BILLING CODE 3670-01-P

DEPARTMENT OF EDUCATION

Privacy Act of 1974; System of Records—Electronic Cohort Default Rate Appeals (eCDR Appeals), as Supplemented and Renamed Data Challenges and Appeals Solutions System

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of an altered system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), the Department of Education (Department) publishes this notice of an altered system of records entitled "Data Challenges and Appeals Solutions (DCAS) System," which will replace the "Electronic Cohort Default Rate Appeals (eCDR Appeals)" system of records.

On October 31, 2014, the Secretary published final regulations in the **Federal Register** that apply to educational programs that are eligible to participate in the student financial assistance programs authorized under title IV of the Higher Education Act of 1965, as amended (HEA), because these programs "prepare students for gainful employment in a recognized

occupation" (GE regulations). The GE regulations establish a new program eligibility measure and disclosure requirements. As a result, Federal Student Aid (FSA) will be responsible for many more data challenges, requests for adjustments, and appeals in the coming years.

The DCAS System is the enhanced successor system to the eCDR Appeals system and will be implemented in phases to include all appeals, requests for adjustments and challenges related to institutional cohort default rates (CDRs), the GE regulations, and other student-level data initiatives. After FSA fully implements all phases of the DCAS System, FSA will retire the prior information technology system that housed the eCDR Appeals data.

In addition to the records described above, the DCAS System will contain records regarding borrowers who have applied for and received loans under the William D. Ford Federal Direct Loan (Direct Loan) Program and the Federal Family Education Loan (FFEL) Program.

The Department seeks comment on the altered system of records described in this notice, in accordance with the requirements of the Privacy Act.

DATES: We must receive your comments about this altered system of records on or before October 21, 2015.

The Department filed a report describing the altered system of records covered by this notice with the Chair of the Senate Committee on Homeland Security and Governmental Affairs, the Chair of the House Committee on Oversight and Government Reform, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on September 10, 2015. This altered system of records will become effective upon the later date of: (1) The expiration of the 40-day period for OMB review on October 21, 2015; or (2) October 21, 2015, unless the altered system of records needs to be changed as a result of public comment or OMB review.

ADDRESSES: Address all comments about this altered system of records to Nikki Harris, Operation Performance Division, Gainful Employment Staff, Federal Student Aid, U.S. Department of Education, Union Center Plaza, 830 First Street NE., Room 62A4, Washington, DC 20202-5353.
