

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Center for Integrative Medicine in Primary Care**

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Notice of Single-Award Deviation from Competition Requirements for the University of Arizona's Center for Integrative Medicine in Primary Care.

SUMMARY: The Health Resources and Services Administration (HRSA) will be issuing a noncompetitive award for the Center for Integrative Medicine in Primary Care program. Approximately \$330,000 will be made available in the form of a cooperative agreement to the

University of Arizona, Center for Integrative Medicine in Primary Care program, Tucson, Arizona (HP 2771) during the current budget/project period of September 1, 2014, through August 31, 2017. This cooperative agreement was fully funded for a 3-year project period on September 1, 2014. The purpose of the Center for Integrative Medicine in Primary Care program is to incorporate competency based Integrative Medicine (IM) curricula and practices into existing primary care residencies and other health professions training programs. This center is expected to contribute to the evidence-base for IM, and to identify promising practices related to the integration of IM into primary care and interprofessional practice. The Center formally partners with existing primary care residency programs (pediatrics, internal medicine, family medicine, preventive medicine)

and other health professions training programs (nursing, physician assistant, public health, and behavioral health among others) to: (a) Pilot and implement the incorporation of IM into the curricula and training; (b) Provide faculty development; (c) Engage in interprofessional education and practice; (d) Develop practice-based IM rotations for residents and students; (e) Reach out to underserved populations through existing training sites to spread IM practice; (f) Identify promising IM practices through the work of the program; and (g) Evaluate students' and faculty members' knowledge gained and practice changes made through IM trainings and curriculum development.

SUPPLEMENTARY INFORMATION: Federal awardee of record and intended award amount is:

Grantee/Organization name	Grant number	State	FY 2014 authorized funding level	FY 2015 estimated funding level
University of Arizona Center for Integrative Medicine.	UE1 HP 27710.	AZ	\$1,699,998 fully funded for a 3-year project period.	The program did not receive FY 2015 appropriated funds. HRSA proposes to award an additional \$330,000 through a program expansion supplement in FY 2015.

Amount of the Award(s): Up to \$330,000.

CFDA Number: 93.117.

Current Project Period: September 1, 2014, through August 31, 2017.

Period of Supplemental Funding: September 1, 2014, through August 31, 2017.

Authority: Section 765 of the Public Health Service Act (42 U.S.C. 295 and 295a), as amended by Section 5206 of the Patient Protection and Affordable Care Act.

Justification

HRSA seeks to provide a program expansion supplement of \$330,000 for the Center for Integrative Medicine in Primary Care Program award for the purpose of increasing the number of pilot sites and disciplines that are reached with the initial offering of the Foundations in Integrative Healthcare online course. The program will be able to accomplish outreach to a broad range of disciplines, health professionals, types of programs, and underrepresented groups. They also will be able to provide outreach to consumers on integrative healthcare. This request is for a single-award deviation because there is only one currently funded cooperative agreement with the capacity to use the funding during the required time period.

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Ryan White HIV/AIDS Program Part C HIV Early Intervention Services Program Existing Geographic Service Area**

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: The HIV/AIDS Bureau (HAB) is requesting a class deviation from the competition requirements in order to provide a one-year extension with funds to nineteen Part C HIV Early Intervention Services Program Existing Geographic Service Area (EISEGA)

grantees. HAB is currently evaluating the EISEGA program and intends to recompute the entire program in fiscal year (FY) 2017. Nineteen of the 347 Part C grantees were scheduled to recompute in FY 2016. One-year extensions with funds enables HAB to align all cohorts of EISEGA grantees without disrupting the provision of critical HIV primary medical care services to the current Ryan White HIV/AIDS Program (RWHAP) clients served by these nineteen RWHAP Part C recipients. Pending the availability of funds, the amount of each FY 2016 award will be based on a proportion of the current Part C EISEGA award to each of the nineteen recipients, respectively.

FOR FURTHER INFORMATION CONTACT:

Chrissy Abrahms Woodland, Acting Director, Division of Community HIV/AIDS Programs, HRSA/HAB/DCHAP, 5600 Fishers Lane, Room 9-74, Rockville, MD 20857, email: cabrahms@hrsa.gov.

SUPPLEMENTARY INFORMATION:

Period of Performance: April 1, 2016, to March 31, 2017.

Intended Recipients of the Award: Borinquen Health Care Center, CareSouth-Carolina, Community Health Center Incorporated, Community Health Net, County of Ventura, Hamilton Health Center, Inc., Howard University Inc., Med Star Health Research Institute, and Northwest Health Services, Inc.

Period of Performance: May 1, 2016, to April 30, 2017.

Aaron E. Henry Community Health Services Center, Inc., Carepoint Health Foundation, Centra Health, Inc., Detroit Community Health Connection, Family Health Center of Worcester, Harbor Health Services, Inc., Mount Sinai Hospital, T.H.E. Clinic, UPMC Presbyterian Shadyside, and Vanderbilt University.

Aggregate amount of Non-Competitive Awards: \$8,097,427.
CFDA Number: 93.918

Authority: Sections 2651–2667 of the Public Health Service Act (42 U.S.C. 300ff–51–67) and section 2693 of the Public Health Service Act, as amended by the Ryan White HIV/AIDS Treatment Extension Act of 2009 (Pub. L. 111–87).

Justification: The purpose of the RWHAP Part C EISEGA Program is to provide HIV primary care in the outpatient setting. Grantees provide a comprehensive continuum of outpatient HIV primary care services in the designated service area including: (1) Targeted HIV counseling, testing, and referral; (2) medical evaluation and clinical care; (3) other primary care services; and (4) referrals to other health services. Identifying people infected with HIV and linking them to HIV primary care with initiation and long-term maintenance of life-saving antiretroviral treatment (ART) are important public health steps toward the elimination of HIV in the United States. The continuum of interventions that begins with outreach and testing and concludes with HIV viral load suppression is generally referred to as the HIV Care Continuum or the Care Treatment Cascade. The HIV Care Continuum includes the diagnosis of HIV, linkage to HIV medical care, lifelong retention in HIV medical care, appropriate prescription of ART, and ultimately HIV viral load suppression.

Dated: September 15, 2015.

James Macrae,

Acting Administrator.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Heart, Lung, and Blood Institute; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the National Heart, Lung, and Blood Advisory Council.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), title 5 U.S.C.,

as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Heart, Lung, and Blood Advisory Council.

Date: October 28, 2015.

Open: Open: 8:00 a.m. to 12:00 p.m.

Agenda: To discuss program policies and issues.

Place: National Institutes of Health, Building 31, Room 10, 31 Center Drive, Bethesda, MD 20892.

Closed: Closed: 1:00 p.m. to 5:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Building 31, Room 10, 31 Center Drive, Bethesda, MD 20892.

Contact Person: Stephen C. Mockrin, Ph.D., Director, Division of Extramural Research Activities National Heart, Lung, and Blood Institute, National Institutes of Health, 6701 Rockledge Drive, Room 7100, Bethesda, MD 20892, (301) 435–0260 mockrins@nhlbi.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: www.nhlbi.nih.gov/meetings/nhlbac/index.htm, where an agenda and any additional information for the meeting will be posted when available.
