DEPARTMENT OF COMMERCE

[Docket No. 150806686-5686-01]

RIN 0605-XC023

Privacy Act of 1974; Amended System of Records

AGENCY: Office of the Secretary, U.S. Department of Commerce.

ACTION: Notice of Proposed Amendment to Privacy Act System of Records: COMMERCE/DEPT-5, Freedom of Information and Privacy Request Records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, Title 5 United States Code (U.S.C.) 552a (e)(4) and (11); and Office of Management and Budget (OMB) Circular A-130, Appendix I, Federal Agency Responsibilities for Maintaining Records About Individuals, the Department of Commerce proposes to amend the system of records entitled "COMMERCE/DEPT-5, Freedom of Information and Privacy Request Records", to change the system name to "Freedom of Information Act and Privacy Act Request Records" and to update: The category of individuals covered by the system; the categories of records in the system to include databases and electronic files; the system location; the safeguards, retrievability, and storage to include electronic records; the system manager(s) and addresses; the notification procedure; the records access procedures; and the contesting records procedures. Other updates to incorporate are to the routine uses to include: Disclosure to a contractor of the Department having need for the information in the performance of the contract, but not operating a system of records within the meaning of 5 U.S.C. 552a (m); disclosure to appropriate agencies, entities and persons for breach notifications; and disclosure to the National Archives and Records Administration, Office of Government

Information Services. We invite public comment on the amended system announced in this publication.

DATES: To be considered, written comments must be submitted on or before November 9, 2015. Unless comments are received, the amended system of records will become effective as proposed on the date of publication of a subsequent notice in the **Federal Register**.

ADDRESSES: You may submit written comments by any of the following methods:

Email: mtoland@doc.gov. Include "COMMERCE/DEPT-5, Freedom of Information Act and Privacy Act Request Records" in the subtext of the message.

Fax: (202) 482-0827, marked to the attention of Freedom of Information and Privacy Act Officer.

Mail: Freedom of Information and Privacy Act Officer, Office of Privacy and Open Government, U.S. Department of Commerce, 1401 Constitution Ave. NW., Room 52010, Washington, DC 20230.

FOR FURTHER INFORMATION CONTACT:

Freedom of Information and Privacy Act Officer, Office of Privacy and Open Government, U.S. Department of Commerce, 1401 Constitution Ave. NW., Room 52010, Washington, DC 20230, (202) 482-1190.

SUPPLEMENTARY INFORMATION: This notice announces the Department of Commerce's (Department) proposal to amend the system of records under the Privacy Act of 1974, for Freedom of Information Act (FOIA) and Privacy Act request records. The changes are needed because the existing notice for this system of records has not been amended since 1981 and therefore, the notice is not up-to-date, accurate, and current, as required by the Privacy Act, 552a (e)(4). Further, Appendix A to OMB Circular A-130 requires agencies to periodically review systems of records notices for accuracy and completeness, paying special attention to changes in technology, function, and organization that may have made the notices out of date, and review routine use disclosures under 5 U.S.C. 552a (b)(3) to ensure they continue to be necessary and compatible with the purpose for which the information was collected. When any of the aforementioned changes occur, the Privacy Act requires agencies to publish in the **Federal Register** upon revision of a system of records, a notice that describes the amendments to the system of records.

Not only does this notice address statutory requirements for ensuring the

notice is up-to-date, accurate, and current, it provides individuals access to a current statement of what types of information are maintained and for what reason, as well. This notice also clarifies for individuals other aspects of the system of records, such as the use of electronic request tracking systems; where information is maintained and who manages the systems on which the information is stored; and the incorporation of additional routine uses, which describe the disclosures that will be made of the information on a routine basis, to whom the information may be released, and for what purpose the disclosures will be made. Specifically, we propose to modify the system of records to read as follows:
