SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Unemployment Insurance Claims and Payment Activities information collection that provides important program information on unemployment insurance claims taking and benefit payment activities under State and Federal laws. These data are used for budget preparation and control, program planning and evaluation, personnel assignment, actuarial and program research, and accounting to the Congress and public. This information collection has been classified as a revision, because the Emergency Unemployment Compensation 2008 and Temporary Extended Unemployment Compensation programs have ended; consequently, maintaining the associated information collection requirements no longer has practical utility. Social Security Act section 303(a)(6) authorizes this information collection. See 42 U.S.C. 503(a)(6).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is

approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205–0010. The current approval is scheduled to expire on October 31, 2015; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 2, 2015 (80 FR 11229).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205–0010. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: DOL–ETA.
Title of Collection: Unemployment Insurance Claims and Payment Activities.

OMB Control Number: 1205–0010.

Total Estimated Number of Respondents: 53.

Total Estimated Number of Responses: 2,544.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Self-Employment Assistance (SEA) of the Federal Emergency Unemployment Compensation Program information collection. Reporting Form ETA-9161, Self-Employment Assistance, includes information about people who enter the SEA program and the benefits they receive and some limited outcome data. These data are used for oversight and to provide data responsive to statutorily required evaluations of this program. A State summarizes information collected from SEA program participants to prepare the reports. This information collection has been classified as a revision, because legislative authority for certain information collected about participants eligible for Emergency Unemployment Compensation has expired and that portion of this information collection no longer has practical utility for the ETA. Social Security Act section 303(a)(6) authorizes this information collection. See 42 U.S.C. 503(a)(6).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0490. The current approval is scheduled to expire on October 31, 2015; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.

New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 23, 2015 (80 FR 22744).

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.
