In order for a respondent to avail itself of this exemption, the respondent would have to show that the release of information would likely cause substantial harm to their competitive position. Abstract: Regulation G implements provisions of the Gramm-Leach-Bliley Act (GLBA) that require reporting and public disclosure of written agreements between (1) IDIs or their affiliates and (2) NGEPs, that are made in connection with the fulfillment of CRA requirements. The GLBA requires both IDIs and NGEPs to make a copy of any CRA-Related agreement available upon request and file an annual report with each relevant supervisory agency regarding the use of funds under such agreement for that fiscal year. In

addition, an IDI and affiliate must provide to the relevant supervisory agency each calendar quarter a list of all CRA-related agreements entered into during the quarter with a copy of the agreement.
