West Los Angeles VA Medical Center; Preliminary Draft Final Master Plan—Public Comment Period

AGENCY: Department of Veterans Affairs.
ACTION: Notice.

SUMMARY: This **Federal Register** Notice announces an opportunity for public comment on the Preliminary Draft Final Master Plan for the West Los Angeles (WLA) Department of Veterans Affairs (VA) campus (hereinafter referred to as the "Preliminary Draft Final Master Plan"). The WLA campus is approximately 387 acres in the heart of Los Angeles. There are 104 buildings across the campus of which 39 are designated as historic, 12 are considered

to be exceptionally high risk for a seismic event, and a number are vacant or closed. The purpose of this Preliminary Draft Final Master Plan is to support VA's ongoing efforts to revitalize the campus into a more Veteran-focused environment, notably for severely disabled, aging, female, and homeless Veterans. This master planning effort is consistent with VA's goal to help end Veteran homelessness nationwide, particularly in the Greater Los Angeles region, one of the largest homeless Veteran populations in the country. This notice solicits public comments on the Preliminary Draft Final Master Plan. At the end of the public comment period, VA will review the comments received, post summary responses into the **Federal Register** via a second notice, ready the Preliminary Draft Final Master Plan for environmental and historic preservation due diligence, and prepare a Final Master Plan for the WLA campus.

DATES: Written comments on the Preliminary Draft Final Master Plan must be received on or before December 7, 2015.

SUPPLEMENTARY INFORMATION: The mission of the VA's Veterans Health Administration (VHA) is to honor America's veterans by providing exceptional health care that improves their health and wellbeing. The WLA campus provides a variety of medical services including inpatient and outpatient care, rehabilitation, residential care, and long-term care services. In addition, it serves as a center for medical research and education.
