The public hearing on November 10, 2015 will begin at 1:30 p.m. Hearing items will include: draft dockets for the withdrawals, discharges and other water-related projects subject to the Commission's review; and a resolution authorizing the Executive Director to enter into an agreement with the University of Delaware for an analysis of water quality data collected by the University on the Cape May—Lewes Ferry, which will be used by the Commission and the U.S. Army Corps of Engineers to refine water quality models of the Delaware Estuary and Delaware Bay.

The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's Web site, *www.drbc.net*, in a long form of this notice at least ten days before the hearing date. Written comments on matters scheduled for hearing on November 10 will be accepted through the close of business (5 p.m.) on November 12, the day following the Veterans' Day Holiday. After the hearing on all scheduled matters has been completed, and as time allows, an opportunity for Open Public Comment (formerly known as "public dialogue") will also be provided.

The public is advised to check the Commission's Web site periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is deemed necessary to complete the Commission's review, and items may be added up to ten days prior to the hearing date. There will be no opportunity for additional public comment for the record at the December 9 business meeting on items for which a hearing was completed on November 10 or a previous date. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
