[Docket ID: USAF–2014–0018]

Proposed Collection; Comment Request

AGENCY: Department of the Air Force, DoD.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Headquarters Air Force Space Command Nuclear C2 Systems Branch announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by December 8, 2015.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Instructions: All submissions received must include the agency name, docket number and title for this Federal Register document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at http://www.regulations.gov as they are received without change, including any personal identifiers or contact information.

Any associated form(s) for this collection may be located within this same electronic docket and downloaded for review/testing. Follow the instructions at http://www.regulations.gov for submitting comments. Please submit comments on any given form identified by docket number, form number, and title.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the HQ AFSPC/A4MC, ATTN: SMSgt. SUPPLEMENTARY INFORMATION:

Title: Associated Form; and OMB Number: Intercontinental Ballistic Missile Hardened Intersite Cable Right-of-Way Landowner Questionnaire; AF Form 3951; OMB Control Number 0701–0141.

Needs and Uses: The information collection requirement is necessary to report changes in ownership/lease information, conditions of missile cable route and associated appurtenances, and projected/building/evacuation projects. The information collected is used to ensure system integrity and to maintain a close contact public relations program with involved personnel and agencies.

Affected Public: Business or other for profit; Not-for-profit institutions.

Annual Burden Hours: 2,000.
Number of Respondents: 8,000.
Responses per Respondent: 1.
Annual Responses: 8,000.
Average Burden per Response: 15 minutes.

Frequency: On occasion.

Respondents are landowners/tenants. This form collects updated landowner/tenant information as well as data on local property conditions which could adversely affect the Hardened Intersite Cable System (HICS) such as soil erosion, projected/building projects, evacuation plans, etc. This information also aids in notifying landowners/tenants when HICS preventative or corrective maintenance becomes necessary to ensure uninterrupted Intercontinental Ballistic Missile command and control capability.

Dated: October 5, 2015.

Aaron Siegel,
Alternate OSD Federal Register Liaison Officer, Department of Defense.
