFR 5.801(d)(1), 24 CFR 902.33(c) and 902.62(a)(3).
- **Project/Activity:** Center Housing Authority (CD043) Center, CO.

**Nature of Requirement:** These regulations establish certain reporting compliance dates. The audited financial statements are required to be submitted to the Real Estate Assessment Center (REAC) no later than nine months after the housing authority's (HA) fiscal year end (FYE), in accordance with the Single Audit Act and OMB Circular A–133.

- **Granted By:** Lourdes Castro Ramirez, Principal Deputy Assistant Secretary for Public and Indian Housing.
- **Date Granted:** May 29, 2015.

**Reason Waived:** The Housing Authority (Section 8-only entity) requested a waiver to obtain additional time to allow for input of its FYE June 30, 2014 audited financial data into the FASS online system. The State's single audit assistant information had recently been submitted.

**Contact:** Scott Sherman, Acting Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street SW., Suite 100, Washington, DC 20410, telephone (202) 475–7975.

- **Regulation:** 24 CFR 5.801(d)(1), 24 CFR 902.33(c) and 902.62(a)(3).
- **Project/Activity:** Housing Authority of the County of Alameda (HACA), Hayward, CA.

**Nature of Requirement:** These regulations were recently issued by the Department and established a single payment standard amount for each unit size. The regulation at 24 CFR 982.503(c)(2) states that the HUD Field Office may approve an exception payment standard amount from above 110 percent of the published fair market rents (FMR) if the HUD Field Office determines that approval is justified by either the median rent method or the 40th or 50th percentile rent method and that such approval is also supported by an appropriate program justification.

- **Granted By:** Lourdes Castro Ramirez, Principal Deputy Assistant Secretary for Public and Indian Housing.
- **Date Granted:** May 5, 2015.

**Reason Waived:** These regulations were waived to allow HACA to establish payment standards at 120 percent of the FMR for all bedroom sizes in all areas of the county for its HUD-Veterans Affairs Supportive Housing (VASH) program. These families generally have a more difficult time finding units before their vouchers expire and require 40 percent more voucher extensions than non-HUD–VASH families in a low vacancy area.

- **Regulation:** 24 CFR 5.801(d)(1).
- **Project/Activity:** Housing Authority of the County of Alameda (HACA), Hayward, CA.

**Nature of Requirement:** These regulations establish certain reporting compliance dates. The audited financial statements are required to be submitted to the Real Estate Assessment Center (REAC) no later than nine months after the housing authority's (HA) fiscal year end (FYE), in accordance with the Single Audit Act and OMB Circular A–133.

- **Granted By:** Lourdes Castro Ramirez, Principal Deputy Assistant Secretary for Public and Indian Housing.
- **Date Granted:** May 13, 2015.

**Reason Waived:** The HA requested a waiver to obtain an extension (until May 15, 2015) to submit its audited financial data for the fiscal year end (FYE) June 30, 2014. The HA indicated that additional time is necessary due to extensive damages incurred to its Administrative office resulting in ruptured pipelines that destroyed computers and files.

**Contact:** Scott Sherman, Acting Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street SW., Suite 100, Washington, DC 20410, telephone (202) 475–7975.

- **Regulation:** 24 CFR 5.801(d)(1).
- **Project/Activity:** Talahassee Housing Authority (FL073), Tallahassee, FL.

**Nature of Requirement:** The regulation establishes certain reporting compliance dates. The audited financial statements are required to be submitted to the Real Estate Assessment Center (REAC) no later than nine months after the housing authority's (HA) fiscal year end (FYE), in accordance with the Single Audit Act and OMB Circular A–133.

- **Granted By:** Lourdes Castro Ramirez, Principal Deputy Assistant Secretary for Public and Indian Housing.
- **Date Granted:** May 6, 2015.

**Reason Waived:** The Housing Authority (HA) requested a waiver of 24 CFR 5.110 to obtain a 60-day extension (until May 30, 2015) to submit its audited financial data for the fiscal year end (FYE) June 30, 2014. The HA experienced numerous ledger balances and accounting errors due to fraud, having difficulty procuring a qualified Finance Director, and had recently converted to a new software system.

- **Regulation:** 24 CFR 5.801(d)(1).
- **Project/Activity:** Raleigh County Housing Authority (RCHA), Raleigh, NC.

**Nature of Requirement:** The regulation at 24 CFR 982.516(a)(2)(ii) states that the public housing agency must obtain and document in the tenant file third-party verification of the value of assets or must document in the tenant file why third-party verification was not available.

- **Granted By:** Lourdes Castro Ramirez, Principal Deputy Assistant Secretary for Public and Indian Housing.
- **Date Granted:** May 13, 2015.

**Reason Waived:** The majority of participants have less than $5,000 in asset income; (2) the cost of obtaining third-party documentation is borne by participants; and (3) waiting for such documentation frequently delays the completion of interim and annual reexaminations. A proposed regulation issued by the Department and published in the Federal Register on January 6, 2015 (Streamlining Administrative Regulations for Public Housing, Housing Choice Voucher, Multifamily Housing, and Community Planning Development Programs) would likewise authorize self-certification of assets of $5,000 or less.
