SUPPLEMENTARY INFORMATION: Boots to Business is an entrepreneurial education initiative offered by the U.S. Small Business Administration (SBA) as a career track within the Department of Defense's revised Training Assistance Program called Transition Goals, Plans, Success (Transition GPS). The curriculum provides valuable assistance to transitioning service members exploring self-employment opportunities by leading them through the key steps for evaluating business concepts and the foundational knowledge required for developing a business plan. Participants are also introduced to SBA resources available to help access startup capital and additional technical assistance.

The Boots to Business Post Course surveys will be online, voluntary surveys that enable the Boots to Business program office to capture data related but not limited to the effectiveness of all Boots to Business courses, quality of the instructors and materials, and number of small businesses created as a result of participating in Boots to Business. Boots to Business will send an initial survey via email to all course participants immediately following course completion to gain insight on the quality of the program. Every 6 months following course completion, a follow up survey will be sent to all participants to measure participant outcomes as we link course effectiveness to the creation of veteran owned small businesses. Participants will be surveyed twice a year for 5 years following course completion to allow time for business creation.

[Docket No: SSA-2015-0054]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and extensions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB)

Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2015-0054].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than November 24, 2015. Individuals can obtain copies of

the collection instruments by writing to the above email address.

1. *Pre-1957 Military Service Federal Benefit Questionnaire—20 CFR 404.1301–404.1371—0960–0120.* SSA may grant gratuitous military wage credits for active military or naval service (under certain conditions) during the period September 16, 1940 through December 31, 1956, if no other

Federal agency (other than the Veterans Administration) credited the service for benefit eligibility or computation purposes. We use Form SSA–2512 to collect specific information about other Federal, military, or civilian benefits the wage earner may receive when the applicant indicates both pre-1957 military service and the receipt of a Federal benefit. SSA uses the data in the

claims adjudication process to grant gratuitous military wage credits when applicable, and to solicit sufficient information to determine eligibility. Respondents are applicants for Social Security benefits on a record where the wage earner claims pre-1957 military service.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–2512	5,000	1	10	833

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than October 26, 2015. Individuals can obtain copies of the OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov*.

1. *Certificate of Support—20 CFR 404.370, 404.750, 404.408a—0960–0001.* A parent of a deceased, fully insured worker may be entitled to Social Security Old-Age, Survivors, and Disability Insurance (OASDI) benefits based on the earnings record of the deceased worker under certain conditions. One of the conditions is the parent must have received at least one-half support from the deceased worker. The one-half support requirement also applies to a spousal applicant in

determining whether OASDI benefits are subject to Government Pension Offset (GPO). SSA uses the information from Form SSA–760–F4 to determine if the parent of a deceased worker or a spouse applicant meets the one-half support requirement. Respondents are (1) parents of deceased workers and (2) spouses who may meet the GPO exception.

Type of Request: Revision of an OMB-approved information collection.

2. *Vocational Rehabilitation Provider Claim—20 CFR 404.2108(b), 404.2117(c)(1)&(2), 404.2101(b)&(c), 404.2121(a), 416.2208(b), 416.2217(c)(1) & (2), 416.2201(b)&(c), 416.2221(a)—0960–0310.* State vocational rehabilitation (VR) agencies submit Form SSA–199 to SSA to obtain reimbursement of costs incurred for providing VR services. SSA requires state VR agencies to submit reimbursement claims for the following categories: (1) Claiming reimbursement

for VR services provided; (2) certifying adherence to cost containment policies and procedures; and (3) preparing causality statements. The respondents mail the paper copy of the SSA–199 to SSA for consideration and approval of the claim for reimbursement of costs incurred for SSA beneficiaries. For claims certifying adherence to cost containment policies and procedures, or for preparing causality statements, State VR agencies submit written requests as stipulated in SSA’s regulations within

the Code of Federal Regulations. SSA uses the information on the SSA–199, along with the written documentation, to determine whether, and how much, to pay State VR agencies under SSA’s VR program. Respondents are State VR agencies offering vocational and employment services to Social Security and Supplemental Security Income (SSI) recipients.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion (type of response as indicated below)	Number of respondents	Frequency of response	(Number of responses)	Average burden per response (minutes)	Estimated total annual burden (hours)

identity of individuals, businesses, organizations, entities, and government agencies seeking to use SSA’s eService

Internet and telephone applications. Individuals need this verification to electronically request and exchange

business data with SSA. Requestors provide SSA with the information needed to establish their identities. Once SSA verifies identity, the IRES system issues the requestor a user

identification number and a password to conduct business with SSA. Respondents are employers and third party submitters of wage data business entities providing taxpayer

identification information, and data exchange partners conducting business in support of SSA programs.
Type of Request: Extension of an OMB-approved information collection.

responsibilities, including how they manage beneficiary funds. SSA then obtains information from the beneficiaries these organizations represent via Form SSA-639, Beneficiary Interview Form, to corroborate the payees' statements. Due to the sensitivity of the information, SSA employees always complete the forms based on the answers respondents

give during the interview. The respondents are individuals; State and local governments; non-profit and for-profit organizations serving as representative payees; and the beneficiaries they serve.
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of responses	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)

5. *Request for Reinstatement (Title II)—20 CFR 404.1592b—404.1592f—0960-0742.* SSA allows certain previously entitled disability beneficiaries to request expedited reinstatement (EXR) of benefits under title II of the Social Security Act when their medical condition no longer

permits them to perform substantial gainful activity. SSA uses Form SSA-371 to obtain: (1) A signed statement from individuals requesting an EXR of their Title II disability benefits, and (2) proof the requestors meet the EXR requirements. SSA maintains the form in the disability folder of the applicant

to demonstrate the requestors' awareness of the EXR requirements, and their choice to request EXR. Respondents are applicants for EXR of Title II disability benefits.
Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-371	10,000	1	2	333

6. *Important Information About Your Appeal, Waiver Rights, and Repayment Options—20 CFR 404.502-521—0960-0779.* When SSA accidentally overpays beneficiaries, the agency informs them of the following rights: (1) The right to reconsideration of the overpayment determination; (2) the right to request a waiver of recovery and the automatic scheduling of a personal conference if

SSA cannot approve a request for waiver; and (3) the availability of a different rate of withholding when SSA proposes the full withholding rate. SSA uses Form SSA-3105, Important Information About Your Appeal, Waiver Rights, and Repayment Options, to explain these rights to overpaid individuals and allow them to notify SSA of their decision(s) regarding these

rights. The respondents are overpaid claimants requesting a waiver of recovery for the overpayment; reconsideration of the fact of the overpayment; or a lesser rate of withholding of the overpayment.
Type of Request: Revision of an OMB-approved information collection.
